Lost Paradise:

The Lost Paradise Janice F. Keilholtz, 2014-09-29 Way back when in 1963 and then again in 1969 two baby girls were born to Janice Keilholtz Landis and Wesley Landis While raising the two of us they attempted to teach us many life lessons One of the more important ones being trust The others being love and respect and so on Janice and Wes truly loved respected and trusted each other My sister and I witnessed this on a daily basis while growing up Anyone who knew or met them could see it right away However I didnt know that the true lessons of love respect and most of all trust were taught to us more not in life but in death The death of our mother Janice Keilholtz Landis Now when Mom was alive she had a box It was her box My sister and I had no knowledge of this box Dad knew of the box but not of the contents Mom had told him This is my box and you dont look in it And you know he ever did That is until she passed away Then when he was cleaning out a closet he came across the box When he opened it he discovered scrapbooks she had put together In one of them he found several poems she had written one of which was all the way back when she was in sixth grade She kept all of these a secret We had no idea she had written any of them She loved respected but most of all trusted our dad to not look in the box and he never did until her death As we read through them we found they were too beautiful to be kept a secret anymore and wanted to share them with everyone We hope you will enjoy them as much as we do Wesley Landis Leann Landis Weaver and Jennifer Landis Wootten

The Myth of the Lost Paradise in the Novels of Jacques Poulin Paul Socken, 1993 Socken analyzes the shape and direction of Poulin s creation narratives as they evolve in the novels and demonstrates their presence from the earliest quasi political *Un cheval pour mon royaume* to the highly introspective *Le Vieux Chagrin* The novels move from an outer directed concept of the lost paradise as a state to be attained beyond the self to a sense of the lost paradise as the kingdom within achievable first on the individual level as self knowledge and only afterwards on the social level Poulin introduces the theme of the soul and his personal concept of it as the soul for him is proof of the inner life that embodies the qualities of tranquility and tenderness associated with the lost paradise Lost paradise literature is universal and timeless Poulin s portrayal is placed in historical context so that his contribution to the genre can be fully appreciated Referring to studies by such critics as Mircea Eliade Northrop Frye Jerome S Bruner and Jack J

Adam Speaks: How I Lost Paradise Adam Pro, 2010-08-18 Adam speaks The story of Adam and Eve is known throughout the world It is a tale passed down through the beginning of humanity that is believed by Christians Jews and Muslims alike There isn t much to it other than the creation of man and woman and the loss of paradise attributed to their disobedience in biting an apple from a forbidden tree This book gives a detailed portrayal of the familiar story from the perspective of Adam It tells of the relationship Adam had with God before and after Eve was created and before and after the fall as well As a consequence to Adam s sin he is doomed to live many lives to witness the effect it has on mankind throughout history to the present day Adam narrates significant events of
