Loopy A Novel

Linda M. Pavonetti

Loopy A Novel:

Loopy Dan Binchy, 2005-04-01 Dan Binchy's first two novels were delightful stories of small town Ireland and filled with a range of eccentric and hilarious characters. Both books received warm praise. The Washington Post called *The Neon Madonna* terrifically funny and a hilarious read. Booklist called *The Last Resort* an endearing and entertaining combination of warmth and wit. The tiny village of Trabane is tucked far away in the west of Ireland. A coastal resort on the Atlantic Ocean, the rugged strip of land that separates it from the beach boasts a golf course designed more by nature than by man. On links like this, golf is much more than just a game to those that play it. It is a battlefield where scores are settled and every man and woman is equal. Anything further from the wealth and luxury of an exclusive country club would be hard to imagine. Yet to young Larry Lynch, nicknamed LOOPY, golf opens up new horizons and the chance of a better life. The story of Loopy is about much more than golf; it is the struggle of good versus evil played out against a majestic backdrop of towering sand dunes, emerald green fairways, and Atlantic hailstorms that prick the face like steel knitting needles. Loopy is pitted against snobbery, big business, and ruthless financiers in a golf match that is a parable of life itself. Helped only by an eccentric caddy and a gaggle of noisy supporters, he takes on some of the world's best amateur golfers in a titanic struggle that will warm the heart of readers everywhere. Little does he know that he is playing for a prize far far greater than a silver trophy. Through it all, Binchy imbues the work with a wonderful feel of small town Ireland and, of course, the Irish spirit. *Alone in the Company of Others: A Novel* Kelly Huddleston, 2009-10-19

With a cast of eccentrics that rivals *The Royal Tenenbaums*, *ALONE IN THE COMPANY OF OTHERS* is about people and their treasured possessions and the distinctive role that each of us plays as part of a group dynamic. The book questions where each of us essentially exists within the singular, the plural, or both. Bridges to Understanding Linda M. Pavonetti, 2011-08-18 This is the fourth volume sponsored by the United States Board on Books for Young People following *Children's Books from Other Countries* 1998, *The World Through Children's Books* 2002, and *Crossing Boundaries* 2006. This latest volume, edited by Linda M. Pavonetti, includes books published between 2005 and 2009. This annotated bibliography, organized geographically by world region and country, with descriptions of nearly 700 books representing more than 70 countries, is a valuable resource for librarians, teachers, and anyone else seeking to promote international understanding through children's literature. Like its predecessors, it will be an important tool for providing stories that will help children understand our differences while simultaneously demonstrating our common humanity. **The**
