

Los Angeles Burning

Paula Yoo

Los Angeles Burning:

The 1992 Los Angeles Riots Louise I. Gerdes, 2014-04-14 The American public was holding its collective breath as four officers of the Los Angeles Police Department were acquitted of excessive force in the arrest and beating of Rodney King Upon the exhale came relief for some but for many more came a crushing grief and anger This essential volume gives readers a strong background on the events leading up to the 1992 Los Angeles Riots Essays also present the controversies related to the event including whether the police department protected its citizens during the riots The last chapter shares first person narratives and accounts of those impacted by the riots giving your readers a chance to go beyond simple facts and experience the event for themselves *Poetry Los Angeles* Laurence Goldstein, 2014-03-12 A look at the poetry of one of America's most populous and fascinating cities with poems spanning from 1942 to 2012 **Los Angeles Magazine**, 2004-03 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian **Fodor's Los Angeles' 25 Best** Fodor's, 2012 Top 25 Must See Sights Best bets for dining lodging sightseeing Plus a full color pullout map Everything you need to experience Los Angeles Top lodging and dining picks for every budget Itineraries including Hollywood Boulevard and Santa Monica Walks around Beverly Hills and downtown A night of laughs at the Improv Getaways to Palm Springs and Santa Barbara Essential museums and galleries parks and gardens Outdoor serenades at the Hollywood Bowl Insider tips Expert Advice The author Emma Stanford an inveterate traveler has written books and articles on the Caribbean France Spain Hawaii and Florida as well as Los Angeles [Policing Los Angeles](#) Max Felker-Kantor, 2018-09-25 When the Los Angeles neighborhood of Watts erupted in violent protest in August 1965 the uprising drew strength from decades of pent up frustration with employment discrimination residential segregation and poverty But the more immediate grievance was anger at the racist and abusive practices of the Los Angeles Police Department Yet in the decades after Watts the LAPD resisted all but the most limited demands for reform made by activists and residents of color instead intensifying its power In *Policing Los Angeles* Max Felker-Kantor narrates the dynamic history of policing anti police abuse movements race and politics in Los Angeles from the 1965 Watts uprising to the 1992 Los Angeles rebellion Using the explosions of two large scale uprisings in Los Angeles as bookends Felker-Kantor highlights the racism at the heart of the city's expansive police power through a range of previously unused and rare archival sources His book is a gripping and timely account of the transformation in police power the convergence of interests in support of law and order policies and African American and Mexican American resistance to police violence after the Watts uprising [Rising from the Ashes](#) Paula Yoo, 2024-05-07

Winner of the YALSA Excellence in Nonfiction Award A Horn Book Fanfare Best Book of the Year A Kirkus Reviews Best Book of the Year A Publishers Weekly Best Book of the Year A School Library Journal Best Book of the Year A Chicago Public Library Best of the Best Books of the Year Award winning author Paula Yoo delivers a comprehensive kaleidoscopic account of what happened before during and after the 1992 Los Angeles uprising Horn Book Magazine starred review In the spring of 1992 after a jury returned not guilty verdicts in the trial of four police officers charged in the brutal beating of a Black man Rodney King Los Angeles was torn apart Thousands of fires were set causing more than a billion dollars in damage In neighborhoods abandoned by the police protestors and storeowners exchanged gunfire More than 12 000 people were arrested and 2 400 injured Sixty three died In Rising from the Ashes award winning author Paula Yoo draws on the experience of the city s Korean American community to narrate and illuminate this uprising from the racism that created economically disadvantaged neighborhoods torn by drugs and gang related violence to the tensions between the city s minority communities At its heart are the stories of three lives and three families those of Rodney King of Latasha Harlins a Black teenager shot and killed by a Korean American storeowner and Edward Jae Song Lee a Korean American man killed in the unrest Woven throughout and set against a minute by minute account of the uprising are the voices of dozens others police officers firefighters journalists business owners and activists whose recollections give texture and perspective to the events of those five days in 1992 and their impact over the years that followed **America on Fire** Elizabeth

Hinton, 2021-05-18 Not since Angela Davis s 2003 book Are Prisons Obsolete has a scholar so persuasively challenged our conventional understanding of the criminal legal system Ronald S Sullivan Jr Washington Post From one of our top historians a groundbreaking story of policing and riots that shatters our understanding of the post civil rights era What began in spring 2020 as local protests in response to the killing of George Floyd by Minneapolis police quickly exploded into a massive nationwide movement Millions of mostly young people defiantly flooded into the nation s streets demanding an end to police brutality and to the broader systemic repression of Black people and other people of color To many observers the protests appeared to be without precedent in their scale and persistence Yet as the acclaimed historian Elizabeth Hinton demonstrates in America on Fire the events of 2020 had clear precursors and any attempt to understand our current crisis requires a reckoning with the recent past Even in the aftermath of Donald Trump many Americans consider the decades since the civil rights movement in the mid 1960s as a story of progress toward greater inclusiveness and equality Hinton s sweeping narrative uncovers an altogether different history taking us on a troubling journey from Detroit in 1967 and Miami in 1980 to Los Angeles in 1992 and beyond to chart the persistence of structural racism and one of its primary consequences the so called urban riot Hinton offers a critical corrective the word riot was nothing less than a racist trope applied to events that can only be properly understood as rebellions explosions of collective resistance to an unequal and violent order As she suggests if rebellion and the conditions that precipitated it never disappeared the optimistic story of a post Jim Crow United

States no longer holds Black rebellion America on Fire powerfully illustrates was born in response to poverty and exclusion but most immediately in reaction to police violence In 1968 President Lyndon Johnson launched the War on Crime sending militarized police forces into impoverished Black neighborhoods Facing increasing surveillance and brutality residents threw rocks and Molotov cocktails at officers plundered local businesses and vandalized exploitative institutions Hinton draws on exclusive sources to uncover a previously hidden geography of violence in smaller American cities from York Pennsylvania to Cairo Illinois to Stockton California The central lesson from these eruptions that police violence invariably leads to community violence continues to escape policymakers who respond by further criminalizing entire groups instead of addressing underlying socioeconomic causes The results are the hugely expanded policing and prison regimes that shape the lives of so many Americans today Presenting a new framework for understanding our nation s enduring strife America on Fire is also a warning rebellions will surely continue unless police are no longer called on to manage the consequences of dismal conditions beyond their control and until an oppressive system is finally remade on the principles of justice and equality

Koreatown, Los Angeles Shelley Sang-Hee Lee, 2022-06-14 The story of how one ethnic neighborhood came to signify a shared Korean American identity At the turn of the twenty first century Los Angeles County s Korean population stood at about 186 000 the largest concentration of Koreans outside of Asia Most of this growth took place following the passage of the Hart Celler Act of 1965 which dramatically altered US immigration policy and ushered in a new era of mass immigration particularly from Asia and Latin America By the 1970s Korean immigrants were seeking to turn the area around Olympic Boulevard near downtown Los Angeles into a full fledged Koreatown and over the following decades they continued to build a community in LA As Korean immigrants seized the opportunity to purchase inexpensive commercial and residential property and transformed the area to serve their community s needs other minority communities in nearby South LA notably Black and Latino working class communities faced increasing segregation urban poverty and displacement Beginning with the early development of LA s Koreatown and culminating with the 1992 Los Angeles riots and their aftermath Shelley Sang Hee Lee demonstrates how Korean Americans lives were shaped by patterns of racial segregation and urban poverty and legacies of anti Asian racism and orientalism Koreatown Los Angeles tells the story of an American ethnic community often equated with socioeconomic achievement and assimilation but whose experiences as racial minorities and immigrant outsiders illuminate key economic and cultural developments in the United States since 1965 Lee argues that building Koreatown was an urgent objective for Korean immigrants and US born Koreans eager to carve out a spatial niche within Los Angeles to serve as an economic and social anchor for their growing community More than a dot on a map Koreatown holds profound emotional significance for Korean immigrants across the nation as a symbol of their shared bonds and place in American society

Holy Jumpers William Kostlevy, 2010-05-19 In this book William Kostlevy uncovers the forgotten roots of American Pentecostalism by telling the story of an important radical communal society the Metropolitan Church

Association Known as Burning Bushers its members objected to capitalism confronted elite denominations and offered an alternative radical vision of Christianity *Reflecting on America* Clare L. Boulanger, 2017-07-05 Anthropologists travel back in time and across the globe to understand human culture but surprise there is culture right here in the United States This second edition of the best selling textbook and anthology *Reflecting on America* again focuses on how we can recognize the common cultural thread running through diverse American phenomena from heroin addiction and Big Business s efforts to shape the identities of children to Civil War reenactments and the popularity of burlesque in the Midwest In addition this second edition includes chapters written especially for this volume on striptease Burning Man The Big Bang Theory TV show and Groundhog Phil Written throughout with verve and quirky humor and offering Questions for discussion after every article this book is perfect for undergraduate classes in anthropology and American studies Drawing together twenty two scholars with expertise in anthropological ideas about culture *Reflecting on America* examines what it means to be American
