Verse

1. There are some things I may not know; there are
places I can't go. But I sure of this
thing: is I can feel Him deep within. My God is
real in my soul; my God is real for He has washed and made me
whole. His love for me is his good. My God is
real for I can feel Him in my soul. 2. Some folks may doubt.

Additional Lyrics

2. Some folks may doubt, some folks may scorn;
All can desert and leave me alone.
But as for me I'll take God's part,
For God is real and I can feel Him in my heart.
3. I cannot tell just how you felt
When Jesus took your sins away.
But since that day, yes since that hour,
God has been real for I can feel Him in my heart.

My God is Real David Watson, 1970 Does the Christian message have meaning for modern man A believable forceful Yes is the answer given here by David Watson a remarkable young British preacher who has reached thousands with his direct uncomplicated presentation of the gospel Few people are more aware of the world of the young student and certainly no one more sure of the relevance and power of Christ's message for today Readers of this book will respond enthusiastically to David Watson's compelling but low key unadorned argument convinced that the God he talks about is real

Why God's Real Memou Mbayer, 2019-06-25 Like many others in this world I've wondered about our origins. It seems everyone out there has their interpretation as to the source of life. Of the countless philosophies that exist, I've sat down to ask myself genuine questions in hopes of being at peace with the origins of this reality. I've asked myself some genuine questions as to the nature of God. Throughout the book, I analyze the implications of the existence or absence of God. I provide answers to the typical questions which keep many at bay so that they don't believe in God's presence. Questions such as why do we suffer if God is good? Who created God? As well as statements like we don't need God to be good people or have morals. Lastly, the arguments and conclusions provided throughout the book are united to reveal which philosophy I think most accurately represents God. Real Life. Real God. Real Hope!

Shelli Prindle, 2011-03 People are looking for hope and a way out of mundane living. Genuine hope as opposed to wishful thinking is based on a real God who superintends all of life. A Jesus view of reality is critical to grasping the hope we have in God, a hope which enables us to victoriously approach each moment as it comes. Real Life Real God Real Hope transparently deals with the difficult stuff of life and the answer found in Jesus Christ. Shelli Prindle hits reality head on with solid biblical truth. Her candor, emotion, and firm apologetic approach will lift the core of you to the height for which you were designed. I know few people who have such an absolute passion for the Word of God who also have the ability to make its truth real and livable. Jennifer Marsalese, Children's Ministry Director, Cornerstone Ministries. Real Life Real God Real Hope offers the soul a refreshing drink into the reality and truth of God's Word and its intersection with everyday life. Shelli Prindle insightfully uncovers the precious truths of scriptures while at the same time offers practical application for all who are on the journey of life and who daily look for hope. Dr. David Hegedus, Associate Director, Association of Christian Schools International. As Founder and President of Hope and Passion Ministries, Shelli Prindle is a dynamic voice for the intellectual credibility and implications of a Christian worldview for every sphere of life. Shelli has been enthusiastically sharing God's Word with people of all ages since her youth for more than 25 years. For over a decade, she has applied biblical principles to Christian schooling as both a teacher and administrator. Shelli is a popular and engaging seminar and conference speaker with recognized expertise in Christian leadership, apologetics, and education. She resides in Irwin, PA, with her husband, Jeff.

A Journey to Seeking God, Real or Myth? Florence Gaspar Muzi, 2020-10-20 A true story and now a speaker of God's love and his empowerment bringing one around not only to the love of God but to work towards the image of his son in obedience and love of the Father, the goal is to love one another as he so loves us. Yes, sometimes difficult. I sit here in my little Eden, my backyard. I hear the mockingbird serenading in the background, a gift from nature and God who has put joy back into my life and love. I comfortably write these words from witness of my children and myself. It is my hope that everyone that reads and witnesses God's supernatural will share it with another and another and another that we will speak freely the full story of witness. Perhaps the atheists who believe they can do it alone and in their last moments of life call for a priest suddenly there, not sure God is real and there. A change of heart is

different from a change of mind think Real God, Real Life Jo Saxton,2011-10-13 As Christians we want our relationship with God to grow to mature We consider things like our devotional life and spiritual formation as fundamental to our Christian faith But then there s the rest of life young kids or long hours at work financial pressures illness in the family high points disappointments faith crises We want a faith that s deep but also a life that works How do we get a life beyond the quiet time In REAL GOD REAL LIFE popular speaker Jo Saxton shows us how we can follow in Paul s footsteps and train ourselves to be godly Full of practical ideas and anecdotes this is spiritual formation for everyone Is God Real? Daniel Milton Taylor,2003-05 **The Real God** Chip Ingram,2016-10-18 See God for Who He Is Not What You Think He Ought To Be Anyone who has tried to describe God to someone else especially an unbeliever knows that it is easy to find yourself at a loss for words It seems that this part of our lives which we claim is central is often difficult to put into words But if you know God shouldn t you be able to describe him What is he like How can we put his eternal attributes into words Join Chip Ingram in this fascinating study of seven attributes of God his goodness sovereignty holiness wisdom justice love and faithfulness Readers will see God in a whole new light and discover that our view of God impacts every decision in our lives It will change the way we pray the way we live and the way we think about the world around us God longs for us to know him as he really is Get ready to meet God again for the first time Is God Real? Lee Strobel,2023-10-31 Lee Strobel former atheist and legal editor of the Chicago Tribune weaves together the latest evidence from a range of brilliant scientific and philosophical minds to answer the most consequential question of all time Is God real More than two hundred times a second around the world questions about God s existence are being typed into search engines Google alone provides nearly 4 million results to that single question The topic of the existence of a Creator has enormous implications on our lives including whether or not we have free will if there s any such thing as an afterlife and whether or not there s any basis for human morality In Is God Real Lee Strobel author of the New York Times bestselling book The Case for Christ pulls together material from his previous books to create this updated rational exploration of the proof of God s existence and the basis of our hope Writing to skeptics believers and anyone who s ever gone through or is going through periods of doubt and disillusionment Lee turns his critical mind and expert interview skills to perennial questions such as If God is real why is there so much suffering How do we know which God is real If God is real why does he seem so hidden How do recent scientific findings support the claim that God is real If God is real what difference does it make Is God Real is a life changing exploration of the inquiry at the center of our being My God Is Real Kenneth Morris,1992-11 A favorite song of southern Gospel music lovers for many years Pick a soloist with a lot of heart and have at it **God's True Guide to Everlasting Life** Atum Osirion,2023-12-05 In this eye opening book Atum Osirion reveals the truth behind the Crucifixion of Christ and the misguided lies we have been fed in the Bible The identity of the Messiah has been intentionally misleading as part of the Devil s plan to bring humanity to his realm after the Rapture Through examining the truth in the Bible historical events and the progression of blood types Osirion

Timmering,2008-11 This book is about one man s spiritual journey walking and breathing the living Bible during his pilgrimage to the Holy Land Israel This amazing journey flushed out doctrinal confusion man s secular spin on religion while cleansing painful personal mistakes for a spiritual transformation This transformation started in September 2004 when God divinely healed his son Luke During this miracle the author was changed by God s full interaction and the power of constant prayer swirling around him which pushed him into a new covenant with the Lord He decided to go to Israel in May 2006 for his fortieth birthday as a mid life spiritual pilgrimage that forced him to go back to his earliest beginnings to fully understand his childhood to stop blaming organized religion for his own mistakes to see God as He really was and to understand and commit to God s plan for his life This new covenant was about personal forgiveness a new kind of intimacy with the Lord bringing God into the workplace and business decisions and finally having the confidence to tell others all about Him E Joseph Steier III CPA MBA was born in Louisville Kentucky and is married to wife Sony They have four children Mr Steier graduated from Bellarmine University with a Degree in Accounting and from the University of Miami with a Masters of Business Administration with a specialization in Healthcare and is currently a Doctoral Candidate at the University of Penn Wharton In 1999 Mr Steier joined Home Quality Management now Signature HealthCARE LLC as President to help grow the small organization into a regional family based long term healthcare provider Today the new organization focuses on innovative Quality of Life programs a thriving interfaith spirituality focus and aggressive plans for organizational learning to meet the real needs of his residents and stakeholders *Why? Why Did My Children Die?* Bob Seaver BSEE MBA ThM,2022-08-13 In a tragic instant in 1998 my relatively normal world as a mature man family provider and wage earner Christian husband and father changed drastically but also my God changed or at least my perceptions and expectations of God and life in general were severely shaken The world I went to bed with was not the world I awakened to early the next morning to learn that my only daughter was dead The emotions that engulfed me were then and are to this day unfathomable emotions pain doubt anger and many other religious and interpersonal struggles that I ve called bitter grief

The faith and religion that I had depended on and expected to provide strength understanding and comfort for most of my fifty four years in such a situation were now very quickly major parts of my problem Simplistic efforts to console and explain to ease my pain to answer my questions just angered me and aggravated my bewilderment Eventually this book emerged at first from the relentless conflagration of emotions and distress that first started their expression as a journal stressing my need for meaningful support and empathy following the open surprise bewilderment and guilt ridden feelings of divine betrayal that gripped me after my only daughter was killed in a tragic one vehicle accident The total impact that my daughter s death had on me was finally confirmed sixteen years later following the unexpected death of my eldest son This book recalls and reflects my personal experiences of dealing with bitter grief and as a whole describes my feelings actions and even my very questionable thinking from that traumatic beginning the sometimes dark and unthinkable emotions and reasoning that followed my child s death not as I had expected that I should have or would have felt or thought but as I actually did feel and think triggering the overwhelming need to ask endless questions and then seek to understand I had to ask and continue to ask why until I understood well enough to again be at peace with God Why is perhaps the most fundamental question of life Why does anything exist And especially Why does life exist If there is a Creator God who loves us why do pain and suffering exist And I now realized that if one s religion and faith don t satisfactorily address the problem of severe human suffering and horrific tragedy then they must lack the capacity to interpret the human experience or to provide a realistic or adequate world view Thus I had to ask why questions that reached well beyond the deaths of my children For the first time I had to step outside of my now crumbling former religious comfort zone to consider my tragic and bitter losses and God s role in my losses and His role in all the other terrible pain suffering and death that exists in the world I had to ask myself very difficult questions and try to understand Why the harsher and horrific things of life happen but more specifically Why Jodi Why me and Why now I ve tried to honestly consider why life often seems so unfair but this was a surprisingly difficult thing to do to seriously question the things I had come to believe and to expect from life and from God And then sixteen years later by God s sovereign choice I got a second chance to look at and reassess Why following the death of my eldest son Brian This book is also in some sense a lament and a chronicle though somewhat topical and not strictly chronological of my life as a distraught bereaved parent transitioning by means of bitter grief and sorrow to some new more stable normal under the sovereign leading of God as must others who also suffer bitter grief This book is the story of my life since April 23 1998 my experiences successes and disappointments and I hope they will be of value to you as you deal with your own bitter grief and or try to help others cope with theirs
