Mark Of Deliverance:

Mark's Gospel John Painter, 2005-06-20 Mark's biography of Jesus is the earliest of the four gospels and influenced them all. The distinctive feature of this biography is the quality of good news which presupposes a world dominated by the forces of evil. John Painter shows how the rhetorical and dramatic shaping of the book emphasises the conflict of good and evil at many levels between Jesus and the Jewish authorities, Jesus and the Roman authorities, and the conflict of values within the disciples themselves. These matters of content are integral to this original approach to Mark's theodicy, while the stylistic issue raises the question of Mark's intended readership. John Painter's succinct yet thorough treatment of Mark's gospel opens up not only these rhetorical issues but the social context of the gospel which Painter argues to be that of the Pauline mission to the nations.

Christology in Mark's Gospel: Four Views J. R. Daniel Kirk, Adam Winn, Sandra Huebenthal, L. W. Hurtado, 2021-11-09 Gain Insights on Mark's Christology from Today's Leading Scholars. The Gospel of Mark widely assumed to be the earliest narrative of Jesus's life and the least explicit in terms of Christology, has long served as a worktable for the discovery of Christian origins and developing theologies. The past ten years of scholarship have seen an unprecedented shift toward an early high Christology, the notion that very early in the history of the Jesus movement his followers worshipped him as God. Other studies have challenged this view, arguing that Mark's story is incomplete, intentionally ambiguous, or presents Jesus in entirely human terms. *Christology in Mark's Gospel: Four Views* brings together key voices in conversation in order to offer a clear entry point into early Christians' understanding of Jesus's identity. Sandra Huebenthal, *Suspended Christology*; Larry W. Hurtado, *Mark's Presentation of Jesus with rejoinder* by Chris Keith; J. R. Daniel Kirk, *Narrative Christology of a Suffering King*; and Adam Winn, *Jesus as the YHWH of Israel in the Gospel of Mark*. Each author offers a robust presentation of their position, followed by lively interaction with the other contributors and one last word rejoinder. The significance of this discussion is contextualized by the general editor, Anthony Le Donne's introduction and summarized in the conclusion. The Critical Points Series offers rigorous and nuanced engagement between today's best scholars for advancing the scholarship of tomorrow. Like its older sibling, the CounterPoints Series, it provides a forum for comparison and critique of different positions, focusing on critical issues in today's Christian scholarship in biblical studies, in theology, and in philosophy.

A Theology of Mark's Gospel David E. Garland, 2015-10-06 *A Theology of Mark's Gospel* is the fourth volume in the BTNT series. This landmark textbook, written by leading New Testament scholar David E. Garland, thoroughly explores the theology of Mark's Gospel. It both covers major Markan themes and also sets forth the distinctive contribution of Mark to the New Testament and the canon of Scripture, providing readers with an in-depth and holistic grasp of Markan theology in the larger context of the Bible. This substantive evangelical treatment of Markan theology makes an ideal college or seminary level text.

The Theological Intentions of Mark's Literary Devices Dean B. Deppe, 2015-10-22 What sets *The Theological Intentions of Mark's Literary Devices* apart from other books? What niche does

it fill that makes its publication important This volume will interest all those who value a literary approach to the Gospel of Mark Dean Deppe introduces some new literary devices in the research of the Gospel of Mark as well as demonstrates the theological intentions of Mark when he employs these literary devices Deppe argues that Mark employs the literary devices of intercalation framework allusionary repetitions narrative surprises and three types of mirroring to indicate where he speaks symbolically and metaphorically at two levels Mark employs these literary devices not just for dramatic tension and irony but also for theological reasons to apply the Jesus tradition to specific problems in his own day *The Preacher's Complete Homiletical Commentary on the Old Testament: Lamentations* ,1892 **Jesus and the Suffering Servant** William H.
