Lost Empire On The Nile:

Lost Empire on the Nile Stanhope White, 2003 **Lost Empire on the Nile** Stanhope White, 1970 *The Lost Empire* Philip Caraman, 1985 **The First Jihad** Daniel Allen Butler, 2020-01-10 A well researched account of the nineteenth century Sudanese cleric who led a bloody holy war from a New York Times bestselling author Publishers Weekly

Before bin Laden al Zargawi or Ayatollah Khomeini there was the Mahdi the Expected One who raised the Arabs in pan tribal revolt against infidels and apostates in Sudan Born on the Nile in 1844 Muhammed Ahmed grew into a devout charismatic young man whose visage was said to have always featured the placid hint of a smile He developed a ferocious resentment however against the corrupt Ottoman Turks their Egyptian lackeys and finally the Europeans who he felt held the Arab people in subjugation In 1880 he raised the banner of holy war and thousands of warriors flocked to his side The Egyptians dispatched a punitive expedition to the Sudan but the Mahdist forces destroyed it In 1883 Col William Hicks gathered a larger army of nearly ten thousand men Trapped by the tribesmen in a gorge at El Obeid it was massacred to a man Three months later another British led force met disaster at El Teb This was followed by the infamous conflict at Khartoum during which a treacherous native or patriot depending upon one s point of view let the Madhist forces into the city resulting in the horrifying death of Gen Charles Chinese Gordon at the hands of jihadists In today s world the Mahdi s words have been repeated almost verbatim by the jihadists who have attacked New York Washington Madrid and London and continue to wage war from the Hindu Kush to the Mediterranean Along with Saladin the Mahdi stands as an Islamic icon who launched his own successful crusade against the West This deeply researched work reminds us that the clash of civilizations that supposedly came upon us in September 2001 in fact began much earlier and lays important tracks into the study of terror fundamentalism and the early clash between Islam and Christianity Publishers Weekly [Eating Uganda](#) Cedric Pulford, 1999 **Civil Wars and Revolution in the Sudan** Robert O. Collins, 2005 This is a collection of twenty essays written over forty years between 1962 and 2004 on the Sudan southern Sudan and Darfur Four decades of civil war has cost more than two million dead and another six million refugees and Internally Displaced Persons Now after a decade of ambivalent and frustrating negotiations a peace agreement between the Sudan People s Liberation Movement and the Government of the Sudan has finally been signed on 9 January 2005 leaving in its wake a devastated southern Sudan its infrastructure completely destroyed its fragile economy in ruins and its people exhausted after nearly half a century of fierce fighting Although these twenty essays include such topics as nation building the dynamics of racial ethnic cultural and religious identity the politics of oil and the legacy of slavery most of them are concerned with conflict in the Sudan its participants and the reasons why and it began and has continued for so long These essays are presented here in chronological order the aggregate becomes a unique history of the Sudan s terrible civil war that cannot be found elsewhere the independent Sudan are woven into the text of each revealing new insights into the history of these tumultuous decades

Lost Nationalism Elena Vezzadini, 2015 Winner of the African Studies Association 2016 Bethwell A Ogot Book Prize A lively account of the 1924 Revolution in Sudan and the way in which the colonial situation has affected its representation a case in point in the histories of nationalist anti colonial movements in Africa and the Middle East The Indigenous and the Foreign in Christian Ethiopian Art Manuel João Ramos, Isabel Boavida, 2017-03-02 In the rural plateaux of northern Ethiopia one can still find scattered ruins of monumental buildings that are evidently alien to the country's ancient architectural tradition This little known and rarely studied architectural heritage is a silent witness to a fascinating if equivocal cultural encounter that took place in the 16th 17th centuries between Catholic Europeans and Orthodox Ethiopians The Indigenous and the Foreign in Christian Ethiopian Art presents a selection of papers derived from the 5th Conference on the History of Ethiopian Art which for the first time systematically approached this heritage The book explores the enduring impact of this encounter on the artistic religious and political life of Ethiopia an impact that has not been readily acknowledged not least because the public conversion of the early 17th century Emperor Susnyus to Catholicism resulted in a bloody civil war shrouded in religious intolerance Bringing together work by key researchers in the field these studies open up a particularly rich period in the history of Ethiopia and cast new light on the complexities of cultural and religious misencounters between Africa and Europe The Oromo and the Christian Kingdom of Ethiopia Mohammed Hassen, 2015 First full length history of the Oromo 1300 1700 explains their key part in the medieval Christian kingdom and demonstrates their importance in shaping Ethiopian history The Guide Post, 1971 **Lost Cities & Ancient Mysteries of Africa & Arabia** David Hatcher Childress, 1989 Join Childress as he discovers forbidden cities in the Empty Quarter of Arabia Atlantean ruins in Egypt and the Kalahari desert a mysterious ancient empire in the Sahara and more This is an extraordinary life on the road across war torn countries Childress searches for King Solomon's Mines living dinosaurs the Ark of the Covenant and the solutions to the fantastic mysteries of the past **Nilo-Sahelian Newsletter**, 1978 *Catalog of the Melville J. Herskovits Library of African Studies, Northwestern University Library (Evanston, Illinois) and Africana in Selected Libraries* Melville J. Herskovits Library of African Studies, 1972 **New Geographical Literature and Maps** Royal Geographical Society (Great Britain), 1966 A Guide to Historical Fiction Ernest Albert Baker, 1914 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available
