Burke, 2006 In the summer of 1991 Michael Burke an experienced river guide embarks on a three week journey down a series of remote rivers in British Columbia Leaving behind his pregnant wife he embraces the perils of a voyage with a companion he barely knows in a raft that may not weather the trip He attempts to reconcile the shifting fates of his life his transition from river guide to husband father and academic At the same time he hopes to explore his connection to a distant relative Sid Barrington who was a champion swiftwater pilot of the North in the late 19th and early 20th centuries As Burke contemplates what he and Sid may have had in common he meditates on the changing meaning of rivers and the impossibility

of fully recovering the past In clear and graceful prose Burke blends Sid s colorful history with his own uncommon journey He also reflects upon the quick currents of time and the fierce passion he shares with Sid for the life of river running in Alaska and the west Unlike most river running books that often describe waterways in the lower forty eight states The Same River Twice introduces readers to rough austere and unfamiliar rivers in the northern wilderness Burke has an intimate understanding of these remote free flowing rivers He effectively captures the thrill of moving water the spirit of rivers and river canyons and the life of river guides This insightful memoir brings readers into a confluence of rivers where past and present merge revealing the power of wilderness and the truth about changing course Lightning Can Strike Twice Tommy Fury,2024-10-10 In his first book professional boxer and social media star Tommy Fury reveals what life is like juggling his many identities boxing champion TV star mental health advocate and father and navigating the most difficult period of his life in August 2024 Since writing this book some things have changed for me In the last couple of weeks I have felt like my voice has been taken away from me I am really proud of my book and I wanted to give it as current an ending as it is possible We were able to delay the first print run because I do have something to add and where better than here a place where I can speak freely and feel safe When Tommy Fury realised as a young boy that he wanted to become a boxer the odds were stacked against him His father was sent to prison when Tommy was only nine casting his family life into chaos He couldn t afford a bus ticket to the gym to train so he d have to walk three hours instead When he got there everyone wanted to fight him guys much older than him and twice his size to say they could beat a Fury In Lightning Can Strike Twice Tommy Fury opens up about his incredible story defying pressure and triumphing regardless of the weight of expectation on his shoulders and the many sides to his life He shares unfiltered stories about his experience on Love Island candid insight into his life with Molly Mae and as a father to their daughter Bambi and a glimpse behind the scenes of what life is like as part of the UK s most popular family including never before seen personal photos Tommy Fury wasn t supposed to succeed How could another champion come out of the family that had already produced Tyson Fury In this open honest memoir Tommy shows that lightning can strike twice and that there s more to being a Fury than knowing how to fight Read Tommy s book alongside his new documentary Tommy The Good The Bad The Fury **Zero: A Containment Story** Matthew Staggs,2018-10-09 Every plague has a patient zero Charlotte Tasker is the only doctor for miles When a migrant worker walks through her door she has no idea what his strange rash will bring to her small town It doesn t take long for the CDC to learn of the outbreak and send a specialist to investigate Charlotte soon learns this isn t his first time to deal with an outbreak Zero is a short story set decades before the Gratz family ran from the CDC in the Containment Series the thrilling 3 part dystopian bio thriller Available now as a stand alone story or as part of Containment The Complete Series Buy Zero today and begin your history lesson Look Twice M. Garzon,2017-05-04 Book 2 in the popular series Blood is thicker than water I didn t understand that expression when I was a kid I only knew that I was closer to my brother Seth than to anyone
