**¿Errores o traición? El desplome de un modelo de socialismo** Leonel Gorrín Mérida, 2022-11-15  
Estudio de los procesos ocurridos en la Unión Soviética en la segunda mitad del pasado siglo que poco a poco condujeron a los dramáticos acontecimientos de las décadas de los 80 y los 90 a la caída del llamado socialismo real y a la desaparición de la URSS.

*Humor*, 1989    *La voz de las luciérnagas* Sara Rosenberg, 2018-06-04  
Este libro de carácter documental narra el viaje de la autora a Rusia donde vivió en una comuna creada por el movimiento Esencia de Tiempo Sut Vremeniy inspirado por Serguei Kurginyan y asistió a la Escuela de verano en la que participaron seiscientas personas venidas de todas las regiones de Rusia así como de Alemania, Canadá, Francia o Australia. Pero en absoluto estamos ante la simple visión de unos utópicos. En sus testimonios no sólo se ponen de manifiesto opciones vitales que se oponen al rampante modelo neoliberal que tratan de imponer como paradigma único a escala global sino que además se obtiene una sorprendente y desconocida radiografía de la Rusia posperestroika en la que aflora un sentimiento de perdida con respecto al mundo soviético que nada tiene que ver con la nostalgia. Gracias a ellos podemos tener acceso a una realidad ocultada sistemáticamente por los medios occidentales: las injerencias exteriores para desmantelar el Estado soviético, la forzada creación de la identidad nacional ucraniana, la reivindicación de la etapa soviética reconociendo errores como no por rusos de todas las edades y clases sociales que han visto cómo se les han robado aquellos logros sociales para dar paso a la nada. No es mucho lo que sabemos de la Rusia actual por lo que este libro ayudará al lector a comprender el pensamiento y la voz singular de la nueva generación de izquierda nacida después de la implosión de la URSS.

*Somos*, 1990    *Estudios*, 1988    **La Libertad de casarse**, 1991    **De qué hablan los soviéticos** Yenia Dumnova, 1988    *Vuelo hacia el amanecer* Orestes Lorenzo, 1994    **Proceso**, 1990    **Cine soviético. La más importante de las artes** Nacho Perrote Banet, 2021-12-03  
Cine soviético. La más importante de las artes es el primer estudio exhaustivo escrito en español dedicado a la cinematografía de la desaparecida Unión Soviética. Estructurado alrededor de los principales hitos sociohistóricos de la URSS y las distintas instituciones, grupos e individuos que moldearon su cinematografía. Cine soviético. La más importante de las artes recorre la Revolución y los primeros años de la URSS, el estalinismo, la era del deshielo, el estancamiento y finalmente la gloria soviética y el subsequente derrumbe de la superpotencia. Puntualizando esta narrativa, el estudio incluye una selección de las películas soviéticas más representativas y un

minucioso repaso a las trayectorias de los cineastas más relevantes entre ellos artistas tan renombrados como Serguei Eisenstein o Andréi Tarkovski. De todas las artes el cine es para nosotros la más importante, afirmó en 1922 el fundador de la URSS, Vladímir Ilích Lenin. Y lo cierto es que en las siete décadas de existencia del primer estado proletario del mundo, ninguna otra forma de expresión artística logró superar el poder de convocatoria del cine. Y es por esta razón que para todo aquel que desee adentrarse en el legado cultural de la URSS, el conocimiento de la más importante de sus artes es esencial.

**Cuba** Martín Medem, 2012-06-30 Cuba inicia una nueva etapa. Raúl Castro, el nuevo presidente del Consejo de Estado, anuncia cambios estructurales y de conceptos; si bien le acompañan las Fuerzas Armadas Revolucionarias que controlan la economía y cuya prioridad sigue siendo defender el derecho de la isla a ser una nación independiente. El nuevo panorama político en América Latina abre nuevas expectativas de mejora de sus relaciones comerciales con otros países. El cambio en la presidencia de Estados Unidos puede suponer el levantamiento del bloqueo. La disidencia permanece dividida y sin alternativas. El autor reflexiona sobre las claves del nuevo escenario que se abre en la isla y en torno a los interrogantes que a partir de ahora se plantean. ¿Qué repercusión tendrá sobre la vida cotidiana de los cubanos las previsibles mejoras económicas? Conservar el Partido, la capacidad de intervención sobre las reformas prometidas para evitar el desmerengamiento del sistema. Podrá democratizarse el socialismo cubano. Podrá Raúl manejar un periodo de reformas para que una nueva generación de dirigentes recupere los sueños del socialismo. La isla está en la hora de los mameyes, que en cubano significa el momento crucial y definitivo.
