with Scarlett **Citizenship, Law and Literature** Caroline Koegler,Jesper Reddig,Klaus Stierstorfer,2021-10-25 This
edited volume is the first to focus on how concepts of citizenship diversify and stimulate the long standing field of law and
literature and vice versa Building on existing research in law and literature as well as literature and citizenship studies the
collection approaches the triangular relationship between citizenship law and literature from a variety of disciplinary
conceptual and political perspectives with particular emphasis on the performative aspect inherent in any type of social
expression and cultural artefact The sixteen chapters in this volume present literature as carrying multifarious at times
opposing energies and impulses in relation to citizenship These range from providing discursive arenas for consolidating
challenging and re negotiating citizenship to directly interfering with or inspiring processes of law making and governance
The volume opens up new possibilities for the scholarly understanding of citizenship along two axes Citizenship as Literature
