Prophet, Elizabeth Clare Prophet, 2020-11-19 In Book 1 of their *Lost Teachings of Jesus* series Mark L Prophet and Elizabeth Clare Prophet demonstrate that many of Jesus original teachings were lost In Book 2 they go one step further They show how early churchmen aided and abetted by the Roman emperors Constantine and Justinian distorted Jesus true teachings And robbed you of what he wanted you to know about the power of your own inner Christ In modern vernacular parable and story the Prophets provide the missing links They explain the difference between Jesus and the Christ They show how the Church's doctrines on sin and the only begotten Son of God have obscured what Jesus really taught about salvation And they explore how Eastern concepts like karma reincarnation and chakras can be

Mark L. Prophet, Elizabeth Clare Prophet, 2012-05-04 *Lords of the Seven Rays* tells the stories of seven masters who reached for and accomplished the goal of self transcendence on each of the seven paths or rays of spiritual growth The seven rainbow rays of spiritual light correspond to the seven major energy centers or chakras in the body Each ray has a unique color frequency and quality and each one represents a different path to self mastery In this profound and meaningful work you will enter vignettes of the lives of these seven masters some taken from forgotten ages on legendary continents and civilizations By exploring their unique paths to spiritual mastery you will find invaluable keys for your own life's journey *Eight Keys to Progressive Spiritual Development* Darius M. John, 2013-08 Wherever there is life there is increase and growth In God's kingdom there is a constant interchange of receiving and returning Thus the capacity for receiving is increased As one communicates the heavenly gifts to others he makes room for fresh supplies to flow into his soul from the living fountain Greater light increased knowledge and blessing are multiplied to him Whoever is satisfied in receiving and never giving loses his capacity to receive This is true in temporal as in spiritual things There can be no life without growth A plant must either grow or die As its growth is silent and imperceptible but continuous so is the growth of character The plant grows by receiving that which God has provided to sustain its life Spiritual growth is attained through cooperation with divine agencies As the plant takes root in the soil so we are to take root in Christ As the plant receives the sunshine the dew and the rain so are we to receive the Holy Spirit The object of the husbandman in sowing and planting is the production of grain bread for the hungry and seed for future harvests So the divine husbandman looks for a harvest He is seeking to reproduce himself in the hearts and lives of his followers that through them he may be reproduced in other hearts and lives *Eight Keys* takes you step by step through the process of spiritual growth and development *Collected works. Science of Spirit Robert Donald Tonelli, 2011-01-17 Beyond the Secret Beyond the Power of Now is the Science of Spirit a Deeper look at life Why are we here alive on planet earth trapped in a life of 9 to 5 wage slavery Science of Spirit Lost Keys to the Kingdom of Heaven on Earth shows that all life on planet earth and in the universe is based on an evolution of consciousness from the beginning of time the Big Bang It clarifies the connectedness of all life with Science and to Spirit through the understanding of world old Hermetic Teachings in a balance of Reason and Faith Consciousness is the very fabric that all form is made out of and is the ground of all beingness of life Consciousness and the energy that makes up matter are inextricably combined or linked emerging in a sequence of events called occasions of experience that ultimately create our experiences in life and our reality The universe isn't made of things or particles It's a process It's made up of events The result of this evolution of consciousness is an Analogical Awareness of life living in the now moment of unlimited potentials for the growth of a new super conscious species of humanity moving through an Omega Point in time between 2011 2013 These Hermetic Teachings were clarified for me through the teaching of Ramtha and his Ancient Gnostic School much of what I have learned in 20 years my philosophy of life has its foundation in Ramtha's philosophy Our accelerating consciousness is moving to a quantum existence of Spirit in Mass God Man realized alive with all the lower species of life specifically the Sheeple of Economic Western Society The Science of Spirit is based on my personal experience my research and my understanding of the ancient philosophy that this work comes from It uses from research the philosophy and experience of other very credible people that have studied different aspects of a Science of Spirit as a philosophy to live by I use this eclectic approach to build an accurate model of reality based in consciousness that allows us to create our own reality once we rid ourselves of the illusions of society This approach gives credibility to my overall viewpoint a modern interpretation of a very old philosophy and way of life A Science of Spirit that is inherent in Mother Nature It goes in depth about understanding What Consciousness Is An Analogical State of Awareness that is continuously evolving faster and faster to the eternal Now Moment It uses the discovery of a new perspective of the Mayan Calendar that is supposed to end in a religious Apocalypse at The Omega Point in time around 2012 as its foundational understanding of an Evolution of Consciousness on earth This philosophy and research show an Evolution of Consciousness a rising of an Analogical Awareness of life revealing a Science to the nature of Spirit It explains from a new perspective this battle between the Forces of Good and Evil at The End of Time This Ancient Science of Spirit philosophy explains how the primeval forces of life Spirit that are inherent in Mother Earth growing for 16.4 billion years are pitted against the dogmatic stagnant god fearing personalities that runs the Engines of Commerce of our Global Society with their focus on monetary control of the people and the planet This is a real life battle between evolving evolutionary beings against the Anti Christ Social Consciousness of The Multi National Corporations Religious dogmas talk about an Apocalypse at the end of time to help warn us of our impending

doom the remarkable thing is that the word Apocalypse means the lifting of a veil or a disclosure to certain privileged persons of something hidden from the majority of humankind I will show in this book that the lifting of a veil is a rising of consciousness that knows no fear of the unknown and clarifies ancient predictions of the end days and the real battle of Armageddon This ancient Science *The Path of the Higher Self* Mark L.
