Lost Trumpet:

The Works of William Shakespeare William Shakespeare, 1895 The Works of William Shakespeare: King Lear.
Othello. Antony and Cleopatra. Cymbeline William Shakespeare, 1892 The Works of William Shakespeare: Preface to the
first edition. King Lear. Othello. Antony and Cleopatra. Cymbeline. Addenda William Shakespeare, 1892 The Works of
William Shakespeare: King Lear William Shakespeare, 1904 **Works ...** William Shakespeare, 1892 The Mysterious
Numerical Bible Code and Other Revelations Lawrence D. Shawbrooks, 2016-06-01 The Hebrew Christian religion remains
the most potent verifiably truthful religion on the planet It suffers horrendously from murderous oppression in the Middle
East its homeland and was crushed flat by the largest political State the world has ever known Soviet Russia and it endures
heavy disheartenment by flawed innuendo and secularisation throughout Europe Despite these massive attacks from
mistaken religion hard line atheists and dont know cant be bothered groups yet it remains And more than this It remains
philosophically socially prophetically and scientifically the largest most credible and consistent belief system on the planet Its
not by accident that non violent Christianity believing in the non violent Ten Commandments and the beautiful spirit of them
in the Beatitudes can survive such intense mentalphysical violent persecution and still remain so vibrant True Christians
know The only reason it is so is because the holy Messiah God of Israel is the only true God He rules over all the kingdoms of
men but its only the kingdom of Christianity which knows this He loves all humans but not their thoughtsactions However
only Christians recognise this and sincerely give thanks that He is their God their prophet priest and king He prophesied that
enormous ungodliness would come against His church and followers but these gates of hell would not overcome it and so it is
now as we head towards Armageddon and the end of the human age This book explains His prophecies and associated key
milestone calculations This is one of many ways witnessing that He is the genuine unique article just as the Hebrew Christian
Bible says The purpose of our existence is to have a loving relationship with Him When humans choose to reject Him it
causes us to create corrupt and false gods Without realising it many religious people worship corrupt gods and atheism
worships its false no God god These cannot bring a person into the paradise of fruitful everlasting life their ways effectively
bring people into a fruitless everlasting living death This grieves the Messiah God of Israel because He loves fruitful life To
encourage us and to verify who He is He leaves indicators throughout history evidencing even now in these days of the
deeply sceptical cheating spirit that humans are without excuse come the judgement Lawrence D Shawbrooks is now retired
but continues to work as an Elder in the Church oversight The First Quarto of King Lear William Shakespeare, 1994 This
edition of Shakespeare s King Lear is based on the first 1608 quarto and represents a significantly different version from that
published in the folio of 1623 which forms the basis of the standard New Cambridge Shakespeare edition Each has numerous
unique passages and hundreds of variant readings creating differences that affect the structure characterization and overall
impact of the play This volume contains a substantial introduction the text of the first quarto a collation of variant readings

and an appendix of passages unique to the Folio Golden Age ,1926 Science Fiction and Fantasy Literature, Vol 1 R.
