Davis,Janine Marchessault,John McCullough,2012-07-10 Locating Migrating Media details the extent to which media productions both televisual and cinematic have sought out new and cheaper shot locations creative staff and financing around the world The book contributes to debates about media globalization focusing on the local impact of new sites of media production The book s chapters also question the role that film and television industries and local and regional governments play in broader economic develop and tax incentive schemes While metaphors of transportation mobility fluidity and change continue to serve as key concepts and frames for understanding contemporary media industries products and processes the essays in this book look to local spaces neighborhoods cultural workers and stories to ground the global that is to interrogate the effect of media globalization before during and after film and television shooting and onsite production By locating migrating media these chapters seek to determine the political economic and cultural conditions that produce contemporary forms of televisual and cinematic storytelling and how these processes affect the inhabitants the look and the very geopolitical future of local communities neighborhoods cities and regions The focus on relocated screen production highlights the act of film and television making both aesthetically and economically To locate migrating media is therefore to determine the political and cultural economies of globalized sets and stages be they in new studios or on city streets or perhaps most importantly in our

imaginations *The Frodo Franchise* Kristin Thompson,2007-08-27 Once in a lifetime The phrase comes up over and over from the people who worked on Peter Jackson s The Lord of the Rings The film s seventeen Oscars record setting earnings huge fan base and hundreds of ancillary products attest to its importance and to the fact that Rings is far more than a film Its makers seized a crucial moment in Hollywood the special effects digital revolution plus the rise of infotainment and the Internet to satisfy the trilogy s fans while fostering a huge new international audience The resulting franchise of franchises has earned billions of dollars to date with no end in sight Kristin Thompson interviewed seventy six people to examine the movie s scripting and design and the new technologies deployed to produce the films video games and DVDs She demonstrates the impact Rings had on the companies that made it on the fantasy genre on New Zealand and on independent cinema In fast paced compulsively readable prose she affirms Jackson s Rings as one the most important films ever made

New Zealand Medievalism Anna Czarnowus,Janet M. Wilson,2024-04-30 This volume maps the phenomenon of medievalism in Aotearoa initially as an import by the early white settler society and as a form of nation building that would reinforce Britishness and ancestral belonging This colonial narrative underpins the volume s focus on the imperial relationship in chapters on the academic study of the Middle Ages on medievalism in film and music in manuscript and book collections and colonial stained glass and architecture Through the alternative 21st century frameworks of a global Middle Ages and Aotearoa s bicultural nationalism the volume also introduces Maori understandings of the ancestral past that parallel the European epoch and at the opposite end of the spectrum the phenomenon of global right wing medievalism as evidenced in the Alt right extremism underpinning the Christchurch mosque attack of 2019 The 11 chapters trace the transcultural moves and networks that comprise the shift from the 20th century study of the Middle Ages as an historical period to manifestations of medievalism as the reception and interpretation of the medieval past in postmedieval times Collectively these are viewed as indications of the changing public perception about the meaning and practice of the European heritage from the colonial to contemporary era The volume will appeal to educationists scholars and students interested in the academic history of the Middle Ages in New Zealand enthusiasts of film music and performance of the medieval members of the public interested in Aotearoa s history and popular culture and all who enjoy the colourful reinventions of medievalism

Hobbits to Hollywood Ernest Mathijs, Murray Pomerance, 2006 Peter Jackson's film version of The Lord of the Rings 2001 2003 is the grandest achievement of 21st century cinema so far But it is also linked to topical and social concerns including war terrorism and cultural imperialism Its style symbols narrative and structure seem always already linked to politics cultural definition problems of cinematic style and the elemental mythologies that most profoundly capture our imaginations This volume treats Jackson's trilogy as having two conditions of existence an aesthetic and a political Like other cultural artefacts it leads a double life as objet d'art and public statement about the world so that nothing in it is ever just cinematically beautiful or tasteful and nothing is ever just a message or an opinion *New Zealand with a Hobbit Botherer*

John Gisby, 2005-01-01 What should you do if your spouse becomes addicted to the Lord of the Rings movies and swoons at the very mention of Orlando Bloom's name Thud Quick fetch the smelling salts How about taking the advice of a strange apparition that reveals itself in a dream An apparition that looks remarkably like the director of the movies Peter Jackson but not quite remarkably enough to prompt legal action An apparition that recommends touring New Zealand in an effort to prove that its sheep pastures aren't really filled by frolicking Hobbits Just sheep and the occasional zorbing local This is the hilarious tale of such a tour featuring snow capped mountains and turquoise lakes flightless birds and flying cattle bungee jumping grannies and the carrot mafia strange yellow eyes peering up from a road map and hotel receptionists always desperate to know win you are living Destination Branding Nigel Morgan, Annette Pritchard, Roger Pride, 2007-06-07 In

today's highly competitive market many destinations from individual resorts to countries are adopting branding techniques similar to those used by Coca Cola Nike and Sony in an effort to differentiate their identities and to emphasize the uniqueness of their product By focusing on a range of global case studies Destination Branding demonstrates that the adoption of a highly targeted consumer research based multi agency mood branding initiative leads to success every time

Overtourism Martha Honey, Kelsey Frenkiel, 2021-05-27 COVID 19 put a temporary stop to the crisis of overtourism Yet

there is no question that travel will resume the only question is when it does what will it look like Overtourism Lessons for a Better Future charts a path toward tourism that is truly sustainable focusing on the triple bottom line of people planet and prosperity This practical book examines the causes and effects of overtourism before turning to emerging management strategies Visitor education traffic planning and redirection to lesser known sites are among the measures that can protect the economic benefit of tourism without overwhelming local communities As tourism revives around the world these innovations will guide government agencies parks officials site managers civic groups environmental NGOs tourism operators and others with a stake in protecting our most iconic places *Antipodean Antiquities* Marguerite Johnson,2019-03-21

Leading and emerging early career scholars in Classical Reception Studies come together in this volume to explore the under represented area of the Australasian Classical Tradition They interrogate the interactions between Mediterranean Antiquity and the antipodean worlds of New Zealand and Australia through the lenses of literature film theatre and fine art Of interest to scholars across the globe who research the influence of antiquity on modern literature film theatre and fine art this volume fills a decisive gap in the literature by bringing antipodean research into the spotlight Following a contextual introduction to the field the six parts of the volume explore the latest research on subjects that range from the Lord of the Rings and Xena Warrior Princess franchises to important artists such as Sidney Nolan and local authors whose work offers opportunities for cross cultural and interdisciplinary analysis with well known Western authors and artists *Watching the Lord of the Rings* Ernest Mathijs,2008 How did audiences across the world respond to the films of The Lord of the Rings This book presents findings from the largest film audience project ever undertaken drawing from 25 000 questionnaire responses and a wide array of other materials Contributors use these materials to explore a series of widely speculated questions why is film fantasy important to different kinds of viewers Through marketing previews and reviews debates and cultural chatter how are audiences prepared for a film like this How did fans of the book respond to its adaptation on screen How do people choose their favorite characters How was the films reception shaped by different national and cultural contexts The answers to these questions shed fresh light on the extraordinary popularity of The Lord of the Rings and provide important new insights into the global reception of cinema in the twenty first century
