Lycra, Lattes and the Long Way Round Mark Krieger, 2011-11-11 As I drew closer to the town of Pont de Vaux I found myself thinking of some of the places I'd passed through There were so many tiny hamlets villages and larger towns some vibrant and fine looking others lifeless run down and in dire need of repair Then there were of course the countless

numbers of French people who had helped me piece together the jigsaw of roads along my way The places I was riding through weren't quite the same but there was that unmistakable pungent smell of agriculture in the air and the sight of fat cows chomping lazily on mouthfuls of grass It was vastly different from the Hautes Alps and the bustling stretch of Mediterranean coast but full of its own charm and character nonetheless Beginning with the idea of tackling some of Europe's most formidable mountains on his road bike Mark Krieger along with his wife Roz started his journey around France from the medieval town of Langres and instantly fell in love with the country Known for its history culture fine cuisine and above all its cycling it became the perfect setting for a Tour of a lifetime *Long Way Down* Ewan McGregor, Charley

Boorman, 2008-07-15 This unique travelogue offers the breathtaking account of the authors three month motorcycle journey across two continents that took them from the northernmost tip of Scotland across Europe and down through Africa ending in Cape Town Tederederies P. A. Gillis, 2024-04-26 Everyone supports Fanny Williams as little Renny becomes part of the

Aberbryncraig story and causes a problem or two on his way showing considerable ingenuity and originality Mrs Mopalot sorts it all out again with the help of those who have caused all the difficulties her husband cocoa in bed and above all most of the population of Aberbryncraig in one way or another The Summer Party is rather unusual this year *Playing Dirty* Kait

Gamble, 2017-03-21 Sometimes the only way to get what you want is to play a little dirty Olivia just wanted to give her best friend the best wedding experience and was fully prepared that her own devastatingly handsome polo player Rafael would be there too What she didn't expect was that all their friends would use the occasion to try to push her and Rafael back together Rafael just wanted to get through the event with a little dignity but since his teammates got it into their heads that he and Olivia are meant to be things have become a little complicated Their friends aren't going to let anything get in the way of bringing Olivia and Rafe together not even the couple in question **A History of South African Literature**

Gun Dogs James Langer,2009-04-01 What is a Gun Dog An uncontrolled creature purportedly under our control These poems strain at the lead The torque is felt in the line the verb the wild thinking in metaphor The maturity of James Langer's vision reveals itself here in the cumulative effect of his rhetoric He won't land on his quarry Love Forgiveness Respect of Place Clarity of Memory He will however attain wisdom within these poems a measured equanimity that can be traced back to the Stoics These lines are like those of Les Murray Seamus Heaney Derek Walcott and Robin Robertson Here is a debut from a genuine fully formed talent whose poems reach the sublime
