abuse and disasters *The Last Words from the Cross* William Powell Tuck, 2013-02-14 The Cross The central symbol of the Christian faith Can a church be an authentic Church and not focus on the cross William Powell Tuck began answering that question in his book *The Church Under the Cross* and now he leads us into the second part of his answer in his new book *The Last Words from the Cross* The words of our Lord on the cross have become very memorable These words of Jesus have been designated as the seven last words They are of course more than individual words They are really sentences or fragments of sentences One of these seven words is found in the Gospels of Matthew and Mark Three of them are found in the Gospel of Luke and three are recorded in John No one gospel contains all of them But to me that is a way of authenticating the gospels Each writer drew on what he remembered or considered most important in those moments or what he had heard from others who shared their experiences says Tuck A study of these words gives us His disciples a deeper insight into Jesus thoughts through suffering facing death and what His death meant to Him as He met our need for salvation Rev Tuck further says These words reveal his personal agony his concern for others his forgiving spirit his physical suffering his ultimate trust and faithfulness in the One he had proclaimed Even in his moments of forsakenness he still resisted the temptation to turn away ultimately from God s will or deny the One who led him to this shameful death as he identifies with sinners This book is an ideal study for Lent or at any time for a church that would like to better understand taking up their cross And what church can t benefit from that *A Table in the Presence of My Enemies* Matthew Wade Umbarger, 2024-06-25 Psalm 23 the most beloved of the Psalms contains a perplexing riddle What can it possibly mean that God prepares a table in the presence of the psalmist s enemies Matthew Umbarger proposes that Psalm 23 5 makes the most sense when read according to its cultural context of prebattle covenant banquets Beginning with ancient Mesopotamian mythology Umbarger traces a conceptual trajectory of the prebattle banquet motif that reaches its zenith in the apocalyptic banquets of Second Temple Period literature and the eucharistic theology of the early church **Truth and Reconciliation** Thomas E. Malewitz, 2024-02-15 Framed within the lens of Robert Greenleaf s Servant Leadership model Truth and Reconciliation examines and explores trends through global historical accounts and examples of diplomatic leadership surrounding the Truth and Reconciliation Commissions of South Africa and Canada as a guide to approach America s divided identity and racial tensions Through the wisdom and diplomacy illustrated during the transition of a South African nation defined by legal racial segregation of apartheid to democracy as well as a Canadian national identity deeply scarred through the cultural genocide of generations of First Nations children and families through the abusive Residential School system and the Sixties Scoop it is the hope that this manuscript will offer insights as well as a theological lens for reflection to approach a nonviolent narrative based option of seeking truth and the first steps toward reconciliation beyond cyclic ideologies By highlighting the historical parallels between South Africa Canada and America this manuscript serves as a conversation starter offering reflective stories and activities to help establish an initial dialogue in a nation whose consciousness remains deeply rooted in unresolved cultural

Maloney Ph.D., 2021-07-29 This brief sharing of my experiences as an active duty and reserve Army chaplain has been years in the making While there are far more joyful

memories than sorrow filled memories the latter are painful and some of them were not comfortable to revisit especially the memories involving families who lost their soldier The time frame for this story is my service as an Army Reserve chaplain from 1991 2013 including over seven years on active duty It has been my observation that a majority of the general public and in fact a lot of military service members do not understand what a military chaplain does other than the insights provided by the TV series M A S H and the character of Father chaplain Mulcahy My hope in publishing this book is that people will gain a deeper insight into and appreciation for the work of military chaplains my brothers and sisters in ministry

Homeward Bound Amy Zietlow, Naomi Cahn, 2017-03-08 Homeward Bound shows that as family structure becomes more complex so too does elder care and existing institutions and legal approaches are not prepared to handle those complexities As 79 million American Baby Boomers approach old age their diverse family structures mean the burden of care will fall on a different cast of family members than in the past Our current approaches are based on an outdated caregiving model that presumes life long connection between the parents and offspring with the existence of high internal norm cohesion among family members providing a valuable safety net for caregiving Single parent and remarried parent led families are far more complicated fragile and point to the need for increased formal support from the religious medical legal and public policy communities We base our analysis on in depth qualitative interviews with surviving grown children and stepchildren whose mother father stepparent or ex stepparent died Their stories illustrate the profound ways that the caregiving mourning and inheritance process has changed in ways not adequately reflected in formal legal medical and religious tools The solutions center on awareness and preparation providing more support for individual planning for incapacity and death and even more importantly creating legal political and social planning for the graying of America at a time of increasingly complex familial ties
