Rock Hudson's Marriage to Phyllis Gates*

BY PHYLLIS GATES & BOB THOMAS

My Husband Rock Hudson

James Robert Parish

My Husband Rock Hudson:

My Husband, Rock Hudson Phyllis Gates, Bob Thomas, 1989 Breaking a silence of 30 years the former Mrs Rock Hudson tells all about her brief poignant marriage to the all American star from its glamorous lovestruck beginnings to its shattering shocking end Revealing The Star

My Husband, Rock Hudson Phyllis Gates, Bob Thomas, 1987 The former wife of Rock Hudson offers a candid revealing account of her relationship with and marriage to the tragic Hollywood superstar *Rock Hudson* John Mercer, 2019-07-25 Tall dark and handsome with a manufactured name and a scrupulously designed professional image Rock Hudson represented the Hollywood ideal of American masculinity during the 1950s and 60s an ideal that was to be questioned and ultimately undermined during the years to follow by lurid accounts of his private life and his death from AIDS related illness This illuminating analysis of Hudson s career reassesses the perceived disparity between his public persona and his true nature Exploring his unique qualities as a performer and exposing the role of his agent producers and directors in the construction of his image John Mercer unpicks Hudson s stardom to reveal a more complex star identity than has hitherto been understood Foregrounding the ways in which Hudson s career provides insights into the nature of American popular culture and attitudes towards gender and sexuality Mercer ultimately depicts Hudson as a star who embodied a period of transition between the old Hollywood and the new

The Fixer Josh Young, Manfred Westphal, 2024-04-16 A riveting tell all biography that delves into the extraordinary life of Hollywood s most infamous private detective and fixer to the stars revealing newly discovered shocking revelations from his never before seen investigative files During the height of Hollywood s Golden Age one man lorded over the city s lurid underbelly of forbidden sin and celebrity scandal like no other Fred Otash An ex Marine turned L A P D vice cop Otash became the most sought after private detective and fixer to the stars by specializing in the dark arts that would soon dominate the entertainment industry Otash was notorious for bugging the homes offices and playpens of movie stars kingmakers and powerful politicians employing then state of the art methods of electronic surveillance and wiretapping for a who s who list of clients for whom he d do anything short of murder He lied to federal authorities to protect Frank Sinatra from criminal liability recorded Rock Hudson s coming out confession to his estranged wife moved in with Judy Garland to help her get sober taped President John F Kennedy and Attorney General Robert F Kennedy s tragic love affairs with the greatest sex symbol of all time and listened to Marilyn Monroe die Based on Otash s never before seen investigative files and personal archives The Fixer takes readers inside the sensational and nefarious world of the man whose life inspired the private eye characters portrayed by Jack Nicholson in Chinatown and Russell Crowe in LA Confidential

Giant Don Graham, 2018-04-10 A larger than life

narrative of the making of the classic film marking the rise of America as a superpower the ascent of Hollywood celebrity and the flowering of Texas culture as mythology Featuring James Dean Rock Hudson and Elizabeth Taylor Giant is an epic film of fame and materialism based around the discovery of oil at Spindletop and the establishment of the King Ranch of south Texas Isolating his star cast in the wilds of West Texas director George Stevens brought together a volatile mix of egos insecurities sexual proclivities and talent Stevens knew he was overwhelmed with Hudson s promiscuity Taylor s high diva dom and Dean s egotistical eccentricity Yet he coaxed performances out of them that made cinematic history winning Stevens the Academy Award for Best Director and garnering nine other nominations including a nomination for Best Actor for James Dean who died before the film was finished In this compelling and impeccably researched narrative history of the making of the film Don Graham chronicles the stories of Stevens whose trauma in World War II intensified his ambition to make films that would tell the story of America Edna Ferber a considerable literary celebrity who meets her match in the imposing Robert Kleberg proprietor of the vast King Ranch and Glenn McCarthy an American oil tycoon and Errol Flynn lookalike with a taste for Hollywood Drawing on archival sources Graham s Giant is a comprehensive depiction of the film s production showing readers how reality became fiction and fiction became cinema

Elizabeth and Monty Charles Casillo, 2021-05-25 Violet eyed siren Elizabeth Taylor and classically handsome Montgomery Clift were the most gorgeous screen couple of their time Over two decades of friendship they made separately and together some of the era s defining movies including Cat on a Hot Tin Roof The Misfits Suddenly Last Summer and Cleopatra Yet the relationship between these two figures one a dazzling larger than life star the other hugely talented yet fatally troubled has never truly been explored until now Monty Elizabeth likes me but she loves you Richard Burton When Elizabeth Taylor was cast opposite Montgomery Clift in A Place in the Sun he was already a movie idol with a natural sensitivity that set him apart At seventeen Elizabeth was known for her ravishing beauty rather than her talent Directors treated her like a glamorous prop But Monty took her seriously inspiring and encouraging her In her words That s when I began to act To Monty she was Bessie Mae a name he coined for her earthy private side The press clamored for a wedding convinced this was more than friendship The truth was even more complex Monty was drawn to women but sexually attracted to men a fact that if made public would destroy his career But he found acceptance and kinship with Elizabeth Her devotion was never clearer than after his devastating car crash near her Hollywood home when she crawled into the wreckage and saved him from choking Monty s accident shattered his face and left him in constant pain As he sank into alcoholism and addiction Elizabeth used her power to keep him working In turn through scandals and multiple marriages he was her constant Their relationship endured until his death in 1966 right before he was to star with her in Reflections in a Golden Eye His influence continued in her outspoken support for the gay community especially during the AIDS crisis Far more than the story of two icons this is a unique and extraordinary love story that shines new light on both stars revealing their triumphs demons and the loyalty that united them to the end Casillo

weaves an engrossing story about the intertwined lives of his subjects the parallel worlds of privilege that they came from the personal misfortunes that each suffered and the seemingly inextricable path that led to that fateful night The author approaches them both with sympathy and comes away with a melodrama as good as any that they ever starred in The New York Times In a riveting new book that brings Hollywood's golden age to life with colorful well researched details and interviews with stars who knew Taylor and Cliff Casillo explores the intense bond the two shared People Magazine

Between Rock and a Hard Place Robert Parker Mills, 2010-11 This book is about the first fear of AIDS case tried in America It tells the untold story of the trial that the general public heard nothing about By telling the true story from the perspective of the lawyer who actually represented the Estate of Rock Hudson it is hoped the reader acting as the 13th juror will see the gross injustice done to the late actor by Christian and Rock's alleged friend Mark Miller as well as the court the jury and the press all of which were blinded from the truth by this newly discovered disease called AIDS Marc Christian claimed he was given a death sentence because Rock didn't tell him of his AIDS diagnosis and continued to have high risk sex with him 25 years later Christian died not from HIV or AIDS He was never HIV positive How could this be if he was telling the truth that he continued having anal sex with Hudson 3 to 5 times a week for 8 months after Rock was first told he had full blown AIDS Christian was either superhuman and they should clone his blood as a cure for AIDS or he simply didn't tell the truth at trial where Rock Hudson could not defend himself because Christian waited until Rock died and found out he wasn't in his Will before bringing his lawsuit **American Masculinities: A Historical Encyclopedia** Bret Carroll, 2003-10-14

This is a highly recommended purchase for undergraduate medium sized and large public libraries wishing to provide a substantial introduction to the field of men's studies Reference User Services Quarterly Pleasing layout and good cross references make Carroll's compendium a welcome addition to collections serving readers of all ages Highly recommended CHOICE An excellent index well chosen photographs and illustrations and an extensive bibliography add further value American Masculinities is well worth what would otherwise be too hefty a price for many libraries because no other encyclopedia comes close to covering this growing field so well American Reference Books Annual American Masculinities A Historical Encyclopedia is a first of its kind reference detailing developments in the growing field of men's studies This up to date analytical review serves as a marker of how the field has evolved over the last decade especially since the 1993 publication of Anthony Rotundo's American Manhood This seminal book opened new vistas for exploration and research into American History society and culture Weaving the fabric of American history American Masculinities illustrates how American political leaders have often used the rhetoric of manliness to underscore the presumed moral righteousness and ostensibly protective purposes of their policies Seeing U S history in terms of gender archetypes readers will gain a richer and deeper understanding of America's democratic political system domestic and foreign policies and capitalist economic system as well as the private sphere of the home and domestic life The contributors to American Masculinities share the

assumption that men's lives have been grounded fundamentally in gender that is in their awareness of themselves as males. Their approach goes beyond scholarship which traditionally looks at men and women in terms of what they do and how they have influenced a given field or era. Rather this important work delves into the psychological core of manhood which is shaped not only by biology but also by history, society and culture. Encapsulating the current state of scholarly interpretation within the field of Men's Studies, *American Masculinities: A Historical Encyclopedia* is designed to help students and scholars advance their studies, develop new questions for research and stimulate new ways of exploring the history of American life.

Elizabeth and Michael Donald Bogle, 2017-06-06. A dual biography of entertainment legends Elizabeth Taylor and Michael Jackson that explores their individual careers and personal lives leading up to and including their 25 year friendship.

The Defiant One Aubrey Malone, 2013-09-21. This new biography contains excerpts from interviews and articles by and about Curtis all the way from his teens in the Bronx to his death at 85 in 2010. Many of these are little known and provide insights into his complex relationship with fame, family and females, the three obsessions of his life. The book also documents his many struggles with substance abuse, his disenchantment with Hollywood when it failed to take him seriously, the violent deaths of his two brothers, the failure of four of his marriages, a heart attack, the death of a son from a drug overdose and most importantly the manner in which his resilient spirit saw him through these challenges and tragedies. It's a revisionist biography which adds significantly to the received wisdom on his life and times not only through personal interviews but also revelations from two recent books not yet available in English: one written by his daughter Allegra and the other by his ex-wife Christine Kaufmann.

The Prime Time Closet Stephen Tropiano, 2002-05-01. Television history was made on April 30, 1997 when comedian Ellen DeGeneres and her sitcom alter ego Ellen Morgan came out to her close friends and 36 million viewers. This groundbreaking episode represented a significant milestone in American television. For the first time a TV series centered around a lesbian character who was portrayed by an openly gay actor. The millions of viewers who tuned in that historic night were witnesses to a new era in television. *THE PRIME TIME CLOSET* offers an entertaining and in-depth glimpse into homosexuality on television from the 1950s through today. Divided into four

sections each devoted to a major television genre this unique book explores how gay men and lesbians have been depicted in over three hundred television episodes and made for TV films These include medical series police detective shows situation comedies and TV dramas THE PRIME TIME CLOSET also reveals how television's treatment of homosexuality has reflected and reinforced society's ignorance about and fear of gay men and lesbians At the same time it celebrates programs like Ellen and Will Grace that have broken new ground in their sensitive and enlightened approach to homosexuality and gay related themes This book is witty and insightful accessible and illuminating a look into what has become an integral part of American media culture

Reminiscing Our Heritage Danny Walsh, 2017-07-05 This book is designed to be used by anybody working with older adults in residential nursing and day care facilities It provides a wealth of reminiscence material which can be used in a number of ways to rekindle memories and provide stimulating activity such as quizzes and discussion Each year covered in the book is divided into the sections Major events On the home front Music Television Screen and page Sport and Do you remember Many sections can be easily turned into quizzes and it would be simple to form a quiz from each year's material One cannot cover all that happened in these years nor highlight all the associations each event or fact triggers so the material is intended to be expanded on by the memories it triggers in clients during discussion So for example where a film title is mentioned ask if people can recall the stars of the film its plot and how it ended The Major events section will trigger lots of opinions too as it covers the political events of the decades so try to get the groups to discuss the ethical and moral dilemmas these posed at the time The book is intended for use with individuals and groups but you will discover that in a group one person's memories will trigger another's and so what seems like a small topic can last for the whole session as we all try to tell our personal tales While the content has a UK bias it also covers the major world events of the decades but I have included a blank page for each year for you to record your own personal landmarks and achievements and also those of your local town or community specialising in older adults mental health to a deeper level
