Of Mists and Monsoons Adele Smith, 2014-11-05 Of Mists and Monsoons traces the life and fortunes of the principal character from the mists of Ireland to the monsoons of India Born the eldest child of an Irish Catholic family of subsistent potato farmers Sean O'Hara was in his teens when Ireland was overwhelmed by the Great Famine in 1845 His family struggled to survive two successive years of potato blight but succumbed one by one leaving Sean the sole survivor The only way out offered was the chance to join a unit of the British Army stationed in Dublin and with them he was transported to India He changed his name which was customary for Irish recruits and arrived in India as Joseph Harrington Years on Joe was overwhelmed again this time by the Indian Sepoy Mutiny of 1857 In the meantime this remarkable young man overcame every challenge he was set He married an Irish girl he found in a convent and with her raised a family of four The story is loosely based on the author's own family history as her great grandfather was indeed born in Ireland joined the British Army and went to India He stayed there for the rest of his life and founded a family that remained there until Partition in 1946

drove them to England and Uganda Anecdotes from the author s childhood told by her mother are woven into the story wherever possible It is worthy of note that Joseph Harrington prophesied to his close friend Rajah Saeed Khan that though the Indians were defeated in their Mutiny of 1857 they would finally rise and throw off the British overlords He was proved right in 1947

Collision Course Alvin Moscow, 2016-03-01 The definitive New York Times bestselling account. One of the most intriguing and thought provoking books about shipwreck since *A Night to Remember*. The Detroit News. One of the largest, fastest and most beautiful ships in the world, the Andrea Doria was on her way to New York from her home port in Genoa. Departing from the United States was the much smaller Stockholm. On the foggy night of July 25, 1956, fifty-three miles southeast of Nantucket in the North Atlantic, the Stockholm sliced through the Doria's steel hull. Within minutes, water was pouring into the Italian liner. Eleven hours later, she capsized and sank into the ocean. In this electrifying book, Associated Press journalist Alvin Moscow, who covered the court hearings that sought to explain the causes of the tragedy and interviewed all the principals, recreates with compelling accuracy the actions of the ship's officers and crews and the terrifying experiences of the Doria's passengers as they struggled to evacuate a craft listing so severely that only half of its lifeboats could be launched. Newsweek. Recounting the heroic rapid response of other ships which averted a catastrophe of the same scale as that of the Titanic and the official inquest, Moscow delivers a fact-filled, fascinating drama of this infamous maritime disaster and explains how a supposedly unsinkable ship ended up at the bottom of the sea. In the New York Times Book Review, Walter Lord, author of *A Night to Remember*, said of *Collision Course*: "More than a magnificent analysis of the accident and sinking, it is a warmly compassionate document full of understanding for the people on each side."

Seven Sisters Carolyn Hart Bennett, 2008-11-13 The early Mormon Church was forced out of several states and finally blazed a trail across unknown territory to Utah to form their own theocracy. In addition to this westward movement, converts in Europe were admonished to gather to Zion and build up the Church in the Salt Lake Valley. 85,000 Mormon emigrants came to America by sailing ships between the years of 1840 and 1890. *Seven Sisters* takes place on one of these ships, the Amazon. Carrying 800 Latter-day Saints, it had a send-off from Charles Dickens at the London Docks and landed in New York City a couple of days after the deadliest riot in American History, the Draft Riots of 1863. During the 44-day crossing, there are births, deaths, storms, sea sickness, accidents, drama, humor, romance, and pure religion. All of this is seen through the eyes of seven single young women who start out the voyage individually and are soon placed together as a family by Church leaders. Although they aren't related as such, they are sisters in the Gospel and together they face the adventures, hardships, and dangers of an ocean voyage.
