**Mina Loy** Jennifer R. Gross, 2023-05-23 Mina Loy 1882-1966 was one of the most inscrutable artists and poets of the twentieth century. Born in London and formally trained as an artist in London, Munich, and Paris, Loy was elected as a member of the Salon d'Automne in Paris at the age of 23. Her modernist enlightenment came through her introduction to the Italian Futurists, and her subsequent structurally startling and provocative poetry and manifesto writing brought her immediate notoriety and the embrace of the American avant-garde. Upon her arrival in New York in 1916, she was featured as the prototype of the Modern Woman in a profile in the New York Evening Sun. Her writings were published in *Camera Work*, *Little Review*, *Rogue*, and elsewhere, and her art was included in the groundbreaking 1917 Independents Exhibition. She was Marcel Duchamp's date for the Blind Man's Ball, a friendship that lasted throughout their lives, as Duchamp organized Loy's final exhibition in 1955. Today, Loy is remembered primarily as a poet. *Mina Loy: Strangeness Is Inevitable* is the first book to examine the full scope of her career, including her visual work. The book follows Loy on her transatlantic passage to America as an immigrant in 1936 and features over 50 of her paintings, drawings, and constructions alongside a selection of her poetry and writings, all of which reveal her omnivorous creativity as an image maker, author, and cultural arbiter. These works are complemented by extensive, never-before-assembled archival materials that provide context for her art within the arc of her extraordinary life. Contributing authors will show how indispensable a force she was in introducing Italian futurism to America, radicalizing the aspirations of feminism, expanding the aesthetics of surrealism, and presaging American pop art through her assemblage constructions. Introducing the full breadth of Loy's creative expression: painting, drawing, poetry, prose, art criticism, and fashion design, Mina Loy presents the remarkable vision of this iconoclast. **A Companion to**

**Modernist Poetry** David E. Chinitz, Gail McDonald, 2014-03-31 *A COMPANION TO MODERNIST POETRY* A Companion to Modernist Poetry: A Companion to Modernist Poetry presents contemporary approaches to modernist poetry in a uniquely in-depth and accessible text. The first section of the volume reflects the attention to historical and cultural context that has been especially fruitful in recent scholarship. The second section focuses on various movements and groupings of poets, placing writers in literary history and indicating the currents and countercurrents whose interaction generated the category of modernism as it is now broadly conceived. The third section traces the arcs of twenty-one poets' careers, illustrated by analyses of key works. The Companion thus offers breadth in its presentation of historical and literary contexts and depth in its attention to individual poets; it brings recent scholarship to bear on the subject of modernist poetry while also providing guidance on poets who are historically important and who are likely to appear on syllabi and to attract critical interest for many years to come. Edited by two highly respected and notable critics in the field, *A Companion to Modernist Poetry* boasts a varied list of contributors who have produced an intense, focused study of modernist poetry. **Physics and the Modernist**
