N. Chitnis,1990 The Need For Following The Correct And Standard Research Methodology Is Increasingly Felt When More And More Research Works And Learned Monographs Are Coming Out On History Dealing With Social Economic Cultural And Other Varied Aspects Of Life And Thus The Writing Of A Critical Unbiased And Authentic History Is The Need Of The Hour It Has Been Well Said In This Book That The Life Breath Of History Is Interpretation Which Also Gives A Definite Viewpoint To A Work Of History It Lays That Objectivity If Carried To An Extreme Results In Dry And Lifeless Cataloguing Of Events And Subjectivity If Carried To An Extreme Results In A Highly Biased Work Often Divorced From Reality And That An Ideal Work Would Be One That Combines Subjectivity With Objectivity In Due Proportion Without Upholding The One At The

Cost Of The Other The Present Book Deals With The Different Processes Involved In Writing A Good And Authentic Historical Work Right From The Heuristic Or The Search For Reliable And Credible Historical Sources Such As Archaeological Epigraphical Numismatical Literary And Archival It Brings Into Relief The Important Features Of Analytical Operations Aimed At Ascertaining The Credibility Of Sources By Way Of External And Internal Criticism Synthetic Operations Aimed At Finding Out A Connected Meaningful And If Possible Enlightening Account Of Facts And Forces Interpreting Them Properly And Finally The Exposition In A Powerful And Impressive Style Of The Fruits Of All This Research And Thinking The Book Further Shows How Interpretation Itself Is Properly Done By Means Of Various Processes Such As Generalisation The Argument From Statistics Analogy Hypothesis And The Like A Special Feature Of The Work Is That The Examples Of Books Authors References Etc Are Mostly Indian It Gives Minute Rules And Regulations Essential While Writing A Good Research Work It Is A Constant Companion To The History Scholars In Their Research Journey While For The Teachers Of The Subject It Is An Ideal Reference Book

World Monarchies and Dynasties John Middleton, 2015-06-01 Throughout history royal dynasties have dominated countries and empires around the world Kings queens emperors chiefs pharaohs czars whatever title they ruled by monarchs have shaped institutions rituals and cultures in every time period and every corner of the globe The concept of monarchy originated in prehistoric times and evolved over centuries right up to the present Efforts to overthrow monarchies or evade their rule such as the American French Chinese and Russian revolutions are considered turning points in world history Even today many countries retain their monarchies although in vastly reduced form with little political power One cannot understand human history and government without understanding monarchs and monarchies This fully illustrated encyclopedia provides the first complete survey of all the major rulers and ruling families of the world past and present No other reference work approaches the topic with the same sense of magnitude or connection to historical context Arranged in A Z format for ease of access *World Monarchies and Dynasties* includes information on major monarchs and dynasties from ancient time to the present This set includes overviews of reigns and successions genealogical charts and dynastic timelines addresses concepts problems and theories of monarchy provides background and information for further research highlights important places structures symbols events and legends related to particular monarchs and dynasties includes a master bibliography and multiple indexes

Deccan in Transition, 1600 to 1800 Umesh Ashok Kadam, 2023-03-31 This book presents the socio cultural and historical trajectories of the Deccan plateau as well as the coastal areas of the current states of Andhra Pradesh Maharashtra Karnataka and Goa It studies the art of diplomacy by discussing the diplomatic relations between the Marathas and various European companies as well as the indigenous regional states The author also probes into the Maratha naval policy the evolution of a composite Deccani culture and the cultural flux that was taking place within the Maratha country Through an interdisciplinary lens the volume examines how caste and gender relations operated how the idea of dissent was generated as well as the socio political impact of various linguistic ethnic and

religious groups Through a study of monuments sculpture and paintings prevalent in the region the book also discusses the developments in art and architecture in the Deccan Rich in archival sources this book is a must read for scholars and researchers of Indian history colonial history South Asian history Maratha history and history in general **Empire and Gunpowder** Moumita Chowdhury,2022-07-19 This book focuses on the relation between technology warfare and state in South Asia in the eighteenth and the nineteenth centuries It explores how gunpowder and artillery played a pivotal role in the military ascendancy of the East India Company in India The monograph argues that the contemporary Indian military landscape was extremely dynamic with contemporary indigenous polities Mysore the Maratha Confederacy and the Khalsa Kingdom attempting to transform their military systems by modelling their armies on European lines It shows how the Company established an edge through an efficient bureaucracy and a standardised manufacturing system while the Indian powers primarily focused on continuous innovation and failed to introduce standardisation of production Drawing on archival records from India and the UK this volume makes a significant intervention in our understanding of the rise of the British Empire in South Asia It will be of great interest to scholars and researchers of history especially military history military and strategic studies and South Asian studies Conflict and Conquest in the Islamic World Alexander Mikaberidze,2011-07-22 A reference work that thoroughly documents the extensive military history of the Islamic world between the 7th century and the present day Military political conflict and the resulting factionalism shifts in leadership and divergent belief systems has been a constant and crucial part of the Islamic world In order to fully grasp the cultural social or political aspects of Islam in the modern world it is necessary to comprehend the rich tapestry of Islamic history from pre Islamic times to the present much of which involved armed conflict Conflict and Conquest in the Islamic World A Historical Encyclopedia provides hundreds of entries on wars revolutions sieges institutions leaders armies weapons and other aspects of wars and military life enabling readers to understand the complex role conflict has played in Islamic life throughout history and see how Islamic warfare has evolved over the centuries This reference work covers not only the traditional Middle Eastern regions and countries but also provides relevant historical information regarding Islam in North Africa Central Asia Southeastern Asia and Oceania **Portuguese Enterprise in the East** Teddy Y.H. SIM,2011-08-25 Since 2000 there have been fewer studies released about the formal aspects of the operation of colonial powers such as Portugal in the East during the Early Modern period Prior the fall of Communism in the last decade of the twentieth century gave a boost to liberal ideology while research into topics related to autocracy or state apparatus have become unfashionable The Portuguese role in the East is usually overlooked being less high profile than that of the Dutch or British Drawing on unpublished materials from the Overseas Historical Archive and other libraries in Portugal this book considers Portuguese leadership and organization at home where it pertained to the governance of the eastern colonies as well as the formal and soft instruments of state applied on the ground in these colonies in first half of the eighteenth century
