Maori Legends:

Maori tales & legends Kate McCosh Clark, 1896 A Concise Encyclopedia of Māori Myth and Legend Margaret Rose Orbell, Margaret Orbell, 1998 A concise guide to Maori myths and legends religious beliefs folklore and history More than 300 entries arranged alphabetically reveal the subtlety and complexity of the traditional Maori view of the world **Te Tohunga (Illustrations)** Wilhelm Dittmer, With the drawings it began An expired world tried to come to life again in the fragments which some old Maori narrated Nature all around favoured admiration only and her loneliness was alive with longing Of Maori art I had never heard and when that art was first offered to me I had none other to choose At first it disgusted me But I had to make use of my time The evergreen nature was beautiful and entrancing was her invitation to waste my life in her midst as she herself was wasting hers To protect myself against her allurements I began the first sketches of old carvings Then I made more Sitting beside me and looking at my work an old Maori related the deeds of his ancestor upon whose carved image I was at work And they were mighty deeds In the evenings later at the camp fire those deeds lived again in my thoughts and the imagination busied herself awkwardly enough to express new ideas with the help of new forms That was the beginning of the first drawing Out of books I could learn the old legends but from the fragmentary narratives of my old friends they sprang into life so the number of drawings grew aimless purposeless By that which first had disgusted me I was now greatly attracted the forest was dreaming while I worked the river murmured and a strange people awoke interest and friendship Then one day came a traveller from Europe He saw the drawings and spoke the words Make a book and the magic words I'll get it published Then he went his way back to Europe again It was four years ago Because these words were spoken in a far away country this book came to life otherwise the destiny of those first few drawings would doubtless have been the destiny of everything else in the great nature to wither to fall to dust Perhaps it would have been a pity As to the text of the book twere better that another had written it More serious treatises have been published by those with greater opportunities to hear and more art to reproduce the legends from the mouths of the old folk now dead and gone and I owe a good deal to them especially to Sir George Grey's Polynesian Mythology and Rev R Taylor's Te ika a Maui as well as to Mr John White Mr E Schirren and Hamilton's Maori Art But it was to my old friends that I chiefly listened seeking to look into the past through their eyes to stir my imagination through their memories yet even though my pencil may not have done its work amiss I have grave doubts of the work of my pen A part only of the legends is contained in this book it will suffice to keep alive what I have received from my tattooed friends during the long long days of a peculiarly strange life The little that is new in my book does not pretend to be scientific I have written it to help my drawings along their way And after all the book would possibly never have been completed without the friends which the drawings made in New Zealand above all Augustus Hamilton Director of the Colonial Museum The encouragement and help I received from him the benefit of his wide knowledge and love of art and of all things Maori and his true friendship gave confidence to my wavering hopes of

representing graphically the imaginings of a people so alien to and so distant from the European mind At last everything was done the parting hour came from the new home back to the old And now my thoughts are wandering back often and often to that distant time when everything was at its beginning when the tent was pitched under the willow on the river and from the Maori village on the other shore issued the sounds of happy life when morning after morning the sun rose golden over the hills and every night the river reflected the silvery stars when the willow grew slowly yellow and the falling leaves gilded the tent when the smoke of the camp fire rose blue into the skies and the first drawing was finished **The Illustrated**

Encyclopedia of Māori Myth and Legend Margaret Orbell,1996 *Maori Legends* ,1992 LEGENDS of MAUI - 15
Polynesian Legends from the Hawaiian Islands Anon E. Mouse,2018-10-01 Within this unique volume are 15 legends of Maui Legends like MAUI THE FISHERMAN MAUI LIFTING THE SKY MAUI SNARING THE SUN and twelve more captivating stories and tales from antiquity from the Polynesian people of the South Pacific These legends are not only different from the myths of other nations but they are unique in the character of the actions recorded There are three centres for these legends New Zealand in the south Hawaii in the north and the Tahitian group in the east In each of these groups of islands separated by thousands of miles there are the same legends told in almost the same way and with very little variation in names and content However Maui s deeds rank in a higher class than most of the mighty efforts of the demi gods of other nations and races and are usually of more utility The Maui legends are full of helpful imaginations which are distinctly and uniquely Polynesian in nature Here you will find adventures from the great voyages of discovery which carry fragments and hints of wonderful deeds The Maoris of New Zealand claim Maui as an ancestor of their most ancient tribes and class him as one of the most ancient of their gods calling him creator of land and creator of man even sometimes the sun himself the solar fire and the the sun god while his mother Hina was called the moon goddess NOTE MAUI Ma u i Ma oo e is a Polynesian demi god His name derives from Mohyi meaning causing to live or life applied sometimes to the gods and sometimes to chiefs as preservers and sustainers of their followers The Maui story probably contains a larger number of unique and ancient myths than that of any other legendary character in the mythology of any nation They also form one of the strongest links in the mythological chain of evidence which binds the scattered inhabitants of the Pacific into one nation They possess remarkable antiquity YESTERDAY S BOOKS FOR TODAY S CHARITIES 10% of the profit from the sale of our books is donated to charities TAGS Maui Hawaii Myths Legends Folklore children s stories adventure exploration Maui s home Fisherman Lifting The Sky Snaring The Sun Finding Fire The Skillful Tuna Brother In Law Kite Flying Oahu Legends Seeking Immortality Hina Hilo Wailuku River Ghosts Hilo Hills Woman In The Moon New Zealand Maori Polynesian Pacific Ocean South Pacific Canoe Maori Legends Alexander Wyclif Reed,1962 *Myths and Legends of the Polynesians* Johannes Carl Andersen,1995-01-01 Authoritative recounting of myths and legends gods and creation nature and supernatural love and war revenge more plus a lively commentary on Polynesian life and culture 77 illustrations **Myth and Geology** Luigi

Piccardi, W. Bruce Masse, 2007 This book is the first peer reviewed collection of papers focusing on the potential of myth storylines to yield data and lessons that are of value to the geological sciences Building on the nascent discipline of geomythology scientists and scholars from a variety of disciplines have contributed to this volume The geological hazards such as earthquakes tsunamis volcanic eruptions and cosmic impacts that have given rise to myths are considered as are the sacred and cultural values associated with rocks fossils geological formations and landscapes There are also discussions about the historical and literary perspectives of geomythology Regional coverage includes Europe and the Mediterranean Afghanistan Cameroon India Australia Japan Pacific islands South America and North America Myth and Geology challenges the widespread notion that myths are fictitious or otherwise lacking in value for the physical sciences BOOK JACKET
