Lost Soul The Confederate Soldier In New England:

Lost Soul Les Rolston, 2017-02-21 Beginning with nothing more than a handful of dirt author Les Rolston's innocent curiosity about this mysterious soldier's grave became a journey of thousands of miles that eventually led him to the soldier's family

Lost Soul Les Rolston, 2025-01-23 Sam Postlethwaite was a Confederate soldier buried in an unmarked grave in Rhode Island Beginning with nothing more than a handful of dirt author Les Rolston's innocent curiosity about this mysterious soldier's grave became a journey of thousands of miles that eventually led him to the soldier's family The result is this factual account of Postlethwaite's odyssey and the author's determined efforts to learn his story Other important facets of this affecting historical account are the experiences of Postlethwaite's fourteen year old brother who found glory with Stonewall Jackson in the Shenandoah Valley and a boy from a prominent Rhode Island family who was emotionally ruined by the Civil War Both their families embittered by war were destined to merge through a Civil War romance and marriage This book is a tribute to all of the people Northerners and Southerners who joined together to choose forgiveness and understanding over bitterness and hatred

Honoring Our Ancestors Megan Smolenyak, 2002 Honoring our Ancestors provides 50 stories that hold one common thread the seemingly endless ways to creatively pay tribute to those who came before us One man built a Viking ship and sailed across the Atlantic another devoted decades to collecting slavery memorabilia One family passed a diaper down through four generations while another staged a scavenger hunt that helped family members get to know their ancestral hometown Back cover

Hidden History of Rhode Island and the Civil War Frank L Grzyb, 2013-03-05 The smallest state to defend the Union and one far from the battlefield Rhode Island's stories of the Civil War are often overlooked From Brown University's John M Hay later to become Lincoln's assistant secretary to the city of Newport's role as the temporary headquarters for the U S Naval Academy the Civil War history of the Ocean State is a fascinating if little known tale Few know that John Wilkes Booth visited Newport to meet his supposed fiancée just nine days before he assassinated President Lincoln The state also contributed several high ranking officers to the Union effort and more surprisingly two prominent officers to the Confederacy Remarkably Kady Southwell Brownell also openly served as a soldier in a Rhode Island infantry regiment Join author Frank L Grzyb as he investigates Rhode Island's rich Civil War history and unearths century old stories that have since faded into obscurity

Journal - Western New York Genealogical Society Western New York Genealogical Society,2002 *National Genealogical Society Quarterly* National Genealogical Society,2001 This Birth Place of Souls Harriet Eaton,2011 After the battle of Antietam in 1862 Harriet Eaton traveled to Virginia from her home in Portland Maine to care for soldiers in the

Army of the Potomac Portland's Free Street Baptist Church with liberal ties to abolition established the Maine Camp Hospital Association and made the widowed Eaton its relief agent in the field One of many Christians who believed that patriotic activism could redeem the nation Eaton quickly learned that war was no respecter of religious principles Doing the work of nurse and provisioner Eaton tended wounded men and those with smallpox and diphtheria during two tours of duty Eaton struggled with the disruptions of transience scarcely sleeping in the same place twice but found the politics of daily toil even more challenging Conflict between Eaton and coworker Isabella Fogg erupted almost immediately over issues of propriety Though Eaton praised some of the surgeons with whom she worked she labeled others charlatans whose neglect had deadly implications for the rank and file If she saw villainy she also saw opportunities to convert soldiers and developed an intense spiritual connection with a private which appears to have led to a postwar liaison Published here for the first time the uncensored nursing diary is a rarity among medical accounts of the war showing Eaton to be an astute observer of human nature and not as straight laced as we might have thought This edition includes an extensive introduction by the editor transcriptions of relevant letters and newspaper articles and a comprehensive biographical dictionary of the people mentioned in the diary
