Sinners in the Presence of a Loving God R. Zachary Manis,2019-06-03 Why would a perfectly good and loving God consign anyone to eternal suffering in hell In Sinners in the Presence of a Loving God R Zachary Manis examines in detail the various facets of the problem of hell considers the reasons why the usual responses to the problem are unsatisfying and suggests how an adequate solution to the problem can be constructed Historically there are four standard explanations of the nature and purpose of hell traditionalism annihilationism the choice model and universalism In Manis's assessment all are deficient in some crucial respect The alternative view that he develops and defends the divine presence model stands within the tradition that understands hell to be a state of eternal conscious suffering but Manis contends avoids the worst problems of its competitors The key idea is that the suffering of hell is not the result of a divine act that aims to inflict it but rather is the way in which a sinful creature necessarily experiences the unmitigated presence of a holy God Heaven and hell are not two places to which the saved and damned are consigned respectively but rather are two radically different ways in which different persons will experience the same reality of God's omnipresence once the barrier of divine hiddenness is finally removed The Lord Is Near John M. Drescher,1989 A series of inexpensive pamphlets designed to be given away by

pastors chaplains doctors nurses and all doing visitation work Also recommended as an alternative to a greeting card for the appropriate situation Each meditation is a reminder of the spiritual resources available to a person Each pamphlet is directed to a specific set of circumstances John M Drescher provides these short meditations that give guidance and light when it seems that God may have forsaken us **God's Presence and Heaven In the Present** Woong R Whang,2024-03-07 This book is about the TRUTH the WAY and the LIFE for all who are weary and heavily burdened needing rest It tells the truth about who we are in Jesus Christ regardless of what we are This new discovery of who we are brings new light on our past present and future We all seek the truth about who we are the world suffering and happiness We all seek to find the best way to live our lives to the fullest Regardless of what we are we are all seekers of the same things We think there are different ways and answers to what we seek because we are different Jesus Christ says there is One Truth One Way One Life Jesus Christ Himself The Truth in Jesus Christ is we are dead in Christ and Christ lives in us The Way in Jesus Christ is for our souls to go in every breath to Jesus who dwells in us The Life in Jesus Christ is to live as a new creation Being a new creation is to experience a new mind emotion and body Being a new creation is to have an undivided heart Being a new creation is to

live in the eternal time of God To live in the eternal time of God is to be free from our past present and future To live in the eternal time of God is for our soul and our spirit to be in union with Christ no longer confined to the body and to the visible things of this world But it is to live in heaven where there is perfect rest here and now And we enjoy to the fullest this perfect rest as God s holy blameless and righteous children in the present in the presence of God **The Preacher's Commentary, Complete 35-Volume Set: Genesis - Revelation** Leslie C.
