My Kind Of Angel Im William Burroughs:

My Kind of Angel William S. Burroughs,1998 A collection of interviews with William Burroughs and various critical writings on his work Also included are poetry and prose pieces written by various authors in tribute to the late writer

William S. Burroughs Phil Baker,2010-07-15 Along with Jack Kerouac and Allen Ginsberg William S Burroughs 1914 97 is an iconic figure of the Beat generation In William S Burroughs Phil Baker investigates this cult writer s life and work from small town Kansas to New York in the 40s Mexico and the South American jungle to Tangier and the writing of *Naked Lunch* to Paris and the Beat Hotel and 60s London alongside Burrough s self portrayal as an explorer of inner space reporting back from the frontiers of experience After accidentally shooting his wife in 1951 Burroughs felt his destiny as a writer was bound up with a struggle to come to terms with the Ugly Spirit that had possessed him In this fascinating biography Baker explores how Burroughs s early absorption in psychoanalysis shifted through Scientology demonology and Native American mysticism eventually leading Burroughs to believe that he lived in an increasingly magical universe where he sent curses and operated a wishing machine His lifelong preoccupation with freedom and its opposites forms of control or addiction coupled with the globally paranoid vision of his work can be seen to evolve into a larger ecological concern exemplified in his idea of a divide between decent people or Johnsons and those who impose themselves upon others wrecking the planet in the process Drawing on newly available material and rooted in Burroughs s vulnerable emotional life and seminal friendships this insightful and revealing study provides a powerful and lucid account of his career and significance **Understanding**

William S. Burroughs Gerald Alva (Al) Miller,2020-02-05 Through critical readings Gerald Alva Miller Jr examines the life of William S Burroughs and the evolution of his various radical styles not just in writing but also in audio film and painting Although Burroughs remains tied to the Beat Generation his works prove more revolutionary Miller argues that Burroughs more than any other author ushered in the era of both postmodern fiction and poststructural philosophy Through this study Miller situates Burroughs within the larger countercultural movements that began in the 1950s when his novels became influential because of their examination of various control systems from sex and drugs to global or even intergalactic conspiracies *Understanding William S Burroughs* begins by considering his early straightforward narratives Despite being more stylistically conventional they broke new ground with their depictions of junkies gay people and others marginalized by society The publication of *Naked Lunch* shattered all literary paradigms in terms of form and content *Naked Lunch* and the cut up novels recordings films and art that followed constitute one of the twentieth century s most sustained and methodical aesthetic experiments placing Burroughs alongside Franz Kafka Jorge Luis Borges James Joyce Samuel Beckett Vladimir Nabokov and Thomas Pynchon in terms of both innovation and influence Burroughs eventually turned his attention toward imagining methods of using the control machinery against itself Often considered his masterpiece the *Red Night Trilogy* of the 1980s ranges across time and space and life and death in its quest to discover the ultimate form of freedom His

antiestablishment stance and virulent attacks on various types of oppression have caused Burroughs to remain a highly influential figure to each new generation of authors artists musicians and philosophers The hippies punks and cyberpunks were all heavily indebted to the man whom many people called el hombre invisible and his works prove more relevant than ever in the twenty first century

CUT UP! An Anthology Inspired by the Cut-Up Method of William S. Burroughs & Brion Gysin A.D. Hitchin, Joe Ambrose, 2014 In Paris in the late Fifties the Beat Generation writer William Burroughs and his sidekick Brion Gysin developed the cut up method It involved taking a piece of finished text and cutting it into pieces then rearranging those pieces to create a new text or work of art Burroughs wrote that When you cut into the present the future leaks out The cut up had a profound effect on music writing painting and film Devotees of the cut up include David Bowie Radiohead and Kathy Acker In addition to bringing together new work by new people CUT UP also salutes some better known 20th Century voices who kept the spirit of Burroughs and Gysin alive Contributors include Kenji Siratori Claude Pelieu Nina Antonia Billy Chainsaw Cabell McLean Mary Beach Marc Olmsted Allen Ginsberg Spencer Kansa Michael Butterworth Robert Rosen Nathan Penlington Sinclair Beiles Gary J Shipley D M Mitchell and Edward S Robinson

Queer Burroughs J. Russell, 2001-07-19 William S Burroughs is consistently thought of as a novelist who is gay rather than a gay novelist This distinction is slight yet remarkable since it has meant that Burroughs has been excluded from the gay canon and from the scope of queer theory In this intelligent book Jamie Russell offers the first queer reading of Burroughs s novels He explores how the novels of Burroughs can be seen as a sustained attempt to offer a very personal rethinking of gay subjectivity and as an attempt to overturn stereotypes of gay men as effeminate Yet in his celebration and appropriation of some of the most violent misogynistic and effeminaphobic elements of heterosexually identified masculinity Burroughs s life and writing suggests a subjectivity which has been deeply troubling to many in the gay community

The Beat Hotel Barry Miles, 2000 The Beat Hotel is a delightful chronicle of a remarkable moment in American literary history From the Howl obscenity trial to the invention of the cut up technique Barry Miles s extraordinary narrative chronicles the feast of ideas that was Paris where the Beats took awestruck audiences with Duchamp and Celine and where some of their most important work came to fruition Ginsberg s Kaddish and To Aunt Rose Corso s The Happy Birthday of Death and Burroughs s Naked Lunch Based on firsthand accounts from diaries letters and many original interviews The Beat Hotel is an intimate look at an era of spirit dreams and genius

William Burroughs Barry Miles, 2002 Originally published London Virgin 1992

Brainwashing David Seed, 2004 An examination of the literary and cinematic representations of brainwashing during the Cold War era CIA operative who was a tireless campaigner against communism it took hold quickly and became a means to articulate fears of totalitarian tendencies in American life David Seed traces the assimilation of the notion of brainwashing into science fiction political commentary and conspiracy narratives of the Cold War era He demonstrates how these works grew out of a context of political and social events and how they express the anxieties of the time The Manchurian Candidate Seed provides new

interpretations of writers such as Orwell and Burroughs within the history of psychological manipulation for political purposes using declassified and other documents to contextualise the material he explores the shifting view points of how brainwashing is represented changing from an external threat to American values to an internal threat against individual American liberties by the U S government will welcome this study **Shift Linguals** Edward S. Robinson, 2011 Shift Linguals traces a history of the cut up method the experimental writing practice discovered by Brion Gysin and made famous by Beat author William S Burroughs From the groundbreaking works of Dada and Surrealism that paved the way for Burroughs breakthrough through the countercultural explosion of the 1960s Shift Linguals explores the evolution of the cut ups within the theoretical frameworks of postmodernism and the avant garde to arrive at the present and the digital age Some 50 years on from the first discovery of the cut ups in 1959 it is only now that we are truly able to observe the method s impact not only on literature but on music and culture in a broader sense The result of over nine years of research this study represents the first sustained and detailed analysis of the cut ups as a narrative form With explorations of the works of Burroughs Gysin Kathy Acker and John Giorno it also contains the first critical writing on the works of Claude P lieu and Carl Weissner in English as well as the first in depth discussion of the writing of Stewart Home to date **Mars Disarmed** Drew Milne, 2002 Poetry Drew Milne is something of a one man culture industry He has published ten books of poetry and as much of criticism and critical anthologies He is the editor of Parataxis Editions and its house journal and is the co author with Terry Eagleton of Blackwell s 1996 Marxist Literary Theory For a better grasp of his career see his webpage at <http://drewmilne.tripod.com> Milne has an agreeably heavy touch with contemporary and anachronistic pop English the shot put data boys sure do prod the pudding rinky dink triumph of nerd mister kiss kiss bang bang on salad days and a pique nique of ire
