

LOST TREASURES OF THE OLD WEST

A collection of Old West artifacts is scattered on a dirt ground covered with dry, brown leaves. The items include a dark revolver, a knife with a wooden handle, a silver coin, and a large, brown, textured object that appears to be a bear paw print or a piece of animal skin. The background is a mix of brown soil and scattered leaves.

Lost Mines and Buried Treasures of the West Thomas Probert,1977 This large easy to use volume lists the works of more than eleven hundred different authors covering thousands of stories of lost mines and buried treasures supposedly located in fifteen Western and Southwestern states and in Mexico In addition to being a boon to those adventurers who are tempted to search for lost mines and buried treasures it will be an important basic research tool for historians geologists geographers anthropologists archaeologists and folklorists and it will be useful in identifying the man treasure hoards and mining claims all the way from the Lost Adams Diggings in Arizona to the Stagecoach in Wyoming The information given in this important bibliography was acquired through perusal of an unusually large number of books newspapers magazines unpublished manuscripts deposits in private and public libraries holdings of various historical foundations and governmental records and archives The task took Mr Probert three full years of steady patient work Many of these stories of lost mines and buried treasures have resulted in the discovery of some that are rarely acknowledged largely because as Mr Probert points out those who have been so fortunate as to find the pot of gold at the end of the rainbow have deemed it wiser and much safer to keep their own counsel Book jacket

Author Peter Netzel explains I have been researching old treasure legends for twenty years and have been successful in pinning down the locations of most of the lost treasures in this region on topographic maps I include these detailed maps with the stories in this series In addition to pinpointing actual locations I have even found a few lost treasures never before presented in books Portions of the Gold West Country region of Montana are where the Henry Plummer Gang is alleged to have operated There were other outlaws active in Gold West Country in the 1800 s and early 1900 s also The most common and repeated crimes involved cattle rustling horse stealing and robbing stagecoaches banks and trains During the short reign of terror by Plummer and his road agents it is believed that they hid much of their loot Some sources believe it more likely that they spent it as fast as they could on whiskey wild women and gambling Several of the treasures that are claimed to have been hidden by Plummer and other outlaws are said to lay in this region Not all lost treasures covered in this book were the result of outlaws hiding loot Some of the hidden caches concern lost mines and rich gold and silver ledges which were never found a second time The purpose of this book is to look at all of these lost treasures and see if they could be real or not Some may be doubtful and some accounts seem to hold water It is up to you the reader to come to your own conclusions No matter what you decide you will find the history of the Montana s Gold West Country interesting and entertaining You do not have to be a treasure hunter to enjoy this book series In the Lost Treasures of Montana series you will even find a few lost treasures never before presented in books
