My Grandmother Has A Chandelier:

Do you know where my grandma is? Usha Gandhi, 2013-05-30 At the Cincinnati International Airport I saw a tiny image walking along side my son pulling his load happily His bones were covered with skin He weighted very little And he was too small to be called five years old It was obvious that his stunted growth was a result of malnourishment That tiny image troubled me and got cemented in my psyche FOREVER However the very moment he sat near me that disturbing image gone astray Malnourishment had not affected his spirit His small carry on bag was loaded with zillion of questions His curiosity started flowing out like a pious river Ganges All in all he was a mascot of curious George and energizer batteries His eyes were sparkling as if a pair of Koh I Noor diamond His ear to ear smile connected two continents India and America As if someone waved a magic wand the worries of this mundane world evaporated as if a water on the hot skillet Without any muss or fuss fear or formality he jumped within me sat on the throne of my heart claiming its entire space The tiny organ of my body released two tear drops one for his past and one for his brighter future *Harlequin Romance September 2016 Box Set* Marion Lennox, Jessica Gilmore, Teresa Carpenter, Leah Ashton, 2016-09-01 Harlequin Romance brings you four new titles for one great price available now Experience the rush of falling in love This Harlequin Romance box set includes 4535 STEPPING INTO THE PRINCE S WORLD by Marion Lennox Caretaker Claire Tremaine finds a handsome soldier shipwrecked on her shores and is soon won over by his kindness and kisses But when she learns he s the royal prince of Martal she ascertain they can t be together That is until Prince Raoul whisks her off to his royal palace 4536 UNVEILING THE BRIDESMAID by Jessica Gilmore New York artist Gael is convinced that love is a sham But after spending time with shy Hope McKenzie who has thrown herself into planning her sister s wedding he begins to wonder if this beautiful bridesmaid is what he s been missing all along 4537 THE CEO S SURPRISE FAMILY by Teresa Carpenter When CEO Jethro Calder discovers he is a father he doesn t believe he can be the parent his daughter needs But to ensure that Lexi Malone the woman caring for his daughter is he invites her to stay and soon finds that happy families do exist 4538 THE BILLIONAIRE FROM HER PAST by Leah Ashton Mila Molyneux always harboured a secret crush on childhood friend Sebastian Fyfe until he married another woman When she meets him years later now widowed and as gorgeous as ever she finds their connection is still strong Will this reunion be Mila s opportunity to tell Seb she wants more than friendship Haunting Experiences Michelle Belanger, 2011-01-08 An exceptional collection of ghost and haunting encounters made even better because of Michelle Belanger s firsthand experience with them on top of her extensive knowledge of the phenomena Loyd Auerbach MS parapsychologist and director of the Office of Paranormal Investigations Michelle Belanger s chilling collection of true ghost stories will take you further than you ve ever gone before into the realm of spirits astral entities and dark forces Along the way you ll encounter haunted violins dark fey hell hounds haunted cremains and even an astral vampire summoned by an aspiring magician who becomes its unwitting target Whether she s being accosted by an angry spirit who recently committed

Three by 33 Malcolm D. Hawk,2011-11-07 This is the story of my life at least its first 70 years I am writing it so that my three children and my three granddaughters may know something about my background and theirs It is the type of book I wish my parents had written as there is so much about their lives I do not know but sincerely wish I did Since I am telling this tale much depends on my memory of events my interpretation of them and the details of those I select to include as well as those left out I have tried to be candid and accurate and honest to include some of the good of which there is much and some of the not so good of which fortunately there is much less I hope that those who read these pages will find some information to interest them and some that is new that will add to their understanding
