My Life In Shorts:

Read My Shorts! Swift Smith, 2006-11 Although Swift Montana Smith's book entitled READ MY SHORTS is mostly about Cowboy Action Shooting and his personal experiences within the sport there are also stories about the Wild West included within The book is split into two parts with the first part being short stories that can be read in less than an hour having said that the eighteen stories listed in Part One will take several hours to read The addition of the longer short story in Part Two of the book about a Wild West character called Edgar Windfal is a pleasant narrative and very interesting While some of the stories appear to be actual experiences many of them are fictional in nature and have a comedic tone and are meant to be amusing A few of the stories are serious and emotional including the last one entitled Edgar Windfal The Lucky Stone Overall the book is easy to read and very enjoyable
