Lord Salisbury:

Lord Salisbury's World Michael Bentley, 2001-09-06 Lord Salisbury 1830-1903 is now a subject of intense historical attention. This important study moves away from conventional biography and presents an original portrait of the mental world inhabited by late Victorian Conservatives at the time when their world view was coming under severe strain. At the centre of the picture is the 3rd Marquess of Salisbury but *Lord Salisbury's World* does not simply tell the story of his life and politics. Instead it asks sensitive questions about how the political, intellectual and religious environments of the late Victorian period seemed to one of its sharpest intellects and it situates Salisbury and his immediate entourage in a wide landscape of relationships, perceptions and problems. Professor Bentley takes the reader into Conservative assumptions about time and space, property and society, religion and the state and the past and the future, the very language in which they expressed themselves.

Lord Salisbury Dr E. David Steele, 2002-11 First published in 1999, Routledge is an imprint of Taylor & Francis, an informal company.

The Armenian Massacres, 1894-1896 Arman Dzhonovich Kirakosian, 2004 The 1915 massacre of the Armenians by reactionary Ottoman Government foreshadowed a horrifying trend of genocide that would characterize much of the twentieth century. Yet not so much is known about the Armenian massacres of the 1890s and how they set the stage for the events of 1915. This compilation of articles published in the U.S. periodicals between 1895 and 1899 reflects the deep concern of the American public for the Armenian people and also offers a fascinating window onto the world politics of the time, especially on the challenges of coordinating international action once news of the massacres began to emerge. Throughout these thirty-five reprinted articles written by American diplomats, missionaries, journalists, religious and public figures and scientists, the plight of the Armenian people unfolds. Not only do readers learn of the Armenian struggle for equality and ultimately independence from the Ottoman Empire but they also discover rich evidence about the Armenians themselves, their Church, instabilities within the Empire and charitable efforts spearheaded by American Christian missionaries. The language and tone of these articles from over a century ago do reflect U.S. and European attitudes of the time which were influenced by the perception of the Empire's Sultan Abdul Hamid II as the ultimate anti-Christian, pan-Islamic Ottoman ruler. But the overall humanitarian impulses of these writers are evident and we see the beginnings of an Armenian-U.S. relationship that would strengthen over the course of the twentieth century.

My Lord Salisbury Nicky Webster, 2016-04-22 Nicky Webster's short biography *My Lord Salisbury* explores the life of the 2nd Marquess of Salisbury, 17th April 1791-12 April 1868, a British Conservative politician. Until now there has been no published biographical work on the 2nd Marquess. He has figured but briefly in books about other members of the Cecil family and reduced to little more than anecdote, he is portrayed as a petty local martinet. Yet the archive of his correspondence held at Hatfield House in Hertfordshire suggests a different man. The minutes of the House of Lords show a thinking member of the Upper House deeply committed to the parliamentary process and the rule of law. More intimate correspondence with members of his family

reveals a husband a father and a brother who experienced the joys the sorrows and the frustrations of family life This new work will appeal to readers who are interested in the 18th and 19th century aristocracy and also those who would like to access well researched accounts of historical figures Not just for the academic and professional reader this concise clear biography presents a solid understanding of the life and multi faceted personality of the 2nd Marquess of Salisbury It is an informative but at the same time an entertaining and easy read
