My Heart Beats for You Tina Marie, 2023-03-28 Sometimes even true love isn't enough to prevent bad choices. Meet Inaya, a good girl who made some hard choices to keep her daughter safe. Inaya's life is a total wreck but she is trying her best to keep her head above water for her four-year-old daughter Kadia. When she bumps into her new neighbor Phantom, she can't get him off her mind or out of her heart. He is tall, handsome, and a complete asshole. He thinks all women are in one category, the one marked no good, and he's not afraid to express that to any woman who crosses his path. He likes Kadia because she reminds him of his little girl, but he works hard at being mean to her mother. Slowly, his heart begins to soften a little. Maybe Inaya is different from all the other women he has known. He realizes he loves her, but women from his past and present continue to threaten what Phantom and Inaya are building. One bad decision on his part threatens their relationship, and the consequences leave Kadia in danger. Meet Lox, son of a Jamaican Don, a ladies' man who even takes these chicks to dinner and a movie. Sometimes Fate brings Lox's first love, Sahnai, back into his life. He never stopped loving her, even after she disappeared from his life for reasons unknown to him. Sahnai is accustomed to using her looks to get what she wants from men. When she sees Lox after all these years, she is happy to see the only man she has ever loved, but she's having a hard time letting him in her life again. She knows her secrets are enough to make him hate her and take away the one thing she cherishes the most. After Lox sees that Sahnai is still a hothead who is not ready to grow up, he decides to walk away for good until events out of his control may change his plans.

My Bridges of Hope Livia Bitton-Jackson, 2011-11-01 After liberation from Auschwitz, fourteen-year-old Elli, her brother, and their mother attempt to rebuild their lives in Czechoslovakia. But it doesn't take long for Elli to realize that even though the war is over, anti-Semitism is not so. She and her family decide to escape to America along with thousands of other Jews. Little do they know what agonies and adventures await them. Still, Elli's memoir of her experiences after Auschwitz will captivate readers as they follow her through heartache, frustration, adventure, excitement, love, and ultimately triumph.

Chasing the Dead Joe Schreiber, 2006-09-26 You have a very lovely little girl, breathed the voice on the phone. And just like that, Susan Young is drawn into a living nightmare. A stranger has kidnapped Sue's daughter Veda. But he doesn't want her money; only her suffering, and he will kill Veda if Sue doesn't follow his every command. With detailed instructions, the faceless abductor leads Sue into a blinding snowstorm on the longest night of the year to a place she has not traveled to since childhood. The voice on the other end of the line somehow knows Sue's deepest, most chilling secret, an ominous incident from her past buried long ago. Across the loneliest back roads of Massachusetts, in the black expanse of a New England winter, Sue is forced to confront her most awful fears as

she is met at each step by ever increasing horrors created by a monster who is surely something less than human In the hope of saving her daughter from a kidnapper whose origin seems darker than anything she could ever have imagined Sue will discover just how much trauma and fright the human body is capable of absorbing Set over the course of a single night Chasing the Dead is a fast paced ferociously tense supernatural thriller With the skill of masters like Dean Koontz and David Morrell Joe Schreiber has created a tableau of shock and horror death and destruction that will draw you in and never let you go
