Long Road Winding A Question Of Pride:

Long Road Winding Robert K. Honea,2001-09-13 A common man living in uncommon times in 1806 Plenny Oliver Cash was born into an established family of Virginia planters After his abusive father gambled away his inheritances the family would immigrate to Georgia in the 1820 s Losing his young wife and unborn child Plenny would become estranged from his older brother and would begin an odyssey that would continue until Sherman s advance on Atlanta caused him to reunite with his brother and return to DeKalb County During the ensuing years even as he battled the demons within he would become a sailor and railroad man Later he would remarry and father a family as he once again farmed the land While not a soldier he was a Union sympathizer who would be forced to take an active part in the war in support of the South After the Yankee army rampaged through North Georgia and departed Atlanta Plenny would become a leader in the fight against the Bummers that had flooded in on the coattails of the victorious Union army *The Long Road Home and Other Short Stories from the Silences in the Gospel of Mark* James S. Lowry,2013-05-17 Borrowing from the ancient rabbinic use of midrash as a means of opening Scripture to students James Lowry has chosen six texts from among those in which he believes Mark deliberately left silences The author is convinced Mark hoped his readers would be encouraged to raise a variety of possibilities as to what the evangelist left unsaid Beginning with Mark choosing not to name the temptations of Jesus Mark 1 12 13 and concluding with Mark choosing to conclude his narrative with the women leaving the tomb of Jesus in stunned silence Mark 16 8 Lowry spins short stories that suggest several alternative ideas as to how the biblical narrative might have played In half of the tales Lowry enters the text and adds fictitious material to Mark s narrative In the other half his stories are set in the small textile town of Great Falls South Carolina where the author grew up in the 1950s The hope is these stories will encourage readers of Mark and groups of his readers to raise other possibilities *The Spiritual Life* Tyler G. Walton,2021-12-08 In our modern selfie and soundbite society so many of us struggle with connection and self acceptance We rely on our keyboards and screens and masks that hide who we really are even from ourselves Rather than having character we become characters Rather than being grateful for what we have we feel entitled to all of it and more With this mindset it is easy to fool ourselves into thinking that we are fine the way we are and that they are the problem abdicating any responsibility for our failures or failings and remaining stuck in situations and circumstances that hurt ourselves and everyone around us Whether we re facing the rock bottom of homelessness and drug addiction or simply strained relationships with friends and loved ones an examination of our self defeating beliefs and habits can make a world of difference *The Spiritual Life Finding Freedom From Homelessness Hunger and Heroin* takes readers on a journey from the depths of despair and dejection to the rejuvenation of a life worth living all through an inward focus that helps nurture and develop a healthier outward look *Pride's Pursuit* Cat Kalen,2015-09-22 She defeated her master She released the enslaved shifters She was finally free But when Pride Logan Stone and the rest of the pack return to the Canadian mountains

only to discover their hope of a new home in destroyed Pride is ready for revenge But when her leadership is tested and a traitor emerges Pride pick between the two men who love her most and her choice will either put an end to war on the shifters or endanger the very existence of her kind **Salvation Act I: Prophecies** Daryl Jenkinson,2019-01-03 The realm of He aeven has always been influenced by prophecies but when one speaks of the end of everything it will be a race against time to interpret what is written and to save the multiverse When Ezekiel an Erelim angel of light finds out that he may be a part of the prophecy his whole life is thrown into chaos But before he can answer the questions of his fate he is thrust into the middle of an ancient war one that he never wanted to be a part of On the run he will try to find the truth Meanwhile seven Archangels legends and survivors of their own prophecy are trying to save their world and a universe in peril while an army of demons move against them Including Envy a member of the elite group of demons known as the Seven Deadly Sins He enacts his own plans to interpret the prophecy and change his own fate They will fight to avoid fix or change their destinies But can prophecy be changed Or are their fates written in stone Also available as a digital Ebook [The Golden Arrow](#) Mary Webb,2021-08-31 Mary Webb s The Golden Arrow is a richly woven narrative set against the transformative backdrop of early 20th century England With vivid imagery and a poetic literary style Webb masterfully explores themes of love sacrifice and the search for self identity The novel s plot revolves around the experiences of its protagonist whose life is intricately linked with the rural landscape that reflects both beauty and turmoil Webb s deep appreciation for nature and its interplay with human emotion is evident throughout the text marking it as a quintessential work of the English pastoral genre while also highlighting the societal constraints of her time Mary Webb a gifted author and poet emerged from the Shropshire countryside which profoundly influenced her writing Her own experiences with isolation and her keen observation of nature s rhythms imbue The Golden Arrow with authenticity and depth Webb s earlier life shadowed by hardship and her strong will to express the nuances of human emotion combined with her literary contemporaries influences undeniably shaped her creative vision for this poignant tale I highly recommend The Golden Arrow to readers seeking a profound connection with the natural world intertwined with intricate human relationships Webb s lyrical prose not only captivates the imagination but also prompts a deeper reflection on the perennial struggle for self discovery amidst the challenges posed by society In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work s timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era s events and influences that shaped the writing A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work s messages connecting them to modern life Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read [A Moveable Thirst](#) Rick Kushman,Hank Beal,2007-04-16 A rollicking wine
