Fluffy Friend Pattie Silver-Thompson, 1990-02-27 **Harper's Bazaar** ,1916 **The Great Library of Tomorrow** Rosalia Aguilar Solace, 2024-11-12 AFTERWORD BY DJ STEVE AOKI Fueled by the same collaborative heart and boundless imagination that dazzle millions of devoted Tomorrowland followers and festivalgoers every year The Great Library of Tomorrow is a stunningly original epic fantasy about a band of heroes who must defeat a malevolent enemy bent on destroying the openness love and creativity that sustain their many realms Helia has served as the Sage of Hope for the Great Library of Tomorrow for centuries She is one of the chosen few who embody and protect the values of humanity across the numerous realms of Paperworld which are connected within the Library itself via magical portals controlled by the Book of Wisdom But even her hope is tested when she and her partner Xavier the Sage of Truth are attacked while visiting the famous Rose Garden in the realm of Silvyra Wounded and in shock amid a storm of fire they are confronted by a deadly figure known to them as the Ash Man With the Garden destroyed and its dragon protector missing Xavier sacrifices his life so that Helia can return home to warn the other Sages But there she finds the Book of Wisdom always a guide to the Sages eerily silent With the Ash Man gaining strength Helia soon finds herself in a race against time searching for clues to the origins of their foe and any possible way to defeat him Dark Skies Tiffany Francis-Baker, 2019-09-05 Darkness has shaped the lives of humans for millennia and in *Dark Skies* Tiffany Francis Baker travels around Britain and Europe to learn more about nocturnal landscapes and humanity's connection to the night sky For a year Tiffany travels through different nightscapes across the UK and beyond She experiences 24 hour daylight while swimming in the Gulf of Finland and visits Norway to witness the Northern Lights and speak to people who live in darkness for three months each year She hikes through the haunted yew forests of Kingley Vale and embarks on a nocturnal sail down the River Dart As she travels Tiffany explores how our relationship with darkness and the night sky has changed over time In this personal and beautifully written nature memoir Tiffany Francis Baker investigates how our experiences of the night time world have permeated our history folklore science geography art and literature Fan Identities in the Furry Fandom Jessica Ruth Austin, 2021-08-26 Although definition can vary to be a Furry a person identifies with an animal as part of their personality this can be on a mystical religious level or a psychological level In modern Western society having a spirit animal or animal identity can sometimes be framed as social deviance rather than religious or totemic diversity Jessica Ruth Austin investigates how Furies use the online space to create a Furry identity She argues that for highly identified Furies posthumanism is an appropriate framework to use For less identified Furies who are more akin to fans fan studies literature is used to conceptualise their identity construction This book argues that the Furies are not a homogenous group and with varying levels of identification within the fandom so shows that negative media representations of the Furry Fandom have wrongly pathologized the Furies as deviants as opposed to fans **Black Fox Magazine** ,1919 **The Heart of a Hellion** Jess
