Lots of Love from Africa Carol Vickery,2005-10-31 Lots of Love from Africa is a delightful collection of children s stories poems and letters written by the author and her family when they lived in Africa in the 1970 s It is a lovely representation of life at the time There are also many beautiful photos and other memorabilia included in the book      **To Africa in Love** Jim Harries,2019-09-10 Mel s Crush on Philo had her drag others with her into an adventure of discovery about Christian mission in contemporary Africa Set in the fictional African country of Holima a tumultuous sequence of events sees Mel and her friends learn of the need for Christian mission to Africa to be long term and vulnerable From unsuspecting lovers to deep rooted resistance this book blends all aspects of a good novel with real African experiences It would be a great read for people doing short term mission says Dave Philo s great friend      **Love, Sex and Teenage Sexual Cultures in South Africa** Deevia Bhana,2017-10-25 Love Sex and Teenage Sexual Cultures in South Africa interrupts the relative silence around teenage constructions of love in South Africa Against the backdrop of gender inequalities HIV and violence the book situates teenage constructions of love and romance within the wider social and cultural context underwritten by the histories of apartheid chronic unemployment poverty and the endless struggle to survive By drawing on focus group discussions with African teenage men and women the book addresses teenage Africans as active agents providing a more nuanced picture of their desires and their dilemmas through which sexuality and love are experienced The chapters in the book conceptualise desiring love material love pure love forced love and fearing love It argues that love is intrinsically linked to cultural practices and material realities which mold particular formations of teenage masculinities and femininities This book will be of interest to academics undergraduates postgraduates and researchers in sociology HIV health and gender studies development and postcolonial studies and African studies      *Love in Africa* Jennifer Cole,Lynn M. Thomas,2009-08-01 In recent years scholarly interest in love has flourished Historians have addressed the rise of romantic love and marriage in Europe and the United States while anthropologists have explored the ways globalization has reshaped local ideas about those same topics Yet love in Africa has been peculiarly ignored resulting in a serious lack of understanding about this vital element of social life a glaring omission given the intense focus on sexuality in Africa in the wake of HIV AIDS Love in Africa seeks both to understand this failure to consider love and to begin to correct it In a substantive introduction and eight essays that examine a variety of countries and range in time from the 1930s to the present the contributors collectively argue for the importance of paying attention to the many different cultural and historical strands that constitute love in Africa Covering such diverse topics as the reception of Bollywood movies in 1950s Zanzibar the effects of a Mexican telenovela on young people s ideas about courtship in Niger the models of romance promoted by South African and Kenyan magazines and the complex relationship between love and money in Madagascar and South Africa Love in Africa is a vivid and compelling look at love s role in African society      **Eslanda** Barbara Ransby,2022-02-15 Eslanda Essie Cardozo Goode Robeson lived a

colorful and amazing life Her career and commitments took her many places colonial Africa in 1936 the front lines of the Spanish Civil War the founding meeting of the United Nations Nazi occupied Berlin Stalin s Russia and China two months after Mao s revolution She was a woman of unusual accomplishment an anthropologist a prolific journalist a tireless advocate of women s rights an outspoken anti colonial and antiracist activist and an internationally sought after speaker Yet historians for the most part have confined Essie to the role of Mrs Paul Robeson a wife hidden in the large shadow cast by her famous husband In this masterful book biographer Barbara Ransby refocuses attention on Essie one of the most important and fascinating black women of the twentieth century Chronicling Essie s eventful life the book explores her influence on her husband s early career and how she later achieved her own unique political voice Essie s friendships with a host of literary icons and world leaders her renown as a fierce defender of justice her defiant testimony before Senator Joseph McCarthy s infamous anti communist committee and her unconventional open marriage that endured for over 40 years all are brought to light in the pages of this inspiring biography Essie s indomitable personality shines through as do her contributions to United States and twentieth century world history
