## Lord Of Fire:

**Vaalmeeki Raamaayan** L. Swaminathan, 2018-01-01 Whether the story of the Raamaayana had really happened or it is a creation of the human imagination is difficult to argue But the story is unusual and at the same time beautifully structured original in content and with remarkable characters and stunning events that it is more likely that it is all a fact and not fabricated fiction Mixed with divine and human elements the story has had an irresistible appeal from time immemorial The oldest and most complex version of The Raamaayana is by Sage Vaalmeeki Legend has it God Brahma himself had ordained that Vaalmeeki should write the Raamaayan and the gist of the story was narrated to Vaalmeeki by Sage Naarada It is amazing how from a brief narration Vaalmeeki could fill in all the details to compose a monumental epic of about 22 000 verses It shows the power of Vaalmeeki's vision

**Planet of Gold** Andreas Paris, 2008-12 Planet of Gold is a fascinating and meticulously researched account of the first stirrings of the Earth when alien gods mastered our universe Paris hypothesis of these gods sending tons of gold from our planet may challenge your beliefs but with great skill he weaves a believable and astounding conclusion of why religions developed and how these beliefs have become permanently intertwined in our history The gold of Earth transformed into a monatomic super conducting gold powder could bring health and longevity Additionally it was a powerful and clean energy source The knowledge about gold powder was the explicit privilege of the gods For us it has been classified as forbidden knowledge The gold and the gold powder was the reason behind such events as the creation of man the confusion of the tongues the destruction of cities and the introduction of religions like Christianity and Islam Their action to violently deprive us from using gold powder is visible in our current state of being a world dominated by diseases mental enslavement by religious dogmas and pollution leading to a climate crisis Paris book is a stunningly revealing look at ancient kings prophets and agents secret societies the Holy Inquisition the Bible and other religious teachings Planet of Gold will open your eyes to an entirely different way of observing your faith and your world

**ABOUT THE AUTHOR** Andreas Paris lives with his wife and two children in Stockholm Sweden He is a retired IT Specialist and is currently working on a second volume about the Planet of Gold
