**The Wayward Liberal** Thomas E. Vadney, 2021-12-14 In the first political biography of Donald Richberg Thomas E. Vadney traces the continuities and discontinuities in the American reform tradition from the days of the Progressives to the years after the New Deal Richberg's strong advocacy of the earlier liberalism contrasted with his equally strong rejection of post New Deal liberalism At the beginning of the New Deal Richberg supported Roosevelt's National Recovery Administration program but as time went on he was unable to accept the growth of big government and the welfare state that later evolved from it Many of the old liberals firmly believed in the viability of competition opportunity and individualism and abhorred the later efforts of younger liberals to expand the functions of government Donald Richberg's story is one of a persistent faithfulness to the older concept of liberalism

**Savage Dragon #214** Erik Larsen, 2016-06-01 The Tantrum entity finds a new host and Officer Dragon is in for the fight of his life      **Whitney & Udo** Okwuchi. Chris. Ihebereme, 2022-07-09 Blood dripped from his ears mouth nose and the bullet hole on his shoulder as he

kept crying in pain please don't let me die he pleaded I didn't do anything to Whitney I love her I'm totally innocent Udo implored as he led on the floor face down His legs were chained together his hands cuffed to his back while officer Jason's right knee remained pegged on his neck crunching and pressing life out of him From Whitney Udo I woke up that morning cramping heavily in my lower stomach Whitney complained to Joan My eyes were blurry my head aching like it was gonna burst wide open I lost knowledge of everything On my bed were thick black lumps of what my mother later told me was blood my pant still tight around my waist was very wet and stinking I was hypertrophic as I called my mother but the more I yelled the less I heard myself My voice went faint very faint until I couldn't open my mouth again I fell down and passed out Later that evening I woke up in the family doctor's clinic surprised at how I got there I didn't suspect anything until a year later when I lost my period for more than three months and went to the family doctor's office to ascertain I wasn't pregnant The nurse attendant who pulled my iCloud electronic patient record data forgot to log out prior to going into the doctor's office to respond to his call I strolled through my page and was shocked at what was on my record Instantly my mind ran back to the mystery behind what happened on the eve of that evening that I passed out with lumps of blood on my bed and a stinky underwear I remembered clearly how my father told me to go into the kitchen during that Friday dinner to grab his celery box He used to sprinkle dried celery on his meals always I went to the kitchen cabinet where it should be and it was not there A few seconds later my mother was obliged to join in the search for the celery box but still it was nowhere to be found We had no rats or cats in the house so it was surprising it was missing After about five minutes my father a Senator from the great State of Ohio joined the search and went straight under the freezer to pick it up like he kept it there Mummy smiled it off but for me it was never funny I had always suspected my father in everything he does since he tried to force my boyfriend Udo to dump me and even promised to pay him over 500 000 00 if he agrees to walk away from me All the same that same evening we went back to the dining table to continue our dinner and that was all both my mother and I knew till late the following day From what I saw in the patient electronic health record I was apparently carried to or walked into my room that evening and a procedure performed on me while I was passed out by this evil doctor in collaboration with my evil father without my consent I could not believe my father who everyone calls the defender of the unborn the strongest opponent of abortion rights a strong conservative who fights every second to overturn Roe vs Wade and criminalize abortion at all stages could drug me and my mother to hack or rip out the child in my womb just because the father of the baby is black and he didn't like that He might be fighting to stop or blunt his disillusioned the replacement theory whatever that might be but I'm never gonna stop until I pee on his grave and that of the evil doctor Both of them are dead as far as I know and that's why I told you earlier Joan that I hate my father and I do really hate him and want him dead for drugging me and killing my unborn baby and that's what he and the evil doctor gets for their evil actions He's so hypocritical that he drinks the devil's pee and spews out hate misogyny dishonesty impropriety and deserves anything that I do to eliminate him How am I supposed to be

the carrier of his fascist narcissist legacy He must die Whitney declared and kept driving Whiney Udo Donald Richberg

 See what kinds of foreign adventures ensue in *The Switch* **The Voyage Perilous** Susan J. Rosowski,2001-01-01 They  
 Voyage Perilous is the first extended interpretation of Willa Cather s writing within the literary tradition of romanticism  
 Although she partook of the familiar subjects and themes of the Wordsworthian school of romanticism Cather was not nearly  
 so concerned with what we see as how we see Her intensely individual perspective more creatively romantic than has been  
 previously recognized gave her work its own kind of elegant form Susan J Rosowski argues that Willa Cather early took up  
 the romantic challenge to vindicate imaginative thought in a world threatened by materialism then pursued it with  
 remarkable consistency throughout her career The early essays and stories set out the terms of this life long commitment In  
 the early novels Cather celebrates imaginative possibilities in the middle ones she present increasingly desperate  
 circumstances asking what is left when the imagination is eclipsed by commercial values in the late novels she writes in a  
 Gothic mode the dark counterspirit to optimistic romanticism The book is organized chronologically with a chapter devoted  
 to each novel The chapters can be read independently or as part of a unified argument providing a larger picture **Our**

 Coppola is sometimes dismissed as being stereotypically feminine and placing more focus on spectacle over substance Sofia  
 Coppola and Generation X So Far Anxious and Effervescent draws attention to common characteristics present in Coppola s  
 films to present an authorial signature and aesthetic that are both familiar yet evocative of Generation X s perception in the  
 public consciousness In analyzing Coppola s films from *The Virgin Suicides* 1999 to *Priscilla* 2023 this book argues that her  
 filmography acts as a reflection of her generation s evolving mindset and self image from its initial rise to prominence during  
 the late 1980s to its current sentiment of discomfort with its fading influence **Daniel Blum's Screen World** ,1964
