this book I realized that you can't have wealth prosperity and or walk in who you were called to be if you don't know who you are On this journey called life I have heard people say this is the way we have always done it so there is no need to change Hearing those words over and over again made me realize that now more than ever change needed to take place You may be saying I haven't lost my identity but let me tell you throughout your life if you have had any encounters with people you have lost your identity People have a way of speaking things over you not realizing those words can have positive or negative results We have all been defined and redefined by words that were spoken over our life *Identity Crisis* Marie Gladden, 2017-06-15 Did you know that you are created for a purpose and on purpose Do you know what your purpose is In her new book *The Identity Crisis Who Am I* Dr Marie C Gladden will help you to get a better understanding of how to identify who you are and why you are so that you can begin to take the steps towards fulfilling the will of God for your life You are created on purpose and for a purpose The majority of the people today are existing but are not living They have an inner desire to do more and to be more but don't know how to get from hoping to becoming What it boils down to is that we don't know what we don't know The time to get in the know to learn how to grow so that we can go is now You will never find true and lasting fulfillment until you identify your reason for being your purpose It doesn't matter how much money you make how much fame you find how many degrees you have or what you do in life if it's not what you were created to do Stop living the life you think you should live and start living the life you were meant to live *Secrets and Lies* Ann Bryant, 2002 This is the ninth book in the Step Chain series Other titles include *One Mum Too Many* *You Can't Fancy Your Stepsister* *She's No Angel* *Too Good To Be True* and *Get Me Out Of Here* Parents Behaving Badly Don't Tell Mum and *Losing My Identity* When Katie finds a photo tucked away in her big brother Matt's bedroom drawer she's intrigued Who are the people in the picture Why does the young girl seem so familiar And why is Matt so cross with her when she asks him about it The truth is mind blowing Katie has an older half brother Chris the son of Martin her estranged dad and his first wife The girl is Chris's daughter and therefore Katie's niece Katie really wants to meet her new found family but her mum refuses to have anything to do with Martin or anyone associated with him She would be devastated if she found out that Matt and Katie were seeing Chris behind her back Things get even more complicated when Matt asks Chris to be best man at his wedding The web of lies is getting ever more tangled the secret too big Katie has to decide whether to live with the deceit or to tell her mum the truth and live with the consequences
