promises of power their voices seductive and dangerous tempting the townsfolk with glimpses of their deepest desires Guided by her grandmother s cryptic journal Lorelei uncovers a legacy of seamstresses the Weavers guardians of a delicate balance between realms She learns of thirteen unique stitches each a key to unlocking the Singer s full potential a language of magic older than Havenwood itself As the Founder s Day festival approaches the veil between worlds thins and the Whisperers influence intensifies twisting reality and unraveling the fabric of the town Lorelei must master the thirteen stitches a code to sealing the rift but the final stitch demands a sacrifice she isn t sure she can make a piece of her own fractured past a memory she has long tried to suppress With the fate of Havenwood hanging in the balance Lorelei must choose embrace the chaotic power of the Whisperers or sever the connection between realms losing the magic that has mended her town and herself As the moon casts long shadows across the town square Lorelei takes her place at the whispering loom her fingers poised to stitch not just fabric but the very fate of two worlds *Water Rites* J.R. Pearse Nelson, 2015-01-16 Vardon knows why Lorelei dreams of the sea But how do you tell the girl you like she s not human Between school swim team gossip friends and cleaning cages at her dad s veterinary clinic Lorelei doesn t have time to worry too much about the odd dreams that haunt her sleep most nights She considers herself about as normal as a girl can be in her circumstances Her mom left when she was six but Dad did his best to make up for it with small town stability Her biggest worries are AP Calculus tests and whether her team will make the state swimming championships Oh and the boy who offered study help with a certain expression in his eyes that said it wasn t about studying at all Life is good Until she finds out what she is That revelation is thanks to the boy with the hungry eyes The only one she can trust now And then there s the stranger the shadow who seems to be everywhere Lorelei is Even in her mind and dreams Her identity turned upside down Lorelei must find the will and the way to understand herself and her world once again But the surprises show no sign of slowing yet *The Complete Water Rites Trilogy Is Available Now* A modern day fantasy trilogy where there s more to sea storms and the ocean s depths than we mere human mortals understand Where the legends live on some of them hiding in plain sight in your town and mine *The Heartstone* Helene Opocensky, 2021-07-13 Corbin a powerful shapeshifting young mage is just beginning to learn to flex and harness his magical powers When he hears that a young witch who doesn t know that her strangeness is due to magic has run away for fear of being institutionalized for a second time he knows that he has to help his friends find her so that she can learn to celebrate what makes her different rather than fear it What he doesn t know is that finding her will snowball him into a position where he again feels obligated to his scheming former mentor Max Grobian Nor does he know that Max will once more try to manipulate him into betraying her daughter Lorelei a girl Corbin feels heart bound to yet fears to fully love Book Review Praise for *The Trueheart* What I loved most about this book was the all of the worldbuilding Every element was developed with a great attention to detail The history the way the magic works the reasons behind everything that happens past and present nothing was left out The writing truly puts you inside the story

so you are surrounded by it in the best way possible The characters were also deeply developed so I felt connected to all of them They all had a purpose in the story none of them felt like they were there just to take up space which I really liked Overall I really enjoyed this book and I don't have any complaints If you're looking for a fantasy book with lots of attention given to the world building this book might be for you YA Book Reviews <http://reviewsofyabooks.blogspot.com>
