

The image features the Black Panther character in a highly stylized, low-poly art style. The character is depicted from the waist up, standing in a powerful, slightly crouched pose. The suit is primarily black with intricate gold and blue details, particularly around the chest and joints. The character's face is partially obscured by the mask, which has a glowing blue eye. The background is a dark, geometric pattern of triangles in shades of purple and blue. A large, stylized white and yellow shape, resembling a torn piece of paper or a large 'X', is positioned behind the character. At the bottom, a dark grey banner contains the text 'BLACK PANTHER' in a bold, white, sans-serif font.

James,2018-08-15 Excerpt Among the minor trials of faith few perhaps are more difficult to contend against than that growing conviction which commencing very soon after the holiday happiness of youth has been first tasted becomes stronger every year as experience unfolds to us the great dark secrets of the world in which we are placed the conviction of the general worthlessness of our fellow men **Ticonderoga: A Story of Early Frontier Life In The Mohawk Valley** George Payne Rainsford James,2020-09-28 The house was a neat though a lowly one It bore traces of newness for the bark on the trunks which supported the little veranda had not yet mouldered away Nevertheless it was not built by the owner s own hands for when he came there he had much to learn in the rougher arts of life but with a carpenter from a village some nine miles off he had aided to raise the building and directed the construction by his own taste The result was satisfactory to him and what was more in his eyes was satisfactory to the two whom he loved best at least it seemed

satisfactory to them although those who knew them even not so well as he did might have doubted and yet loved them all the better The door of the house was open and custom admitted every visitor freely whatever was his errand It was a strange state of society that in which men though taught by daily experience that precaution was necessary took none They held themselves occasionally ready to repel open assault which was rare and neglected every safeguard against insidious attack which was much more common It was the custom of the few who visited that secluded spot to enter without ceremony and to search in any or every room in the house for some one of the inhabitants But on this occasion the horse that came up the road stopped at the gate of the little fence and the traveler whoever he was when he reached the door after dismounting knocked with his whip before he entered The master of the house rose and went to the door He was somewhat impatient of ceremony but the aspect and demeanor of his visitor were not of a kind to nourish any angry feeling He was a young and very handsome man probably not more than thirty years of age sinewy and well formed in person with a noble and commanding countenance a broad high brow and a keen but tranquil eye His manner was courteous but grave and he said without waiting to have his errand asked I know not sir whether I shall intrude upon you too far in asking hospitality for the night but the sun is going down and I was told by a lad whom I met in the woods just now that there is no other house for ten miles farther and to say the truth I am very ignorant of the way

The Literature of Georgia Donald Rayfield,2013-12-16 The first comprehensive and objective history of the literature of Georgia revealed to be unique among those of the former Byzantine and Russian empires both in its quality and its 1500 years history It is examined in the context of the extraordinarily diverse influences which affected it from Greek and Persian to Russian and modern European literature and the folklore of the Caucasus

Emblematic Strategies in Pre-Raphaelite Literature Heather McAlpine,2019-10-14 In this book Heather McAlpine argues that emblematic strategies play a more central role in Pre Raphaelite poetics than has been acknowledged and that reading Pre Raphaelite works with an awareness of these strategies permits a new understanding of the movement s engagements with ontology religion representation and politics The emblem is a discursive practice that promises to stabilize language in the face of doubt making it especially interesting as a site of conflicting responses to Victorian crises of representation Through analyses of works by the Pre Raphaelite Brotherhood Christina Rossetti Dante Gabriel Rossetti Gerard Manley Hopkins A C Swinburne and William Morris *Emblematic Strategies* examines the Pre Raphaelite movement s common goal of conveying truth while highlighting differences in its adherents approaches to that task
