Finding My Wild Kathy Donaghy, 2023-02-06 Life had brought me to the edge of myself and here I was feeling like I was on the edge of the world After moving back to her homeplace on the Inishowen Peninsula in Donegal with her young family journalist Kathy Donaghy's life changed in ways she never saw coming This unflinching memoir looks back at a decade of love and loss of mothering identity and ultimately healing An ode to friendship home and the extraordinary healing powers of immersing yourself in the natural world especially the ocean **MY HOME SWEET HOME (A Life of Commitment with Contentment)** Gala Waken, 2013-12-10 While writing Maxine's true to life story My Home Sweet Home Surviving an Abusive Relationship her heart was cleansed from deep hurt and hatred that nearly possessed her life God's grace unmerited favor freed Maxine from sin and guilt Believing Jesus Christ died on the cross in her place gave her a new life with Him The years following have been filled with forgiveness and understanding in her family a life committed to God with contentment to her church and family Forgiveness rolls in like a tide sweeping away all that would hinder us from knowing God

Carrier Bonnie J Rough, 2010-04-06 When Bonnie J Rough receives the test results that confirm she is a carrier of the genetic condition hypohidrotic ectodermal dysplasia or H E D it propels her on a journey deep into her family's past in the American West At first glance H E D seems only to be a superficial condition a peculiar facial bone structure sparse hair few teeth and an inability to sweat But a closer look reveals the source of a lifetime of infections breathing problems and drug dependency for Bonnie's grandfather Earl who suffered from the disorder After a boyhood as a small town oddity and an adulthood fraught with disaster Earl died penniless and alone at the age of 49 Bonnie's mother was left with an inheritance that included not just the gene for H E D but also the emotional pain that came from witnessing her father's misery As Bonnie and her husband consider becoming parents themselves their biological legacy haunts every decision The availability of genetic testing gives them new choices to make choices more excruciating than any previous generation could have imagined Ultimately Carrier is a story of a modern moral crisis one that reveals the eternal tension between past and future

**Bird** Noy Holland, 2015-11-01 This is a novel about the persistence of longing in which the twin lives of the title character blur and overlap Bird puts her child on the bus for school and passes the day with her baby Interwoven into the passage of the day are phone calls from a promiscuous unmarried friend and Bird's recollection of the feral reckless love she knew as a young woman It's a day infused with fear and longing an exploration of the ways the past shapes and dislodges the present In the present moment Bird dutifully cares for her husband infant older child But at the same time Bird inhabits this rehabilitated domestic life she re-lives an unshakeable passion Mickey the lover she returns to with what feels like a migratory impulse Mickey whose movements and current lovers she still tracks With Mickey she slumped and wandered part time junkie tourist of the low life a life of tantalizing peril This can't last Bird thought and it was true Noy Holland's writing is lyrical fired by a heightened eroticism in which every sight and auditory sensation is charged with arousal The writing in this

book Noy Holland's first novel is fearless in its depiction of sexual appetite and obsessive love. It sheds light on the terror of abandonment and the terrible knowledge that we are helpless to protect not only ourselves but the people we most love.

*Spark* Kathy Grissom, 2019-06-24 This book was intentionally written to teach mothers how to cocreate with their babies before they are born. This book reaches for good feelings. The main purpose is to set your mind on having a positive pregnancy experience. When intentionally reaching for the more positive, accepts every day you unravel any discord you may have going on. Remember to fill yourself with the power of love first so your cup is so overflowing that you can share that love with everyone around you. The purpose of this book is to focus on the energy vibration between you and your unborn child. The fetus can feel your emotional vibration and can understand pure love. The intention is to stay aware of your vibration during pregnancy and allow the fetus to match your vibration of peace, love, and harmony while developing. Practicing meditation together will quiet any anxiousness and guide the baby toward a more comfortable feeling. During meditation when you are connecting to God source energy, you are also connecting with the baby at the same time. All your emotions are felt by your child. It is so important to set your intention for the day or set it at night before bedtime to give you and your baby the nurturing feeling of self-care, soothing. Preparing for motherhood is a big change to your life; therefore, it is very important to take care of yourself and have a positive mind set. Hormones change and emotions run high, so this practice will be of great value to you and your child. As energy is running through your body, we want it to be positive, charged energy. Energy travels beyond your body of movement but through your subconscious mind and all the way back to the depths of your soul. Your awareness during pregnancy is of the utmost importance. *My Pocket Guide to Stretching* K. Aleisha

**Chapters of My Life** R. Michelle, 2010-03-11

Chapters of My Life is a poetic expression of the many phases of life through which the author, R. Michelle, has traveled. Often referring to herself metaphorically as a butterfly, with the stroke of a pen, she has captured the realities as well as the fantasies of transformation from the youthful larva through the restrictive cocoon into a brilliant, colorful, free creature. The words will drive you into a state of mesmerization. Come and observe the metamorphosis of one of God's wonderful exhilarating creations. There is certain to be a word for you. Each piece is without question an original; however, they are not those of the author. All come from the benefactor, the source. Through this transformation, R. Michelle has learned that she is the essence of the source. It is not one purchased nor one acquired through classroom lessons; that is, unless you consider living in this world to be the philosophical classroom. My gift is to encourage, motivate, remind, initiate whatever it is that someone else has momentarily lost sight of. My gift is to bless others. This is my gift. Through my gift, it is my prayer that you will utilize your gift for its purpose. Indulge yourself in the gift, but as you partake, do not neglect to get only your portion. You see the gift in its entirety is not for any one. There may be only one line for you. It may be two or three poems. Or there may be an entire section or chapter for you. In My gift, you will find nourishment created specifically for you if you read with the Spirit, not your mind.
