perspective on a crucial topic that touches the lives of Americans of every color and background *Annual Report of the American Historical Association* American Historical Association, 1929 *Women and the Historical Enterprise in America: Gender, Race and the Politics of Memory* Julie Des Jardins, 2004-07-21 In *Women and the Historical Enterprise in America* Julie Des Jardins explores American women's participation in the practice of history from the late nineteenth century through the end of World War II a period in which history became professionalized as an increasingly masculine field of scientific inquiry Des Jardins shows how women nevertheless transformed the profession during these years in their roles as writers preservationists educators archivists government workers and social activists Des Jardins explores the work of a wide variety of women historians both professional and amateur popular and scholarly conservative and radical white and nonwhite Although their ability to earn professional credentials and gain research access to official documents was limited by their gender and often by their race these historians addressed important new questions and represented social groups traditionally omitted from the historical record such as workers African Americans Native Americans and religious minorities Assessing the historical contributions of Mary Beard Zora Neale Hurston Angie Debo Mari Sandoz Lucy Salmon Mary McLeod Bethune Dorothy Porter Nellie Neilson and many others Des Jardins argues that women working within the broadest confines of the historical enterprise collectively brought the new perspectives of social and cultural history to the study of a multifaceted American past In the process they not only developed the field of women's history but also influenced the creation of our national memory in the twentieth century

Hoax Edward Steers, 2013-04-01 A lively yet thoroughly researched look at persistent myths and stubborn scams and how historians try to combat them *The Courier Journal* Did a collector with a knack for making sensational discoveries really find the first document ever printed in America Did Hitler actually pen a revealing set of diaries Has Jesus burial cloth survived the ages Can the shocking true account of Abraham Lincoln's assassination be found in lost pages from his murderer's diary Napoleon famously observed that history is a set of lies agreed upon and Edward Steers Jr investigates six of the most

amazing frauds ever to gain wide acceptance in this engrossing book Hoax examines the legitimacy of the Shroud of Turin perhaps the most hotly debated relic in all of Christianity and the fossils purported to confirm humanity's missing link the Piltdown Man Steers also discusses two remarkable forgeries the Hitler diaries and the Oath of a Freeman and famous conspiracy theories alleging that Franklin D Roosevelt had prior knowledge of the planned attack on Pearl Harbor and that the details of Lincoln's assassination are recorded in missing pages from John Wilkes Booth's journal The controversies that Steers presents show that there are two major factors involved in the success of a hoax or forgery greed and the desire to believe Though all of the counterfeits and conspiracies featured in Hoax have been scientifically debunked some remain fixed in many people's minds as truth As Steers points out the success of these frauds highlights a disturbing fact If true history fails to entertain the public it is likely to be ignored or forgotten

100 Amazing Facts About the Negro with Complete Proof J. A. Rogers, 2012-07-25 White supremacy busting facts that ran in the black publication the Pittsburgh Courier written by the renowned African American author and journalist First published in 1934 and revised in 1962 this book gathers journalist and historian Joel Augustus Rogers' columns from the syndicated newspaper feature titled Your History Patterned after the look of Ripley's popular Believe It or Not the multiple vignettes in each episode recount short items from Rogers's research The feature began in the Pittsburgh Courier in November 1934 and ran through the 1960s I have been intrigued by this book and by its author since I first encountered it as a student in an undergraduate survey course in African American history at Yale Sometimes Rogers was astonishingly accurate at other times he seems to have been tripping a bit shall we say Henry Louis Gates Jr The Root Rogers made great contribution to publishing and distributing little known African history facts through books and pamphlets such as 100 Amazing Facts About the Negro with Complete Proof and The Five Negro Presidents The common thread in Rogers's research was his unending aim to counter white supremacist propaganda that prevailed in segregated communities across the United States against people of African descent Black History Heroes

The Journal of Negro History, Volume 1, January 1916 Various, 2021-01-18 **Silent Women** Kevin Brownlow, Shelley Stamp, Bryony Dixon, Karen Day, Maria Giese, Tania Field, Francesca Stephens, Ellen Cheshire, K. Charlie Oughton, Patricia di Risio, Pieter Aquilia, Julie K Allen, Aimee Dixon Anthony, 2017-01-10 The first ever overview of women's contributions to the dawn of cinema looking at a

variety of roles from writers and directors to film editors and critics Why have women such as Alice Guy Blache the creator of narrative cinema been written out of film history Why have so many women working behind the scenes in film been rendered invisible and silent for so long Silent Women pioneers of cinema explores the incredible contribution of women at the dawn of cinema when surprisingly more women were employed across the board in the film industry than they are now It also looks at how women helped to shape the content style of acting and development of the movie business in their roles as actors writers editors cinematographers directors and producers In addition we describe how women engaged with and influenced the development of cinema in their roles as audience critics fans reviewers journalists and the arbiters of morality in films And finally we ask when the current discrimination and male domination of the industry will give way to allow more women access to the top jobs In addition to its historical focus on women working in film during the silent film era the term silent also refers to the silencing and eradication of the enormous contribution that women have made to the development of the motion picture industry The surprise of the essays collected here is their sheer volume in every corner of a business apparently better able to accommodate female talent then than now Danny Leigh Financial Times July 2016 It s a fascinating journey into the untold history of a largely lost era of film Greg Jameson Entertainment Focus March 2016 This book shows how women s voices were heard and helped create the golden age of silent cinema how those voices were almost eradicated by the male dominated film industry and perhaps points the way to an all inclusive future for global cinema Paul Duncan Film Historian Inspirational and informative Silent Women will challenge many people s ideas about the beginnings of film history This fascinating book roams widely across the era and the diverse achievements and voices of women in the film industry These are the stories of pioneers trailblazers and collaborators hugely enjoyable to read and vitally important to publish Pamela Hutchinson Silent London Every page begs the question how on earth did these amazing women vanish from history in the first place I defy anyone interested in cinema history not to find this valuable compendium a must read It s also a call to arms for more research into women s contribution and an affirmation of just how rewarding the detective work can be Laraine Porter Co Artistic Director of British Silent Film Festival An authoritative and illuminating work it also lends a pervasive voice to the argument that discrimination and not talent is the barrier to so few women occupying the most prominent roles within the industry Jason Wood Author and Visiting Professor at MMU I was amazed to discover just how crucially they were involved from not just in front of the camera but in producing directing editing and much much more An essential read Neil McGlone The Criterion Collection **Index to America** ,1976 **Defenders Of Liberty** Lt.
