My Grieving Soul:

My Grieving Soul Wayne Eggleston, 2002-05-01 Walking with Miss Zib Richard D. Tobin, 2022-03-09 The title Walking with Miss Zib came from emotions I experienced during a three year period succeeding my wife's Ellen's death from Alzheimer's disease We met when I was fifteen and she was sixteen Try and visualize what a loss that was for me It changed my life forever It's not an easy task to go on without her as you can imagine The suffering remained intense penetrating deep into my soul Contemplating my anguish it's clear to me now that the pain was from the soul not the body After a great deal of reflection I conclude Ellen's body had Alzheimer's disease her soul didn't Our souls communicated directly circumventing her body with Alzheimer's disease two souls connected for over sixty seven years As a result Ellen knew me till her last day on earth Focusing on my grieving and putting into words the manner in which I survived I will provide a true account of my experience with grief over a lifetime Covering from the age of nineteen to the passing of Ellen revealing my most inner emotions each time One needn't have a medical or scientific background like sporting a PhD to write about their emotions while suffering through a heartbreaking life experience All one requires is courage to reveal their true feelings and eagerness to help others I walk with Miss Zib's spirit guiding me home and end with a quote taken from a headstone in Ireland which I find so grand Death leaves a heartache no one can heal love leaves a memory no one can steal In My Own Mind C. Spiritual Diary Sergius Bulgakov,2022-06-15 Who was Fr Sergius Bulgakov the pastor who stands behind the epochal theology of Eastern Orthodox sophiology What better place to look than his own Spiritual Diary which opens to us the mind and heart of this prolific and original theologian of the twentieth century This volume the first of his diaries to be published in English depicts in illuminating detail Bulgakov s daily life as a priest ministering in exile the exultations and desolations of his personal prayer life and his confoundment and pain towards the fate of his homeland ruled by the aggressively atheist

Soviet state In these personal reflections we discover the pastoral matrix from which arose such distinctive features of Bulgakov's mature theology as his theology of Sophia the Divine Wisdom as God's mystical presence in creation Beyond this however at its core the Diary is a work of spiritual edification and meditation meant to draw the reader into contemplation Together with biographical and theological introductions provided by the translators this volume will serve scholars of Bulgakov and Orthodox theology as well as Christians of all traditions who wish to unite their theology with prayer
