Marie Claire Book Club Pick for April A Reader's Digest Book Club Pick for April A LibraryReads Pick One of Southern Living's Most Anticipated 2023 Releases One of Today's Most Anticipated 2023 Releases An unforgettable pairing of a college dropout and an eighty-four-year-old woman on the run from the law in this story full of tremendous heart, humor, and wit from the USA Today bestselling author of *The Invisible Husband* of Frick Island Twenty-one-year-old Tanner Quimby needs a place to live. Preferably one where she can continue sitting around in sweatpants and playing video games nineteen hours a day. Since she has no credit or money to speak of, her options are limited, so when an opportunity to work as a live-in caregiver for an elderly woman falls into her lap, she takes it. One slip on the rug. That's all it took for Louise Wilt's daughter to demand that Louise have a full-time nanny living with her. Never mind that she can still walk fine, finish her daily crossword puzzle, and pour the two fingers of vodka she drinks every afternoon. Bottom line: Louise wants a caretaker even less than Tanner wants to be one. The two start off their living arrangement happily, ignoring each other until Tanner starts to notice things weird things. Like why does Louise keep her garden shed locked up tighter than a prison? And why is the local news fixated on the suspect of one of the biggest jewelry heists in American history who looks eerily like Louise? And why does Louise suddenly appear in her room with a packed bag at 1 a.m. insisting that they leave town immediately? Thus begins the story of a not-to-be-underestimated elderly woman and an aimless young woman who, if they can outrun the mistakes of their past, might just have the greatest adventure of their lives.

My Husband's Friends Katherine Bellamann, 1931 *Bodies Built for Game* Natalie Diaz, 2019-10-01 Sport has always been central to the movements of both the nation-state and the people who resist that nation-state. Think of the Roman Colosseum, Jesse Owens's four gold medal victories in the 1936 Nazi Olympics, Kareem Abdul Jabbar's protest at the 1968 Olympics, and the fallout Colin Kaepernick suffered as a result of his recent protest on the sidelines of an NFL game. Sport is a place where the body and the mind are the most dangerous because they are allowed to be unified as one energy. *Bodies Built for Game* brings together poems, essays, and stories that challenge our traditional ideas of sport and question the power structures that athletics enforce. What is it that drives us to athletics? What is it that makes us break our own bodies or the bodies of others as we root for these unnatural and performed victories? Featuring contributions from a diverse group of writers including Hanif Abdurraqib, Fatimah Asghar, Reginald Dwayne Betts, Louise Erdrich, Toni Jensen, Ada Limón, Tommy Orange, Claudia Rankine, Danez Smith, and Maya Washington, this book challenges America by questioning its games.
