Ebony, 1983-01 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine *THE FASTING CURE* Upton Sinclair, 2024-01-17 In Upton Sinclair's *The Fasting Cure* the author delves into the benefits of fasting as a means of healing and rejuvenation Written in a clear and engaging style Sinclair's exploration of fasting as a cure for illnesses is presented with a blend of scientific research and personal anecdotes The book is set in the early 20th century and reflects the growing interest in alternative medicine during that period Sinclair's literary talent shines through in his ability to

present complex medical concepts in an accessible manner making the book a valuable resource for both scholars and general readers interested in the history of medicine Additionally Sinclair s advocacy for natural healing methods adds depth to the text making it a compelling read for those interested in holistic health practices The Fasting Cure is a thought provoking and informative book that sheds light on a lesser known aspect of Sinclair s literary repertoire *Eat Stop Eat. Intermittent Fasting Diet to Have More Energy and Lose Weight (with the Best Recipes)* Mary Nabors,2021-09-15 If you truly want to lose weight in a sustainable way feel great about yourself and improve your overall health then you really need to read this book Most people are trying to find the right solution to lose weight have tried all sorts of diets but didn t get too far with those diets Why Because it s extremely hard to stick to them and immediately after it people will start gaining weight just like they were never on a diet You don t want this unpleasant surprise to happen to you so the real question you need to ask yourself is Do you want to lose weight and remain fit while you are having your favorite food If the answer is yes then you need a lot more than a diet you need a completely new lifestyle You really don t have to look further than this book to find the perfect inspiration for your new lifestyle The Eat Stop Eat Program Intermittent Fasting tends to be the most sustainable way to burn fat That s right you will burn fat and lose weight but you will not lose muscle mass if you follow the simple principles of this Intermittent Fasting programs This book will provide you valuable tips and tricks about what you need to eat in order to make your body burn fat how you need to structure your day to maximize the results of this procedure how you need to exercise to burn fat and not lose muscle mass Intermittent Fasting may sound very difficult for many people but the Eat Stop Eat program is the easiest and most accessible program you can do Even if you have never fasted before you can still easily cope with this program and experience the full benefits of it If you want to fall in love with Intermittent Fasting start with this program first I promise that you won t be disappointed after trying this method and you will discover how easily you can stick to it unlike the previous diets you have tried Of all the Intermittent Fasting programs this is my favorite as it allows me to enjoy the benefits of fully nutritional meals combined with the fat loss and overall health benefits of Intermittent Fasting You will probably find plenty of information online about Intermittent Fasting but there aren t too many sources that will let you know what to eat in order to maximize the results of this program If you are looking for such information look no further as this book is exactly what you need So what are you waiting for Buy this book now **Metabolism Reset Diet: 2 Books in 1** Mary Nabors,2021-10-29 If you want to become healthier bulk up and eat clean then keep reading For years it has been believed that bodybuilders couldn t follow a vegan diet People assume that in order to gain muscle that you have to eat animal products because for many animal products are the only decent source of protein While it is true that you need protein to build muscle you can get plenty of protein from plant sources As a dietitian I want to help you make the changes to your diet that you want to and still do the workouts you love There are a lot of myths out there about veganism and bodybuilding and if you are a bodybuilder who wants to eat vegan you may find it hard to figure out how to do so People

choose veganism for many reasons and the reason you want to switch to this new diet isn't important. The only thing that is important is that yes you can eat vegan and be a bodybuilder. I want to help prove to you that you can have all the energy you need as well as the protein to be a successful bodybuilder and reach the gains that you have been striving for. In this book you will find: The best vegan supplements that will boost your workouts and energy; The top bodybuilding advice that can prevent gains; The most powerful foods you can eat to improve your body's anabolic processes; How to gain energy without animal products; What it really means to eat clean; What you can do for your gut health; How simple nutrition is the key to gaining more muscle; And much more. I understand you may still be unsure about going vegan. I get it. There is a lot of misinformation out there for bodybuilders and non bodybuilders alike. You may be worried that your energy will lack or that you won't be able to gain muscle like you have been. When you choose this book you will learn the facts about bodybuilding and a vegan plant based diet. You'll realize the rumors you have heard are unfounded. Even if you have only eaten a traditional bodybuilding diet you can make the switch to veganism without losing what you have gained. I know you want to make the switch to veganism. Otherwise you wouldn't be here. So if you are serious about this scroll up and click buy now.

If you truly want to lose weight in a sustainable way, feel great about yourself, and improve your overall health, then you really need to read this book. Most people are trying to find the right solution to lose weight, have tried all sorts of diets, but didn't get too far with those diets. Why? Because it's extremely hard to stick to them, and immediately after it, people will start gaining weight just like they were never on a diet. You don't want this unpleasant surprise to happen to you, so the real question you need to ask yourself is: Do you want to lose weight and remain fit while you are having your favorite food? If the answer is yes, then you need a lot more than a diet; you need a completely new lifestyle. You really don't have to look further than this book to find the perfect inspiration for your new lifestyle. Intermittent Fasting tends to be the most sustainable way to burn fat. That's right, you will burn fat and lose weight, but you will not lose muscle mass if you follow the simple principles of this Intermittent Fasting program. This book will provide you valuable tips and tricks about what you need to eat in order to make your body burn fat, how you need to structure your day to maximize the results of this procedure, how you need to exercise to burn fat and not lose muscle mass. Of all the Intermittent Fasting programs, this is my favorite as it allows me to enjoy the benefits of fully nutritional meals combined with the fat loss and overall health benefits of Intermittent Fasting. You will probably find plenty of information online about Intermittent Fasting, but there aren't too many sources that will let you know what to eat in order to maximize the results of this program.
