Duchaney, 2015-05-26 The horror genre is continually being reinvented as societal fears evolve As technology has developed and become ubiquitous in modern life horror films have effectively played upon our increasing reliance on technology as a source of anxiety Focusing on advancements from the advent of electricity to the Internet this book explores how technology ostensibly humanity's means of conquering fear and the unknown has become a compelling and abundant source of dread in horror films

**Best. Movie. Year. Ever.** Brian Raftery, 2020-03-31 From a veteran culture writer and modern movie expert a celebration and analysis of the movies of 1999 a terrifically fun snapshot of American film culture on the brink of the Millennium An absolute must for any movie lover or pop culture nut Gillian Flynn In 1999 Hollywood as we know it exploded *Fight Club* *The Matrix* *Office Space* *Election* *The Blair Witch Project* *The Sixth Sense* *Being John Malkovich* *Star Wars: The Phantom Menace* *American Beauty* *The Virgin Suicides* *Boys Don't Cry* *The Best Man* *Three Kings* *Magnolia* Those are just some of the landmark titles released in a dizzying movie year one in which a group of daring filmmakers and performers pushed cinema to new limits and took audiences along for the ride Freed from the restraints of budget technology or even taste they produced a slew of classics that took on every topic imaginable from sex to violence to the end of the world The result was a highly unruly deeply influential set of films that would not only change filmmaking but also give us our first glimpse of the coming twenty first century It was a watershed moment that also produced *The Sopranos* Apple's *iPod* Wi-Fi and Netflix's unlimited DVD rentals A spirited celebration of the year's movies

**The Lost Woods** H. William Rice, 2014-04-21 A collection that follows the lives of two families who own land and hunt in rural South Carolina *The Lost Woods* is a collection of fifteen short stories most of them set in and around the fictional small town of Sledge South Carolina The events narrated in the stories begin in the 1930s and continue to the present day The stories aren't accounts of hunting methods or legends of trophy kills they are serious stories about hunting that are similar in style to William Faulkner's *Go Down Moses* The collection traces the evolution of two families the Whites and the Chapmans as well as the changes in hunting and land use of the past eighty years Some of these stories are narrated in third person others are told by a wide range of characters from grown men and women to children but only from one perspective that of the hunter As they walk the woods in search of turkeys deer or raccoons these characters seek something more than food They seek a lost connection to some part of themselves The title

the lost woods is adapted from Cherokee myths and stories wherein people must return again and again to the woods to find animals that were lost. Thereby we find not only food but who we are. Through these stories Rice reminds us that hunting is inextricably entwined with identity. As one of the oldest rituals that we as a species know, it reflects both our nobility and our depravity. Through it we return again and again to find the lost woods inside ourselves. The Gothic and Twenty-First-Century American Popular Culture, 2024-05-13. The Gothic and Twenty-First-Century American Popular Culture examines the gothic mode deployed in a variety of texts that touch upon inherently US American themes, demonstrating its versatility and ubiquity across genres and popular media. The volume is divided into four main thematic sections spanning representations related to ethnic minorities, bodily monstrosity, environmental anxieties, and haunted technology. The chapters explore both overtly gothic texts and pop culture artifacts that, despite not being widely considered strictly so, rely on gothic strategies and narrative devices. Torn. Jud Wilhite, 2011-08-16. When Every Why Goes Unanswered. When our world comes crashing down, it does more than steal our peace. Something inside us tears. We feel broken, stranded, torn. We naturally ask the question: Why when we're hurting? But as pastor Jud Wilhite turned to the Bible in his own pain, he was surprised to discover that another question matters more: Who is worthy of our trust when our lives are in pieces? You may be experiencing a time of such darkness that you wonder if you will ever find normal again or look toward the future with hope. In Torn, Jud explores your questions as well as God's answers and God's mysteries. With a pastor's heart, he looks with you at practical ways to fight for joy, deal with anger and depression, and make the million tiny decisions that add up to a life committed to God, even when your heart is broken. It's not about having better arguments for the purpose behind our suffering; it's about our relationship with God, a relationship that can flourish even when our whys go unanswered. Horror and the Horror Film. Bruce F. Kawin, 2012. Horror films can be profound fables of human nature and important works of art, yet many people dismiss them out of hand. Horror and the Horror Film conveys a mature appreciation for horror films along with a comprehensive view of their narrative strategies, their relations to reality and fantasy, and their cinematic power. The volume covers the horror film and its subgenres, such as the vampire movie, from 1896 to the present. It covers the entire genre by considering every kind of monster in it, including the human. **Secrets & Scandals of a Single Mom**. Joy Rocco, 2012-04-05. Contrast Mallory Eton's fairytale existence, envied by many, with Jane Somersby's life: pathetic and to be avoided. Mallory, a teen-aged movie star born into a wealthy family, and Jane, a plain drugstore clerk born into a single-parent, impoverished home. After seeing a movie in the local movie theater, Jane became fascinated by the similarity in looks of she and Mallory. Determined to meet her doppelgänger, Jane's clandestine investigation exposed secrets harbored by both families and unlocked a chasm of secrets thought hidden forever. Horrifying details sent two families plunging into an abyss of murder, deception, and wickedness. Life became an explosion sliced deeply by the shrapnel of truth. **The Moving Picture World**, 1913. **Horror Films of 2000-2009**. John Kenneth Muir, 2023-03-22. Horror films have always reflected
