The Voice of My Heart – Volume I

Irwanden was born in Mauritius and had spent several years in United Kingdom before moving to Switzerland, a country of great natural beauty that inspires him for his poems....

In 2003, Irwanden was awarded "Outstanding Achievement in Poetry" by the International Society of Poets, U.K.A. He has since then written more than 500 poems, many of which are honored "excellent" by the distinguished Members of the International Society of Poets.

Irwanden is now releasing his own books of poems that will appear in various volumes. We invite you to taste the flavour of his expressions...

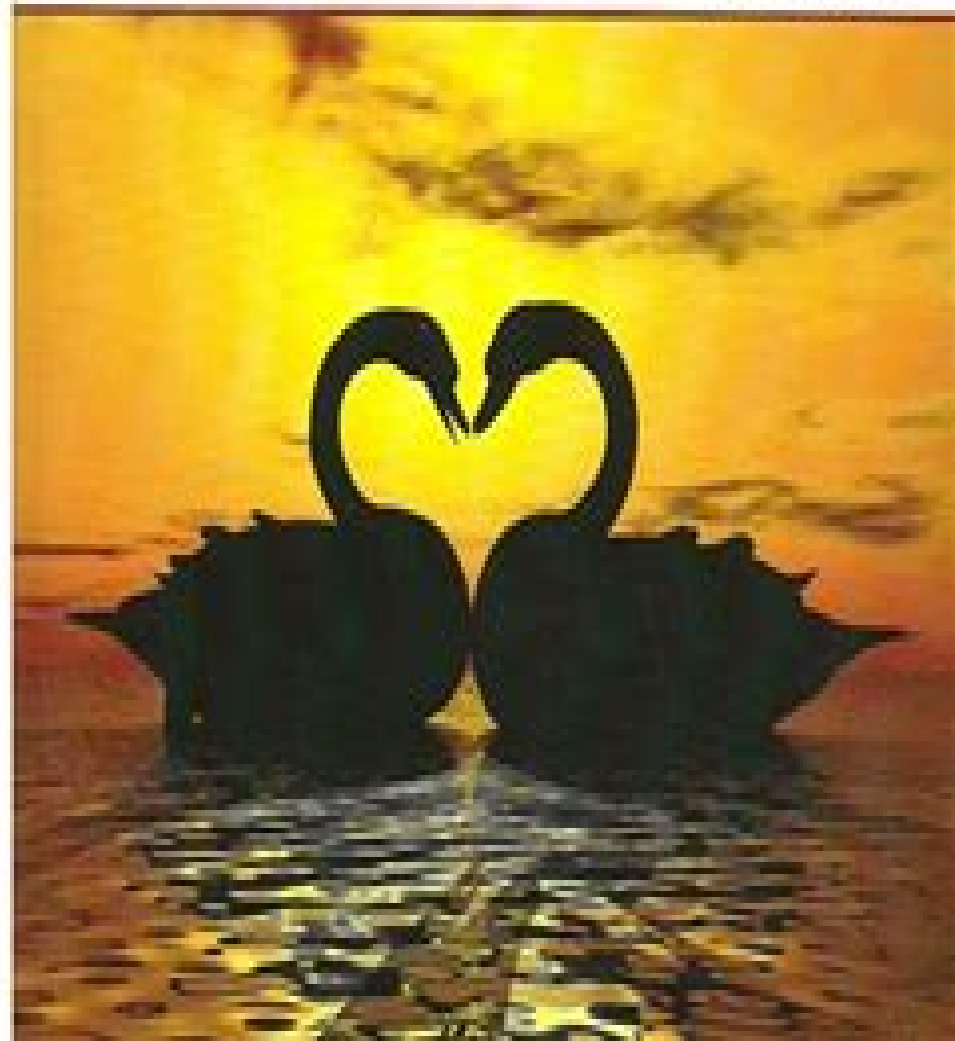

*"This book is a treasure of feelings,
A true expression of a heart's calling
In amalgam of human living,
Each and every word full of meaning..."*

*"This book is like "a dream comes true",
A childhood wish realized too
For a humble man, a dreamer, an observer and
An inborn poet whom I see in Irwanden Saharun..."*

my 35 years of dating since I was fifteen years old I have had my fill of good dates and bad dates I am pretty sure we have all had those dates from hell that we tell our friends or ones that we just soon want to forget So what about the ones that turned

out perfect Don't have too many of those Don't worry because in this book I will give you some ideas and dates from start to finish for fun first dates romantic dates creative dates indoor dates outdoor dates cheap dates that are easy on your wallet and even a date for those who are miles apart in a long distance relationship Guys always want to impress a girl and sweep her off her feet but sometimes have no clue as to where to start Females by nature are great planners especially when it comes to events dinners parties and yes even dates Why Because we pay attention to detail and that is what is the most important thing Details tell a girl how you feel about her Simple details to intricate ones either way they are signs of what you really feel about the girl If you take a lot of time planning a great date that tells the girl that you are interested in her and want to get to know her better especially if it's a date that allows you two to talk and get to know each other better Girls love dates like that Taking a girl out tossing a burger down her throat and taking her to a movie is just plain boring That's something you do AFTER you have won her heart and even then it's questionable Whatever happened to the courtship of dating When you take the time to plan and give her a date to remember it shows that you care and want to impress the girl You don't have to have a lot of money either to do this

Cross My Heart Cynthia Eden, 2022-02-22 There are some cases you never forget Former FBI agent Elijah Cross tried to put the past behind him For years he spent his days and his nights tracking some of the most brutal killers in the US Now He protects the rich and famous while working at Wilde Less danger more glamour and a whole lot more cash His latest gig has taken him to the sandy beaches of Florida's Gulf Coast and it's on one of those gorgeous beaches where he comes face to face with the woman who haunts his dreams There are some people you can't leave behind She was the last victim he saved at the Bureau Penelope Kostas The woman who survived a nightmare He'd carried her out of hell in his arms and Elijah had sworn to always protect her But that promise had been given before his job at the Bureau had imploded Before he'd broken every rule that mattered for her Only to have Penelope run from him There are some promises you must keep The serial killer who targeted Penelope was never apprehended and Penelope fears that he could be hunting her once more But this time she will not be his victim She wants Elijah to help her hunt him To help her stop the killer before he can strike again And she will pay any price for Elijah's help He's the only man she trusts and once upon a time Elijah had offered to do anything for her even kill to keep her safe There are some desires that can't be controlled Elijah still wants her just as badly Penelope still needs him just as much Lust obsession they always twisted together for them and the longer that they are together the more that dark and consuming need just grows and grows Elijah will do whatever it takes to protect Penelope She's not the same woman he knew before Not lost not afraid She's determined to fight and he will be at her side every step of the way The killer won't escape again And Elijah will not lose the woman who owns his heart

Author's Note Once upon a time Elijah saved Penelope and though she didn't realize it she saved him too She stopped him from giving into the darkness that wanted to consume him and now he is ready for his second chance with her Danger desire sure they're part of the deal but Elijah can handle any threat that comes their way He will handle the threats

because there is no way that he will ever lose Penelope again Prepare for action twists and a love that will not be denied Things are going to be Wilde and that is just Elijah s style *Reformed Ethics, Volume 1 : Volume 1 (Reformed Ethics)* Herman Bavinck,2019-06-18 Herman Bavinck s four volume Reformed Dogmatics is one of the most important theological works of the twentieth century Leading Bavinck expert John Bolt edited that work which has received wide acclaim Now Bolt brings forth a recently discovered manuscript from Bavinck in print for the first time which serves as a companion to Reformed Dogmatics Reformed Ethics mines the moral teachings of the early church and medieval and Puritan spirituality while addressing a variety of topics offering readers Bavinck s mature reflections on ethical issues This book is the first of three planned volumes **Seasons - Twenty-Two Poems from My Heart** Nooshan Shekarabi,2009-03 The poems in this manuscript are the beginning of many volumes of Miss Shekarabi s work to come She writes about love family political turmoil betrayal depression injustice dreams and many other human struggles She has a great love and admiration for both her own Persian culture and that of the American culture which impact her writing She credits her paternal grandmother for her love of poetry and language and refers to her sister as her inspiration Her poetry is a reflection of her most profound experiences in the past decade *Pages from My Heart* Frederique Media Productions,2012-12-10 Poetic Imagery in Motion presents a collection of love poems spoken words and spiritual poems that Dimitry Frederique has been writing since he was in high school This book details his journey for love from a male s perspective This book is filled with very passionate poems that attracts the senses and speaks to the soul *My Heart's Idol: or, a Desperate Remedy. A comedy in two acts and in prose* James Robinson Planché,1859 **The Dangers in My Heart Vol. 6** Norio Sakurai,2023-07-18 For hopeless introvert Kyotaro February 14 should be just another ordinary day but something feels different this year Meanwhile Yamada can t seem to properly convey her feelings What truths lie behind her tears **Breaking the Idols of Your Heart (Volume 1 of 2) (EasyRead Super Large 24pt Edition)** , *Looking upon the Heart* Pete Carlson, MFT,2020-06-09 BY LOOKING UPON THE HEART WE CAN ALL BE CHANGED IN AN INSTANT AND LIVE LIFE MORE ABUNDANTLY The mystery of the biblical heart is unveiled by integrating psychology and Scripture to delineate the five dispositions of the heart the choice of which we morph into could either enhance or hinder the attainment of abundant life in Christ Throughout time people have been searching for the meaning of life and the way to find fulfillment It is the intention of this book to show how by Looking upon the Heart where Jesus may live we can actualize healing and holiness at any moment in time In this in depth Christian psychology and self help textbook the reader is enlightened as to what good and bad choices we can make about our character and personality the goal is to consistently be transformed morphed out of the unhealthy dispositions of the heart the broken heart and the hard heart into healthier ones the open heart sweet heart and the brave heart Our first basic premise is that we all believers and unbelievers alike can and do spontaneously morph continually in and out of various dispositions character states and personality styles and so are capable of immediate transformation The second premise is

that grace must prevail we all would be hypocrites if we judged because we are all morphing having our good moments and bad at any particular moment in real time Ultimately the overall perspective is that the heart should be the most important human entity known to man The heart is the primary gatekeeper and decision maker and therefore the overall determiner of the whole person s behavior personal growth and spiritual maturity We are to embrace a complete understanding of the biblical heart its five dispositions in order to overcome psychological behavioral and relational dysfunction and sin Only then can we successfully and consistently experience oneness with God through Jesus living and actively operating within our hearts As a result of Looking upon the Heart the Lord reigns and leads us to a life of victory in Jesus How To Get a Life, Vol. 1: Empowering Wisdom for the Heart and Soul Lawrence Baines, Ph.D., Daniel McBrayer, Ph.D., 2003-04 Presented in an easy to digest format with an uplifting message How to Get a Life offers individual chapters on the life views of some of the most important and powerful people in history Written in an engaging style by college professors Lawrence Baines and Daniel McBrayer each chapter contains a brief biographical sketch with that luminary s advice for daily living Take a trip on How to Get a Life and learn easy to understand advice from some of the world s greatest thinkers on The importance of relationships How to get over misunderstandings How to rise above mediocrity What to do when things go wrong Along with topics ranging from God and the universe to conceptions of love sex and death historical figures featured include Martin Luther King Jr Joseph Campbell Bill Wilson Gerda Weissmann Klein Albert Schweitzer Oprah Winfrey Buddha Leo Buscaglia Jane Goodall the Dalai Lama Muhammad Confucius and Richard of St Victor *This Fist Called My Heart* Marc Pruyn, Luis Huerta-Charles, 2016-03-01 This Fist Called My Heart The Peter McLaren Reader Volume I is at the same time an homage a gathering an intellectual activist s toolkit a teacher s bullshit detector a parent s demand list and an academic s orienting topography This collection of essays represents some of the most central and important work of Peter McLaren work he has done on behalf of people s liberation and humanization over more than three decades It provides readers with an opportunity to develop a deep understanding of McLaren s intellectual history and academic development and the thinking processes that lead to his current framework and intellectual philosophical political situatedness in humanist Marxism Through these gathered and sequentially presented essays readers will be able to see McLaren in the process of his theory construction over time without missing his essence of struggling for a just society that promotes the full humanity and liberation of all people Here we have curated some of the most exemplary essays along the trajectory of Peter McLaren s long and impactful career These pieces track and document Peter s intellectual grow as one of North America s most important intellectuals and advocates for critical pedagogy his theorizing of the discursive and the everyday through post modernist and post structural lenses his contributions to the literature and practice of critical multiculturalism his stirring work on capitalist empire and valiant struggles to resist it through to his foundational long held connection and cutting edge contribution to the field of humanist Marxism Whether you are a neophyte to McLaren s work or a long time student of it an Enlightenment modernist

Inspirations of the Heart Volume 42~Exalted Faith The Awe of God Ollie Fobbs,2018-12-15 Inspirations of the Heart Exalted faith is about the will of God coming alive in our lives now mind you what you see in this text is only a mere portion of what could have been said In other words This work could have been 20 chapters with several more spiritual redirections with many more spiritual inputs of directives and spiritual points to consider The thing about me is that I pay attention to the Holy Spirit speaking to me when I write what happens then is that when the Spirit reveals to me to stop and move on I do not go on and put more of me into what is being said that would be disobedience The power of the presence of God is everywhere all of the time but in a recent book I wrote I considered the idea of what I call the ethics of supply and demand what do I mean When it comes down to the presence of God within our lives if our desire is all about us we cut God out of the picture and he cannot supply to us the desires of our heart even though he wants to Churning of the Heart, Vol Two Shivom Tirth,2002-07 This volume of Shivom Tirth s autobiography covers the years 1961 through 1965 and gives the reader an intimate look at an enlightened teacher preparing the prize student who will take his place Spiritual topics covered include solutions to the problems of daily life practices that lead to realization and such yogic experiences as time travel and out of body travel **The Heart of Mid-Lothian, Volume 1** Вальтер Скотт,2021-12-02
