Lost Oasis:

Cartographic Fictions Karen Lynnea Piper, 2002 Maps are stories as much about us as about the landscape They reveal changing perceptions of the natural world as well as conflicts over the acquisition of territories Cartographic Fictions looks at maps in relation to journals correspondence advertisements and novels by authors such as Joseph Conrad and Michael Ondaatje In her innovative study Karen Piper follows the history of cartography through three stages the establishment of the prime meridian the development of aerial photography and the emergence of satellite and computer mapping Piper follows the cartographer's impulse to leave the ground as the desire to escape the racialized or gendered subject With the distance that the aerial view provided maps could then be produced objectively that is devoid of problematic native interference Piper attempts to bring back the dialogue of the native informant demonstrating how maps have historically constructed or betrayed anxieties about race The book also attempts to bring back key areas of contact to the map between explorer native and masculine feminine definitions of space **Lily and the Hidden Magical World** Robin Wickens, 2024-04-13 In Lily and the Hidden Magical World embark on an enchanting journey into a world where whimsy and wonder collide Follow young Lily as she stumbles upon a secret realm brimming with magic and mystery As she unravels the secrets of this hidden world she discovers her own extraordinary powers and a destiny she never imagined Filled with heartwarming friendships daring adventures and spellbinding discoveries these captivating children's stories are sure to ignite the imaginations of readers young and old alike Enter a world where the ordinary becomes extraordinary and where the power of belief can work wonders **Atlanta**, 2007-09 Atlanta magazine's editorial mission is to engage our community through provocative writing authoritative reporting and superlative design that illuminate the people the issues the trends and the events that define our city The magazine informs challenges and entertains our readers each month while helping them make intelligent choices not only about what they do and where they go but what they think about matters of importance to the community and the region Atlanta magazine's editorial mission is to engage our community through provocative writing authoritative reporting and superlative design that illuminate the people the issues the trends and the events that define our city The magazine informs challenges and entertains our readers each month while helping them make intelligent choices not only about what they do and where they go but what they think about matters of importance to the community and the region **Blue Eclipse Book** ii Patrick Joseph, 2020-11-12 A poetic story rhyme that is a compilation of scripted youthful times Within these pages is a shard from a greater story that chronicles the legacy of characters meant for the entertainment each individually purposed for a grand design And as the wheels of fate turn each character will play their part unable to understand the greater role they partake in within the great theatrics of the world play Each figure within this are pulled from historical sources past and present with subtle liberties to flesh out the true nature of their character So as disparate destined paths cross into the other and intersect the fiery ambition they possess will become their sword while the purity of their immortal soul will become their

shield individually designed to protect a sincere dream while defending their outer shell from being torn away from this mortal coil And as each soul delves beyond the grip of the unfamiliar of their opening acts a threshold would demand to be crossed as they individually with warm hearts and open minds yearn for meaning as they individually await a glimpse of their true purpose escaping the confines of ephemeral restraints to push to a space that exists beyond sight

Gershom Gorenberg,2021-01-19 In this World War II military history Rommel s army is a day from Cairo a week from Tel
Aviv and the SS is ready for action Espionage brought the Nazis this far but espionage can stop them if Washington wakes up
to the danger As World War II raged in North Africa General Erwin Rommel was guided by an uncanny sense of his enemies
plans and weaknesses In the summer of 1942 he led his Axis army swiftly and terrifyingly toward Alexandria with the goal of
overrunning the entire Middle East Each step was informed by detailed updates on British positions The Nazis somehow had
a source for the Allies greatest secrets Yet the Axis powers were not the only ones with intelligence Brilliant Allied
cryptographers worked relentlessly at Bletchley Park breaking down the extraordinarily complex Nazi code Enigma From
decoded German messages they discovered that the enemy had a wealth of inside information On the brink of disaster a
fevered and high stakes search for the source began War of Shadows is the cinematic story of the race for information in the
North African theater of World War II set against intrigues that spanned the Middle East Years in the making this book is a

feat of historical research and storytelling and a rethinking of the popular narrative of the war It portrays the conflict not as an inevitable clash of heroes and villains but a spiraling series of failures accidents and desperate triumphs that decided the fate of the Middle East and quite possibly the outcome of the war

Varieties of Darkness Don Meredith,2011-11-25 From Venice to Vietnam from the Welsh coast to Cairo Don Meredith has traveled in the wake of twentieth century writers using their novels and poems as guides as another wayfarer might turn to Fodor s or the Guide Bleu He has gone in search of the back streets basilicas cafes piazzas and countrysides that figured so powerfully in the works of authors who are especially attuned to a sense of place Part travelogue part literary study Varieties of Darkness is Meredith s account of his exploration of Michael Ondaatje s fascinating literary masterpiece The English Patient Meredith mines the places the real life counterparts of the characters and the curious creative mind of Ondaatje Varieties of Darkness offers fresh insights into the novel and Ondaatje s prodigious use of scholarly detail

Anubis Ibrahim Koni,2005 A Tuareg youth ventures into trackless desert on a life threatening quest to find the father he remembers only as a shadow from his childhood but the spirit world frustrates and tests his resolve For a time he is rewarded with the Eden of a lost oasis but eventually as new settlers crowd in its destiny mimics the rise of human civilization Over the sands and the years the hero is pursued by a lover who matures into a sibyl like priestess The Libyan Tuareg author Ibrahim al Koni who has earned a reputation as a major figure in Arabic literature with his many novels and collections of short stories has used Tuareg folklore about Anubis the ancient Egyptian god of the underworld to craft a novel that is both a lyrical evocation of the desert s beauty and a chilling narrative in which thirst incest patricide animal metamorphosis and human sacrifice are more than plot devices The novel concludes with Tuareg sayings collected by the author in his search for the historical Anubis from matriarchs and sages during trips to Tuareg encampments and from inscriptions in the ancient Tifinagh script in caves and on tattered manuscripts In this novel fantastic mythology becomes universal specific and modern
