inroad into the material world which the traveller must perform to express his spiritual content into the world Advice and warnings drawn from experience **Ramblings on the Path** Anand Shraddhan,2006-02-16 This fascinating and wide ranging book is the true story of a coolly rational and deeply unhappy person who sought release from the tyranny of the mind Having entered the stream of awakening he set out to find what might lie beyond This is not yet another version of I found my salvation in Jesus No religio moral sentimentality will be found here The authors message is as Socrates pointed out that an unexamined life is not worth living This book is addressed to all those people who are genuinely interested in the question of what it means to be a human being in the hope that it will encourage them to widen their horizons and not be limited by them *Mexican Journal* P. K. Page,2015-09-21 Black black black is the colour of a Mexican night From its first memorable lines *Mexican Journal* hints at the shadows that plagued the mind and spirit of P K Page during her tenure as wife to the Canadian ambassador to Mexico in the early 1960s In journal entries spanning the period of March 1960 to January 1964 Page attempts to compartmentalize her various selves as wife of a diplomat tourist silenced poet visual artist and religious novice Her entries acknowledge troubling phobias and spiritual barrenness as well as her painful acceptance of the blackness of the Mexican night They document Page s study of surrealism and the country s dark gods and reveal her struggle to overcome her personal dark night of the soul through the mystical teachings of Sufism which would inform her spiritual life for the rest of her career Unpublished during Page s lifetime *Mexican Journal* acts as a companion or more accurately a counterpoint to the wondrous and sensual *Brazilian Journal* Raw in its emotion and bluntly honest in its confessional style it exposes shadows and undersides in its painfully intense but richly productive analysis of a self that reluctantly faces internal and external darkness *Mexican Journal* is third in series of volumes to be published over the next ten years as a complement to a proposed online hypermedia edition of the *Collected Works of P K Page* The online edition is intended for scholarly research while this first published print edition offers an artful text intended to be enjoyed by those few who cherish and wonder at the talent of one of Canada s greatest poets **A Paper Inheritance** Dymphna Stella Rees,2021-06-01 When Dymphna Stella Rees finds bundles of love letters buried in her parents archive she is intrigued by the discovery Leslie Rees and Coralie Clarke Rees were a power couple of the Australian literary scene in the mid twentieth century They took their shared dream of being writers from Perth to London and launched themselves in Fleet Street interviewing some of the century s literary greats including James Joyce AA Milne and George Bernard Shaw After settling in Sydney in the 1930s they embraced the city s vibrant arts scene and established prolific careers Leslie became an award winning children s book author and the ABC s national drama editor while Coralie was one of the country s first female broadcasters They influenced the development of an authentically Australian arts culture and included among their friends Mary Gilmore Ruth Park D Arcy Niland Mary Durack and Vance and Nettie Palmer Drawn from personal notebooks letters and original transcripts *A Paper Inheritance* is the engrossing story of what drove this literary couple to prominence and is a

celebration of their love and their passion for words *Sunrise In The West* Wali Ali Meyer,2024-05 This captivating biography traces the life of 20th century mystic Samuel L Lewis Known principally as a Sufi and Zen master Murshid Sam also embodied the deep teachings of Hindu saints the Kabbalah and the Christian mysteries *The Way Home - And How to Get There* Jonathan W. Koontz,2008 This is a book of essays They are about the journey we all take through life All of us are heading toward a real goal home We will each know our own home when we get there When these essays started coming out of my computer I did not know they were going to be essays I was totally astonished when *His Eye Is On The Sparrow* showed up fully formed needing only slight tweaking to assume its final shape I looked it over This was an essay It could not be anything else Carrying on with my writing I saw essay after essay appear on the screen of my computer Some came out of my brain and heart almost as fully formed as the first Some required much work I believe the work was worthwhile I believe the book is worthwhile I stand proudly behind every idea in this book I do not stand behind every word Every major idea here is transformational and liberating I do not know how many major liberating transformational ideas there are in the world but as I write this I can think of maybe 20 or 30 no more On the other hand there are more than a half a million words in the three books You may find words with which you disagree I hope you do But it would be a step in the wrong direction for you to disagree with the ideas If you are completely satisfied with your current ideas about life if you know all you want to know about leading a joy filled life full of spirituality but devoid of empty religiosity if you are happy with your relationships with all the people who mean something to you if you have not thought about these things in many years and really don't care to think about them now If all this is true for you please close this book and stop reading immediately *The Way Home* is really three books in one cover Each of the three is a complete unit but each book gains strength from the other two There are forty one essays in *The Way Home* and each essay is complete in itself but is also part of a unified whole Book One provides an overview for the special person who will want to read a serious book of essays about how to lead life Book Two is for those who might want to know more about the author and how he became the person he is Book Three is for those who understand the first two These fortunate few will already be conscious citizens of the new world already emerging from the ashes of the complete failure of western civilization They know where they are going and how to get there They will have gained a sense of direction for everything they do and they will know how to regain balanced movement if they are ever threatened Most of them will be able to do this because of a new religion they have adopted It may be called by the same name as the religion they have always had but it will be a new and intensely personal view of that religion This personal religion will use some of the language of the religion into which the person was born that is Christians may use mostly the words of Jesus Jews will not use Jesus words at all the different sects of the Moslem world will find different sections of the Koran to emphasize and Indians will quote the Upanishads Remarkably there will be no disagreement although each religion will be unique to one person alone **Historical Dictionary of New Age Movements** Michael York,2004 *The Historical Dictionary of New Age*

Movements examines various New Age concepts spokespeople and leaders a range of human potential and self help practices countercultural spiritual developments and different groups and organizations that identify themselves as New Age without judging or categorizing them More than 240 entries make this dictionary a valuable resource for students practitioners and serious academics
