 the nineteenth century than the famed South Pass a fortuitous spot along the American continental divide in west central
 Wyoming There people and animals could scurry like ants across the crest of the foreboding Rocky Mountains and live to tell
 about it It was as if the Creator having surveyed His work in this part of the world pressed a thumb into the landscape to
 provide a place for simple farmers immigrants and some newer do wells to pass through on their way to the promised land in
 the far west It was on the west side of the South Pass that the Oregon Trail and the Mormon Trail having existed side by side
 for over 1100 miles now diverged The Mormons and the California Forty niners headed southwest as soon as they cleared the
 pass the people bound for Oregon and Washington headed northwest at the same juncture It was at this pass that a
