

Lorenzo De Medici The Renaissance

Alfred von Reumont

Lorenzo De Medici The Renaissance:

Lorenzo De' Medici Bernard Toscani,1993 On the occasion of the quincentenary of the death of Lorenzo de Medici an interdisciplinary international conference was held at Brooklyn College and the Graduate Center of the City University of New York in the spring of 1992 The previously unpublished papers eleven in English and six in Italian contained in this volume are the work of leading specialists in the fields of literature history philosophy art and music On the basis of the recent critical editions of Lorenzo s poetical works and letters and of new documents the scholars examine and re evaluate Lorenzo s significant role as a poet statesman choreographer patron of the arts and member of a lay confraternity

Lorenzo de' Medici and the Art of Magnificence F. W. Kent,2007-02-01 In the past half century scholars have downplayed the significance of Lorenzo de Medici 1449 1492 called the Magnificent as a patron of the arts Less wealthy than his grandfather Cosimo the argument goes Lorenzo was far more interested in collecting ancient objects of art than in commissioning contemporary art or architecture His earlier reputation as a patron was said to be largely a construct of humanist exaggeration and partisan deference Although some recent studies have taken issue with this view no synthesis of Lorenzo as art patron and art lover has yet emerged In *Lorenzo de Medici and the Art of Magnificence* historian F W Kent offers a new look at Lorenzo s relationship to the arts aesthetics collecting and building especially in the context of his role as the political boss maestro della bottega of republican Florence and a leading player in Renaissance Italian diplomacy As a result of this approach which pays careful attention to the events of his short but dramatic life a radically new chronology of Lorenzo s activities as an art patron emerges revealing them to have been more extensive and creative than previously thought Kent s Lorenzo was broadly interested in the arts and supported efforts to beautify Florence and the many Medici lands and palaces His expertise was well regarded by guildsmen and artists who often turned to him for advice as well as for patronage Lorenzo himself was educated in the arts by such men and Kent explores his aesthetic education and taste taking into account what is known of Lorenzo s patronage of music and manuscripts and of his own creative work as a major Quattrocento poet Richly illustrated with photographs of Medici landmarks by Ralph Lieberman *Lorenzo de Medici and the Art of Magnificence* offers a masterful portrait of Lorenzo as a man whose achievements might have rivaled his grandfather s had he not died so young Magnifico Miles Unger,2008 Miles Unger s biography of this complex figure draws on primary research in Italian sources and on his intimate knowledge of Florence where he lived for several years BOOK JACKET

Lorenzo De' Medici and Renaissance Italy Miriam Greenblatt,2003 Provides an overview of the lives of Lorenzo de Medici and his subjects in late fourteenth century Florence a Renaissance era city state and includes excerpts from poems laws and sermons of the time

Lorenzo De' Medici at Home Richard Stapleford,2013 An inventory of the private possessions of Lorenzo il Magnifico de Medici head of the ruling Medici family during the apogee of the Florentine
