lives the novel has led since it was written Employing a structure that deftly mirrors that of the novel *My Life in Middlemarch* takes the themes of Eliot's masterpiece the complexity of love the meaning of marriage the foundations of morality and the drama of aspiration and failure and brings them into our world Offering both a fascinating reading of Eliot's biography and an exploration of the way aspects of Mead's life uncannily echo that of Eliot herself *My Life in Middlemarch* is for every ardent lover of literature who cares about why we read books and how they read us *We Band of Sisters* Gwen Rollings, 2007 *We Band of Sisters* is a road map providing direction and landmarks to guide young women with insights into their Marine Corps husbands and others with strength courage and faith Motivation *Haunted by You* Louise Davis, 2023-10-24 What if one accidental mistake could rewrite your future forever That's the tragic dilemma two seemingly opposite yet romantically bound teens Genevieve and Steve must answer if they want to explore their deep connection while saving the lives of those they love the most Genevieve a quiet high achieving high school senior falls head over heels for Steve a popular yet reclusive boy who himself is still healing from the tragic loss of his parents As the two watch their love blossom Steve suddenly disappears leaving not a clue behind In the midst of grappling with her love's mysterious disappearance Genevieve's perfect world is unexpectedly shattered when her family is blackmailed into revealing a dark secret But this isn't just any secret Because if the truth is exposed it will change how Genevieve views her family and inevitably push them all onto an even more dangerous path Set in the backdrop of charming and quaint Moncks Corner South Carolina *Haunted By You* is an intense romantic suspense that takes readers on a highly entertaining psychological journey through whirlwind romance real life ghost stories haunted pasts and ultimate heartache with tragic consequences For young adult readers looking to be kept on the edge of their seats with well developed characters and an excitedly rich storyline *Haunted By You* will challenge readers to reconsider what's normal come to grips with unexpected loss and redefine what it means to cherish the small moments in life *The Redneck Chronicles* , **A walk through the times - Valentino & I** Anna Piccolini, 2022-12-30 After being transported back to the Roaring Twenties our main character becomes immersed in the quiet life of the countryside leaving behind the stunts and adventures with gangsters in order to hide herself from the many admirers of the famous Rodolfo Valentino This tranquillity however will be turned upside down by a certain desire of Anna's which she will eventually express on the day of her 30th wedding anniversary Without interruption she will be transported through time and through countless adventures to rediscover something that she would never think to be possible to witness with her own eyes to come into personal contact with a past shrouded in mystery and to forever be an object of interest to the fans of Valentino Each time period for the main character acts as a subway stop where the destinations are not represented by places but instead by years Who wouldn't want to get to know up close and personal the life of the great lover The amazement of travelling through time accompanied with many invigorating skirmishes between the two protagonists is still one of the key elements throughout the course of the novel After Valentino and I Timeless Love and
