Disarmed Gregory Curtis, 2012-07-18 In the spring of 1820 on the Aegean island of Melos an unsuspecting farmer was digging for marble building blocks when he unearthed the statue that would come to be known as the Venus de Milo From the moment of its discovery a battle for possession ensued and was won eventually by the French Touted by her keepers in the Louvre as the great classical find of the era the sculpture gained instant celebrity and yet its origins had yet to be documented or verified From the flurry of excitement surrounding her discovery to the raging disputes over her authenticity to the politics and personalities that have given rise to her mystique Gregory Curtis has given us a riveting look at the embattled legacy of a beloved icon and a remarkable tribute to one of the world's great works of art

Solvent form Jared Pappas-Kelley, 2018-11-23 This book is about the destruction of art both in terms of objects that have been destroyed lost in fires floods or vandalism and the general concept of art operating through object and form Through re-examinations of such events as the MOMA warehouse fire in 2004 and the activities of art thief Stéphane Breitwieser the book proposes an idea of solvent form hinging on the dual meaning in the words solvent and solvency whereby art while attempting to make secure or fixed simultaneously undoes and destroys through its inception Ultimately the book questions what is it that may be perceived in the destruction of art and how we understand it and further how it might be linked to a more general failure
