

“The Lost Children Being Found”

An Inspirational Message for those who support
[the Family Bible Preservation Project](#)

An interesting account, below, found on FamilySearch Memories an account of a “Lost Infant”
we find accounts and stories like this again and again on the [Family Bible Preservation Project](#).

May each one of you know the importance of the work you do - - and
the significance in the eternal perspective
as we ensure one of God’s little children is remembered now and in the eternities . .

[Name withheld]

I found a baby this week. He’d been lost for 161 years. And it’s only because of the Forman Family Bible that I’m confident he belongs in our family.

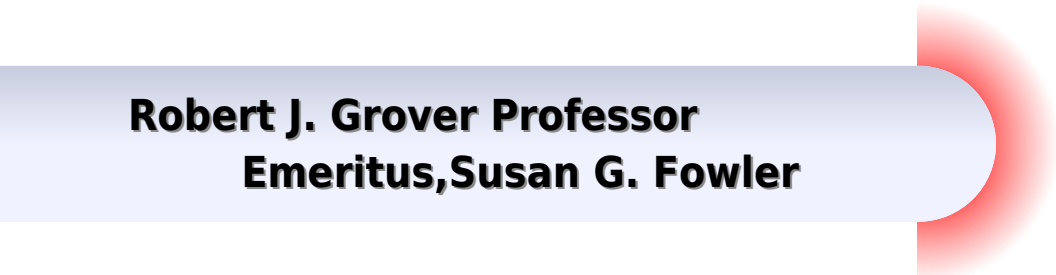

You’ll recall that we learned from the family names listed in the bible that the “L” in Samuel L. Forman’s name stood for “Longstreet.” So I wasn’t immediately surprised to happen upon a death record for Samuel Longstreet Foreman. Until I read that he died at age 14 months in 1857. Ancestry.com only had the indexed details, but FamilySearch.org had an image of the actual document (shown above.) No parents are listed for this baby. The original SLF is named after his mother’s father (Samuel Longstreet.)

So who would be likely to name a child Samuel Longstreet Forman in 1856?
Wouldn’t it be logical that the son of Samuel Longstreet Forman would give that name to his son, possibly his first-born son?

Samuel L. Forman had 2 sons: William Lake and Isaac E. In 1856, Isaac was only 15 years old, but William Lake had been married to Amanda Orilla McAllister since 1853. That date is fairly new since I only found their marriage date in a newspaper record in the past year or two.

Lost And Found The Search For My Family:

Lost and Found Stephen A. Richardson, 2001 **Lost and Found** Troy Dunn, 2003 If you are among the millions of people who are looking for someone from your past you are about to embark on an exciting journey Perhaps your search is one of the big five most common search categories adoptee birth parent lost love old friend or military buddy Or you may be searching for a past co worker former neighbor childhood friend This book contains the strategies and information you will need to complete your search as quickly and simply as possible Lost and Found Babette Hughes, 2015-10-13 *Lost and Found* is a story of the struggle to survive and transcend murder secrets and abandonment It is the story of a family captured by its own bloody history and ultimately a triumphant tale of Babette's step by step passage from an ill starred and dark destiny to selfhood freedom and a transported life **Missing Persons** Gayle Greene, 2017-10-18 *Missing Persons* is a memoir about dealing with death in a culture that gives no help As the last of her family Greene's losses are stark first her aunt then her mother in quick succession She is as ill equipped for the challenges of caring for a dying person at home as she is for the other losses long repressed that rise to confront her at this time the suicide of her younger brother the death of her father As the professional identity on which she's based her selfhood comes to feel brittle and trivial she is catapulted into questions of who am I and what have I done with my life The memoir is structured as an account of her mother's and aunt's final days and the year that follows a year in which she reconstructs her life This is a powerful story about family what it means to have one to lose one never to have made one and what if anything might take its place It's the story of a vexed mother daughter relationship that mellows with age It is also a search for home as the very landscape shifts around her and the vast orchards are dug up and paved over for tract housing strip malls freeways and the Santa Clara Valley once known as the Valley of Heart's Delight is transformed to Silicon *Lost and Found* Betty W. Taylor, 2007-12-26 There is no available information at this time Lost & Found Betty Jean Lifton, 2009 Explores the obstacles and issues that adoptees orphans and foster children face when they have been separated from a parent or denied the right to know their origins *Amanda Brook Celar's of a Not so Civil War* Amanda Brook Celars, 2016-04-25 Based on a true story the book tells of an English woman's travels and experiences in the former Yugoslavia during the vicious fighting that saw its breakup After the failure of her first marriage in 1987 she moves to Amsterdam and there she meets and falls in love with Ilija Celar They travel to pre war Osijek and there Amanda experiences Serbian culture relates humorous anecdotes explores Kopacki Rit and other parts of Croatia Following the election of Franjo Tudjman in 1990 Amanda and Ilija are made aware of the increasing tensions and are horrified by Croatian friends talking about racial purity Following a sinister visit from paramilitaries to their home they appeal to Josip Reihl Kir the Osijek Police Chief who tries to reassure them Tragically he is later ambushed and murdered by Croatian extremists After witnessing the burning of Serbian and dissident Croatians books maps and paintings on the local piazza Ilija receives a warning from a friendly policeman that he is on a death list He and Amanda flee in the middle of the

night to Baranja where Ilija becomes very involved in the defence of the villages and is one of the original 19 fighters Fighting erupts in Beli Manastir on the night of the 19th August 1991 Meanwhile in London Amanda joins the Serbian Lobby with Prince Tomislav Michael Lees and other prominent figures She hurriedly returns to Baranja in October 1991 after receiving the news that Ilija is wounded The story tries to convey the terror so many Serbians felt when they heard Tudjman's Ustasha rhetoric and symbols he reintroduced from the Ustasha fascist regime of WW2 Then comes the nightly terror of the shelling attacks from Osijek the arrival of refugees and the harsh conditions the people of Baranja must endure during these months *Tragedy to Triumph: a Memoir* April Faith Larrinaga, 2011-08-10 The story of *Tragedy to Triumph* is especially dedicated to my brothers and sisters who suffered years of torment at the hands of a maniacal self proclaimed preacher who ultimately hurt his family beyond imagination Our father evaded the law for several years abandoning his eldest daughter in another state to live a life alone while holding the rest of the family captive Four adults at the end of the journey were directly responsible for the atrocities that befell the children Inside the home the children cried innocence was lost and hearts were broken This story also provides an insight into survival of the human spirit and rising above all indifference sharing the power of faith and miracles that happened in the midst of chaos One person can change the future for their family and ultimately stop the cycle of abuse This book was solely written in the hopes of saving lives **She Called Her Joy** Tamela Georgi, 2021-04-21 Who are you The mystery relative couldn't tell her She was adopted Tami had just discovered that she was a DNA match to a complete stranger They were related But how Tami's mother the family historian couldn't help either She had dementia It would lead Tami on an unbelievable journey of orphanages closed adoptions and family secrets She would learn that there are people who have never seen a blood relative who have no idea who they look like in this world And she would learn that a single choice you make can change the lives of generations to follow Family Lost and Found Drew Bridges, 2006 What does a person have to do to find out certain family secrets Would life then make a little more sense Maybe there are no big bad secrets How do you know unless you look John Randt grew up in suburban Ohio the only child of loving and capable parents They gave him a childhood that was orderly Only when he went away to college did he discover that not every family in America would write the date of purchase on fresh raw eggs so each could be used in the order it was bought In the Randt household nothing was ever spoiled lost or out of place It was perhaps inevitable that he would become interested in people with messy lives At length this would take him on a trip of discovery that included a southern community in the process of losing its own particular character and the last remnants of its innocence He found himself involved with a one hundred year old family mystery met a race car driving female cousin and a cast of other unforgettable characters He ultimately found more than he sought How to Live According to Grandpa John Reseck Jr, 2023-10-31 We are presented with several million options during our life that we have to make a choice between The choices we make create the way we see the world and establish how we live in it This environment which we have created for

ourselves is called our world Everyone has a world that is unique and personal to them Of course our worlds are based on assumptions that for one reason or another we choose to believe and call facts We are sure that what we believe takes precedence over everyone else s beliefs and that can make our world a bit of a challenge to live in at times I have decided to share my world with the rest of the world Not to convince anyone that my world is better than theirs but to share some of the things that I found helpful for the world at large In my eighty eight years as a well educated wonderer many of my assumed facts have been proven wrong I see that as progress a good thing The challenge is to be able to accept that one of your lifelong facts just isn t true I have only a few things that I learned that have stayed true so far and have been stabilizers in my world I think they can be of use to almost everyone and need sharing I am not writing this book to encourage you to think like me but rather to just think There are things changing all around you So many new things to learn So many new places to visit So many edges out there you haven t walked on yet No matter how intelligent you are your areas of vast ignorance are greater than your areas of knowledge There is so much to learn that when you throw your arms up and say I know nothing it will be true but it is okay Every other human on earth is in the same situation they just don t know it We have robots with Artificial Intelligence AI far beyond any human right now that are working for us What will happen when they decide we are too dumb and of no use to them I believe this could be a far greater threat to human survival than global warming What do you think and why

Helping Those Experiencing Loss Robert J. Grover Professor Emeritus,Susan G. Fowler,2011-07-13 This book provides a guide for grieving youth and adults as well as extensive descriptive lists of recommended professional literature resources Grief caused by loss is both a very common human experience and a highly individualized one For example children experience a number of losses that are unique to their young age such as sibling and parent death adoption or divorce and should be given special consideration by professionals and parents helping them in these situations For gay lesbian or cohabiting heterosexual couples that suffer the loss of a partner societal standards often deny the survivors in these relationships the right to grieve Helping Those Experiencing

Loss A Guide to Grieving Resources is a book like no other supplying compassionate information for navigating the emotional distress that every man and woman will experience in their lifetime as well as a comprehensive guide to the literature of bereavement and grieving It explains the grieving process interpreting the results of research on the topic in plain language and addressing specific groups children young adults parents who have lost a child adults who have lost spouses and the aging population

Just Looking Back Michael Pilbro,2015-07-21 In the year 1943 I might have seen some progress in the fight against Nazi Germany but bombs were still falling on the city in which I lived Amidst this chaos I entered the world on April 29 1943 and began a life which offered much variety and a fair degree of excitement The work in a government agency the years volunteering as a special police officer the several failed marriages and the finding of my birth family following my early adoption kept me extremely occupied for most of my life I soon began to learn what life was all about There were never any easy answers and I resented the suggestion that I was just lucky All I needed in my early years was admittedly some sweets and comics and sufficient entertainment to keep me happy Later life became harder and often decidedly unhappier This is perhaps where I should begin My life was amusing and sad in equal proportions but above all it represents a genuine account of a very average life lived by many in a very ordinary environment that seemed to answer more questions than were ever posed

Nalley, A Southern Family Story Evelyn McCollum, 2002-12-26

Nalley, A Southern Family Story is filled with stories that make the Nalley family come alive. This book is not a genealogical record although genealogy is included. The opening chapter portrays the illustrious life of the enigmatic patriarch George Burdine Nalley. An active minister in the Wesleyan church for eleven years, he fell from grace because of his involvement with another woman and he had the audacity to bring the other woman to live in the house with his wife Emma Burns and their children. The next twelve chapters depict the lives of the twelve children, nine boys and three girls. Since all of them are deceased, their stories were written by their children as they remember their parents and their own childhoods. These stories give a picture of life in a less sophisticated time in the rural south when people lived off the land and had none of the modern conveniences that we enjoy today. *Nalley, A Southern Family Story* chronicles 170 years in the life of a family. In one chapter, the dates of births, marriages, and deaths of this line of the family are interwoven into national and world events. Another chapter gives statistical information on the numerous family members, including a chronological list of the births, marriages, and deaths of the twelve children and ninety-four grandchildren. Newspaper clippings are included of the obituaries of the twelve children and their spouses, as well as accounts of the tragic deaths which have occurred. Information on places and events pertinent to the family is recorded. The family reunion which began the year after George Burdine's untimely death in 1914 and continues to this day. Camp meeting where families lived for two weeks under conditions even more primitive than at home while they worshipped their God, got caught up on family news, and renewed acquaintance with old friends. Fairview Methodist Church where many baptisms, weddings, and funerals of the Nalley clan took place and where many of them are buried. Central Wesleyan College which the Rev. G. B. Nalley was instrumental in founding. This is a book that you can sit down and read, but it is more than that. It is a reference book that you can refer to over and over again when you are discussing family, trying to remember who was older, who married first, when someone died, and the endless number of other facts and fallacies that we Nalleys talk and argue about when we get together. In addition, this book is a social history of the way life was lived in those days, as Daddy used to say. When I think of how much change has occurred in the last one hundred years, I am grateful that we have this written record of how our forefathers and foremothers actually lived. Here it is as complete as I can make it, the history of the George Burdine and Emma Burns Nalley family. I hope you enjoy reading it and referring to it as much as I have enjoyed putting it together. If you have a drop of Nalley blood flowing through your veins, you will want to own a copy of this book for your library.
