Rockefeller,2015-08-26 Are chronic diseases such as diabetes cardiovascular problems and joint pains troubling you Are anxiety depression and anger and other such emotions bringing you and your performance down Are you constantly on medications for digestion and respiratory issues If you answer yes to any of the above questions you are probably suffering from an imbalance of energy in your subtle non physical body So what is the subtle body In many spiritual traditions the subtle body is the sacred or the immortal body It never dies and when the physical body dies your subtle body merges into the universe It comprises of the intelligence mind and ego aspects that control the human physical body The terms aura and chakras refer to parts of your subtle plane of existence These are usually seen by the mind s eye and not your physical eyes Disturbances in your auric field or imbalances in the flow of energy through the chakras manifests as physical mental and emotional disorders in the physical world Mostly when people fail to heal their physical bodies with modern medicine the only solution is to turn towards healing the non physical subtle body Just by working on balancing your chakras and your energy field called aura you will notice that your chronic disorders are much under control your emotions are much balanced and you are spiritually more connected to the universe and your Higher Power Don t wait until you fall ill to begin taking care of your chakras and aura Take action now and start learning about chakras and the subtle body This comprehensive guide is perfect to get you started on this journey It will help you learn about what are chakras what the 7 main chakras are and how to strengthen your aura and radiate strong positive and healthy energy by opening or balancing your chakras You will also find a chakra test here that will help you find out which of your chakras is imbalanced There is also an exclusive section on the third eye for people interested in awakening it and promoting their intuitive and psychic abilities      Readings in Chinese Women's Philosophical and Feminist Thought Ann A. Pang-White,2022-12-01 Readings in Chinese Women s Philosophical and Feminist Thought gathers 40 original writings on women by 32 authors many of whom are women from the Yuan dynasty to the Republics an important 700 year historical period during which women s learning in China blossomed as a result of economic prosperity the development of commercial printing and the interaction between East and West Selections are made not only from canonical texts on women s virtues but also from less orthodox literary works such as plays poetry novels essays and revolutionary writings that illuminate the lived experience of women and the perception of gender With many texts translated into English for the first time this reader provides the context needed to understand them It features

Chronologically organized readings in the sequence of the Yuan Ming Qing dynasties and the Republics to demonstrate historical progression of thought or the lack of Introductions to each section and chapter covering essential information about the authors and the cultural historical and philosophical background to their work A chronology of dynasties Republics key events and a map Recovering discourse so often neglected in discussion of Chinese thought this is the first collection to pay special attention to women authored works from the late 13th to the early 21st century By bringing these readings together in a single volume it juxtaposes and compares female and male perspectives from the same time and creates a new narrative of Chinese philosophical thought
